**Item 1.01. Entry into a Material Definitive Agreement.**

**Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.**

On March 22, 2018, Iron Mountain Incorporated, or the Company, Iron Mountain Information Management, LLC, or IMIM, and certain other subsidiaries of the Company entered into an amendment, or the Second Amendment, to the Company's credit agreement, as previously amended, with certain lenders, JPMorgan Chase Bank, N.A., as administrative agent, and JPMorgan Chase Bank, N.A., Toronto Branch, as Canadian administrative agent, or the Credit Agreement. As a result of the Second Amendment, the Company increased the maximum amount by which it may request an increase in the revolving credit facilities under the Credit Agreement, or the Revolving Credit Facility, or request the addition of incremental term loan facilities under the Credit Agreement, from \$2.5 billion to \$3.26 billion.

On March 22, 2018, IMIM entered into an incremental term loan activation notice, or the Activation Notice, with certain lenders pursuant to which the lenders party to the Activation Notice agreed to provide commitments to fund an incremental term loan B under the Credit Agreement in the amount of \$700.0 million, or the Term Loan B. On March 26, 2018, IMIM borrowed the full amount of the Term Loan B. The Term Loan B was issued at 99.75% of par. The Company used the net proceeds from the Term Loan B to repay outstanding borrowings under the Revolving Credit Facility.

The Term Loan B benefits from the same security and guarantees as other borrowings under the Credit Agreement. The Term Loan B also benefits from the same affirmative and negative covenants as other borrowings under the Credit Agreement; however, the Term Loan B is not generally entitled to the benefits of the financial covenants under the Credit Agreement. The Company must repay 0.25% of the initial principal amount of the Term Loan B at the end of each calendar quarter during the period June 30, 2018 through December 31, 2025, with payment in full of the remaining amount due at the stated maturity date of January 2, 2026. The Term Loan B may be prepaid without penalty at any time after the six month anniversary of the borrowing date. The Term Loan B bears interest at a rate of LIBOR plus 1.75%. On the borrowing date, the Company paid fees to the lenders making the Term Loan B.

The above descriptions of the Second Amendment and Term Loan B are not complete and are subject to and qualified in their entirety by reference to the Credit Agreement, a copy of which is attached as Exhibit 10.1 to the Company's Current Report on Form 8-K filed with the Securities and Exchange Commission on August 22, 2017, to the First Amendment to the Credit Agreement, a copy of which is attached as Exhibit 10.55 to the Company's Annual Report on Form 10-K for the year ended December 31, 2017, to the Second Amendment, a copy of which is attached hereto as Exhibit 10.1, and the Activation Notice, a copy of which is attached hereto as Exhibit 10.2, each of which is incorporated herein by reference.
