**Item 2.02**      **Results of Operations and Financial Condition**

On May 10, 2007, Versar, Inc. issued a press release announcing the Company's results for its third quarter ended March 30, 2007. The press release filed with the Form 8-K of which this is an amendment, did not contain the full text of the press release as issued to the public and the press release issued to the public included an error, incorrectly understating the percentage increase in gross revenue for the first nine months of fiscal year 2007. Attached to this report is the corrected, full-text press release containing the information previously omitted from the version filed with the original Form 8-K and containing the corrected information regarding the increase in gross revenues for the first nine months of fiscal year 2007 of 69% compared to the prior fiscal period.
