**EQT Corporation Issues Statement Regarding Director Nominations**

*No Shareholder Action Required at This Time*

**PITTSBURGH** (March 21, 2019) EQT Corporation (NYSE: EQT), today confirmed that Toby Z. Rice submitted to the Company a notice of nomination of nine director candidates to stand for election to the EQT Board of Directors at the Company's 2019 Annual Meeting of Shareholders. Shareholders are not required to take any action at this time.

The Company issued the following statement:

The EQT Board of Directors and management team strive to maintain an open dialogue with investors and welcome constructive input that may advance our goal of enhancing shareholder value. For this reason, members of the EQT Board and management team have held meetings and discussions with Toby Rice and Derek Rice (the Rices) over the past few months. As EQT developed and finalized its 2019 operating plan, which was announced on January 22, 2019, the Board carefully considered the suggestions put forward by Toby and Derek Rice.

Over the last several months, EQT has successfully implemented a cultural and strategic shift to focus on development optimization and efficiencies. Following the Company's transformation in 2018 into a premier pure-play upstream company with a world-class asset base, EQT is now reducing costs and generating substantial free cash flow. Under the continued leadership of the Board and management, EQT expects to generate approximately \$300 to \$400 million of adjusted free cash flow in 2019 and \$2.9 billion of adjusted free cash flow over the next five years. EQT has already implemented cost saving actions that reduced annual cash costs by approximately \$150 million. EQT is also committed to reducing capital costs by an additional 10% in 2020 and beyond, providing incremental upside to this plan. Through more efficient operations, EQT will continue to do more with less, including increasing lateral lengths across its drilling program and increasing production while using less capital.

EQT has begun a new chapter and made important enhancements throughout the organization, including through Board and leadership refreshment. In 2018, EQT appointed four new independent directors to the Board. The Board now comprises 12 directors, 10 of whom are independent and all of whom are actively engaged in overseeing the Company's strategy and success. EQT's directors have expertise in areas that are critical to the Company, including natural resource extraction, engineering, energy policy, government relations, accounting, mergers and acquisitions, and corporate governance.

The Company has also established a strong new management team, including a new CEO, CFO, general counsel and head of investor relations. Following a comprehensive search initiated in December, on March 7th, EQT announced the appointment of Gary Gould as executive vice president and chief operating officer, effective

April 2019. Mr. Gould has more than three decades of relevant industry experience, including in unconventional oil and gas in the Marcellus, and a proven track record of driving operational efficiency to achieve superior results. Mr. Gould will work closely with the management team to further optimize operations and

reduce costs. The refreshed leadership team is proceeding with a sense of urgency as it works to increase EQT's free cash flow generation and further improve operational efficiency.

The EQT Board and management team will continue to take actions to enhance shareholder value and position EQT for growth and success.

The Corporate Governance Committee of EQT's Board will review and consider Toby Rice's director candidates and make a formal recommendation regarding director nominees in the Company's definitive proxy statement and other materials to be filed with the U.S. Securities and Exchange Commission and mailed to all shareholders eligible to vote at the 2019 Annual Meeting of Shareholders.

As previously announced, the 2019 Annual Meeting of Shareholders will be held on Wednesday, July 10, and EQT will announce the Board's recommended director nominees in the Notice of Annual Meeting, proxy statement and other materials, including a GOLD proxy card, to be filed with the U.S. Securities and Exchange Commission and mailed to all shareholders eligible to vote at the 2019 Annual Meeting of Shareholders.
