Item 5.02 **Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

Pursuant to the terms of the Amended and Restated Bylaws of PacWest Bancorp (the Company), dated November 5, 2014, and the Company's Corporate Governance Guidelines, dated November 8, 2017, any nominee for director who receives a greater number of against votes than for votes shall promptly tender his or her resignation following certification of the vote, for consideration by the Compensation, Nominating and Governance Committee (the Committee) of the Company's board of directors (the Board). In connection with the Company's 2018 Annual Meeting of Stockholders (Annual Meeting), which was held on May 14, 2018, Ms. Tanya M. Acker received a greater number of against votes than for votes and, accordingly, tendered her resignation to the Board on May 15, 2018, following certification of the vote in connection with the Annual Meeting.

The Committee promptly considered Ms. Acker's tendered resignation and recommended to the Board to reject the resignation. In considering whether to recommend that the Board reject Ms. Acker's tendered resignation, the Committee evaluated the best interests of stockholders and the Company and considered all factors it believed relevant, including, without limitation: (a) the reasons Ms. Acker did not receive the required vote and whether the underlying cause or causes were curable; (b) the expertise Ms. Acker brings to the Board through her experience as an attorney and arbitrator and as a director of several nonprofit organizations and particularly in the areas of legal and regulatory matters, risk management and strategic planning; and (c) feedback the Company received from a number of its stockholders as a result of the Company's outreach to stockholders in respect of this matter. In addition, the Board considered that over 48% of the votes cast by our stockholders were for Ms. Acker to remain on the Board.

The Committee determined that the primary factor that led to the negative vote for Ms. Acker was the negative recommendation by Institutional Shareholder Services based upon Ms. Acker's failure to attend at least 75% of the Board and relevant committee meetings that were scheduled during the past year. The Committee believes that Ms. Acker's failure to meet the 75% standard was excused due to her inability to attend some of the meetings due to prior commitments that could not be rescheduled. Moreover, the Committee took note of the fact that Ms. Acker missed the 75% standard by only 2 percentage points (having attended 73% of the Board and relevant committee meetings). Since the beginning of the current year, Ms. Acker has attended 100% of the meetings of the Board and relevant committees, and the Committee anticipates that she will be able to continue to do so going forward.

The Board then acted on the recommendation of the Committee and determined to reject Ms. Acker's resignation and reaffirm her appointment as a director. As a result, Ms. Acker will continue to serve as a director on the Board.

Ms. Acker did not participate in the deliberations by the Committee or the Board with regard to her tendered resignation.

Item 5.07 **Submission of Matters to a Vote of Security Holders.**

On May 14, 2018, the Company held its Annual Meeting. There were 125,153,957 shares of Company common stock issued and outstanding on the record date and entitled to vote at the Annual Meeting and 115,209,883 shares were represented in person or by proxy at the Annual Meeting, which constituted a quorum to conduct business at the Annual Meeting.
