Item 1. Security and Issuer

This Schedule 13D relates to the shares of beneficial interest, par value \$0.10 (the “*Shares*”), issued by American Mortgage Acceptance Company, a Massachusetts business trust (the “*Issuer*”), whose principal executive office is located at 625 Madison Avenue, New York, NY 10022.

Item 2. Identity and Background

This Schedule 13D is filed on behalf of Centerline Holding Company, a Delaware statutory trust (hereinafter referred to as “*Centerline*” or the “*Reporting Person*”). The principal executive office of the Reporting Person is located at 625 Madison Avenue, New York, NY 10022. Through its subsidiaries, Centerline operates as real estate finance and investing company. Centerline is also the parent of Centerline/AMAC Manager Inc., the Issuer’s external advisor. All of the Issuer’s operations are conducted pursuant to an advisory services agreement with Centerline/AMAC Manager Inc.

All of the trustees and executive officers of the Reporting Person (the “*Covered Persons*”), including their principal address and principal occupation, are set forth on Schedule A attached hereto, which schedule is incorporated herein by reference. During the last five years, to the knowledge of the Reporting Person, none of the Reporting Person or the Covered Persons has been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors) or has been a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

Item 3. Source and Amount of Funds and Other Consideration.

The net investment cost (including broker commissions) for the Shares acquired by the Reporting Person is \$3.3 million. The Shares purchased by the Reporting Person were purchased with the working capital of the Reporting Person.

Item 4. Purpose of Transaction

The Reporting Person has purchased the Shares based on its belief that the Shares, when purchased, were undervalued and represented an attractive investment opportunity. In addition, on July 27, 2007, the Reporting Person purchased 280,000 of the Issuer’s 7.25% Series A Cumulative Convertible Preferred Shares (the “*Preferred Shares*”) issued by the Issuer in a public offering at a price of \$25.00 per share. The Reporting Person purchased the Preferred Shares based on its belief that the Preferred Shares represented an attractive investment opportunity. The Preferred Shares are convertible into the Shares at any time, at the option of the Reporting Person. Accordingly, the sum of the Shares issuable to the Reporting Person upon conversion of the Preferred Shares is included in the aggregate number of Shares that the Reporting Person beneficially owns, as required by Rule 13d-3(d) of the Act.

Depending upon various factors, including overall market conditions, other investment opportunities available to the Reporting Person and the Covered Persons, and the availability of the Shares at prices that would make the purchase of additional Shares desirable, the Reporting Person may or may not increase its position in the Issuer through, among other things, the purchase of additional Shares, on the open market or in private transactions or otherwise, on such terms and at such times as the Reporting Person may deem advisable. However, the Reporting Person will not purchase more than the number of Shares which would cause it to own in excess of the Issuer's ownership Limit, as defined in its Declaration of Trust.

The Reporting Person intends to review its investment in the Issuer on a continuing basis and depending on various factors, the Reporting Person may deem relevant to its investment decision, including, without limitation, the Issuer's financial position and strategic direction, the price levels of the Shares, conditions in the securities markets and general economic and industry conditions, the Reporting Person may decide to sell some or all of its Shares, or to continue to hold its existing position in the Shares for investment.

Except as set forth herein or such as would occur upon completion of any of the actions discussed above, no Reporting Person or Covered Person has any present plan or proposal which would relate to or result in any of the matters set forth in subparagraphs (a)-(j) of Item 4 of Schedule 13D.

Item 5. Interests in Securities of the Issuer.

(a) The aggregate percentage of Shares reported beneficially owned by the Reporting Person as of the date of filing this Schedule 13D is based upon 8,406,028 Shares issued and outstanding as reported by the Issuer in its most recent quarterly report of Form 10-Q for the period ended June 30, 2007 filed with the Securities and Exchange Commission on August 8, 2007. As of the close of business on August 10, 2007, the Reporting Person beneficially owned 979,658 Shares, constituting approximately 11.65% of the Shares outstanding. This amount includes 635,628 Shares issuable to the Reporting Person upon conversion of the Preferred Shares at the initial conversion rate of 2.2701 Shares per Preferred Share.

(b) The Reporting Person has sole power to vote all of the Shares and to dispose of all of the Shares beneficially owned by it.

(c) The trading dates, number of shares purchased and price per share for all transactions in the Shares from the 60th day prior to August 10, 2007, by the Reporting Person are set forth in Schedule B, which schedule is incorporated herein by reference. All of these trades were effected on the American Stock Exchange.

(d) No person other than the Reporting Person is known to have the right to receive or the power to direct the receipt of dividends from or the proceeds of sale of such Shares.

(e) Not applicable.
