The Board proposes that the dividend will be paid on or about June 13, 2018. The actual dividend pay date outside Finland will be determined by the practices of the intermediary banks transferring the dividend payments.

9. Resolution on the discharge of the members of the Board of Directors and the President and CEO from liability

10. Resolution on the remuneration to the members of the Board of Directors

The Board's Corporate Governance and Nomination Committee proposes to the Annual General Meeting that the annual fee payable to the Board members elected at the same meeting for a term ending at the close of the Annual General Meeting in 2019 remains at current level: EUR 440 000 for the Chair of the Board, EUR 185 000 for the Vice Chair of the Board and EUR 160 000 for each Board member. In addition, the Committee proposes that the Chair of the Audit Committee and the Chair of the Personnel Committee will each receive an additional annual fee of EUR 30 000 and other members of the Audit Committee an additional annual fee of EUR 15 000 each. In addition, the Board has informed the Corporate Governance and Nomination Committee that it is planning to establish a Technology Committee following the Annual General Meeting. Accordingly, the Corporate Governance and Nomination Committee proposes to the Annual General Meeting that EUR 20 000 is payable to the Chair of the Technology Committee as an additional annual fee

subject to the Board establishing the Committee. The fee is payable from the establishment of the Committee until the close of the Annual General Meeting in 2019.

The Committee also proposes that a meeting fee for Board and Committee meetings be paid to all the other Board members, except the Chair of the Board, based on travel required between the Board member's home location and the location of a meeting. The meeting fee would be paid for a maximum of seven meetings per term and remain on the following levels: EUR 5 000 per meeting requiring intercontinental travel and EUR 2 000 per meeting requiring continental travel. Furthermore, the Committee also proposes that members of the Board of Directors shall be compensated for travel and accommodation expenses as well as other costs directly related to Board and Committee work.

The Corporate Governance and Nomination Committee proposes that approximately 40 per cent of the annual fee be paid in Nokia shares purchased from the market, or alternatively by using treasury shares held by the Company. The meeting fee would be paid in cash. In line with the current Nokia policy, the directors shall retain until the end of their directorship such number of shares that corresponds to the number of shares they have received as Board remuneration during their first three years of service in the Board (the net amount received after deducting those shares needed to offset any costs relating to the acquisition of the shares, including taxes).

11. Resolution on the number of members of the Board of Directors

The Board's Corporate Governance and Nomination Committee proposes to the Annual General Meeting that the number of Board members be ten (10).

12. Election of members of the Board of Directors

Jean C. Monty has informed that he will no longer be available to serve on the Nokia Board of Directors after the Annual General Meeting. Accordingly, the Board's Corporate Governance and Nomination Committee proposes to the Annual General Meeting that the following current Nokia Board members be re-elected as members of the Board for a term ending at the close of the Annual General Meeting in 2019: Bruce Brown, Jeanette Horan, Louis R. Hughes, Edward Kozel, Elizabeth Nelson, Olivier Piou, Risto Siilasmaa, Carla Smits-Nusteling and Kari Stadigh. In addition, the Committee proposes that Sari Baldauf, who is a non-executive director, be elected as a member of the Board of Directors for the same term.

13. Resolution on the remuneration of the Auditor

The Board's Audit Committee proposes to the Annual General Meeting that the auditor to be elected at the Annual General Meeting be reimbursed based on the invoice of the auditor and in compliance with the purchase policy approved by the Audit Committee.

14. Election of Auditor

The Board's Audit Committee proposes to the Annual General Meeting that PricewaterhouseCoopers Oy be re-elected as the auditor of the Company for the fiscal year 2018.

15. Authorization to the Board of Directors to resolve to repurchase the Company's own shares

The Board proposes that the Annual General Meeting authorize the Board to resolve to repurchase a maximum of 550 million Nokia shares by using funds in the unrestricted equity. Repurchases will reduce funds available for distribution of profits. The shares may be repurchased in order to optimize the capital structure of the Company and are expected to be cancelled. In addition, shares may be repurchased in order to meet obligations arising from debt financial instruments that are exchangeable into equity instruments, to settle equity-based incentive plans for employees of Nokia Group or of its associated companies, or to be transferred for other purposes such as

financing or carrying out acquisitions.

The shares may be repurchased either through a tender offer made to all the shareholders on equal terms or in another proportion than that of the shares held by current shareholders (directed repurchase).

It is proposed that the authorization be effective until November 30, 2019 and terminate the corresponding authorization granted by the Annual General Meeting on May 23, 2017.

16. Authorization to the Board of Directors to resolve to issue shares and special rights entitling to shares

The Board proposes that the Annual General Meeting authorize the Board to resolve to issue a maximum of 550 million shares through issuance of shares or special rights entitling to shares under Chapter 10, Section 1 of the Finnish Limited Liability Companies Act in one or more issues during the effective period of the authorization. The Board may issue either new shares or treasury shares held by the Company.

The Board proposes that the authorization may be used to develop the Company's capital structure, diversify the shareholder base, finance or carry out acquisitions or other arrangements, settle the Company's equity-based incentive plans, or for other purposes resolved by the Board.

It is proposed that the authorization includes the right for the Board to resolve on all the terms and conditions of the issuance of shares and such special rights, including to whom shares or special rights may be issued as well as the consideration to be paid. The authorization thereby includes the right to deviate from the shareholders' pre-emptive rights within the limits set by law.

It is proposed that the authorization be effective until November 30, 2019 and terminate the corresponding authorization granted by the Annual General Meeting on May 23, 2017. The authorization does not terminate the authorization by the Extraordinary General Meeting held on December 2, 2015 granted to the Board for issuance of shares in order to implement the combination of Nokia and Alcatel Lucent.

17. Closing of the Meeting
