Section 1. Registrant's Business and Operations

Item 1.02 Termination of a Material Definitive Agreement

On February 21, 2005, the Company entered into a Share Exchange Agreement with Universal Power Vehicles ("UPV") whereby the Company would acquire one hundred percent (100%) of the stock of UPV in exchange for twenty percent (20%) of the common stock of Victory Energy, Inc., a to be formed wholly owned subsidiary of the Company. Although the closing was intended to be within two weeks and based upon outstanding due diligence concerns, closing was uncertain to happen, if at all. As of the date of this Report, the Company had not yet satisfied its due diligence concerns and has concluded that based upon the outstanding due diligence issues, entering into such transaction would not be in the best interest of the Company's shareholders. The Company will incur no termination penalties.

The Company has decided to concentrate its business on the exploration and development of oil and natural gas as of the date of this Report.
