NOTES TO FINANCIAL STATEMENTS

NOTE 1: MANAGEMENT REPRESENTATION AND PRESENTATION

The balance sheet of ENDO Networks as of December 31, 2005, the related statements of operations for the three months ended December 31, 2005 and 2004 and the statements of cash flows for the three months ended December 31, 2005 and 2004 included in the financial statements have been prepared by Endo Networks without audit. In the opinion of management, the accompanying financial statements include all adjustments (consisting of normal, recurring adjustments) necessary to summarize fairly the Endo Networks' financial position and results of operations. The results of operations for the three months ended December 31, 2005 are not necessarily indicative of the results of operations for the full year or any other interim period. Notes to the financial statements which would substantially duplicate the disclosure contained in the audited financial statements for the most recent fiscal year ended September 30, 2005 to be reported in Form 10-KSB, have been omitted.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Business

Endo Networks Inc. helps businesses acquire new customers and build sales and loyalty with existing customers.

We use interactive technology such as touchscreen kiosks, handheld computers, and websites, combined with promotional marketing tactics to filter large numbers of consumers, to find qualified prospects, and even precondition them for a sale.

Our services can be deployed within a business' own retail environment, to increase sales with their own customer base by increasing frequency of visit and/or average spend with individual customers, or they can be deployed within a partner location such as an office tower or a consumer show, to find and acquire qualified new customers.

Cash Equivalents

ENDO considers all highly liquid investment instruments purchased with original maturities of three months or less when acquired to be cash equivalents.

Revenue Recognition

ENDO recognizes revenue when persuasive evidence of an arrangement exists, delivery has occurred, the sales price is fixed or determinable and collectibility is probable. ENDO recognizes revenue from the sale of advertising related products and services like interactive advertising, studio promotion, and event management as the services are performed.

Revenue derived from professional services provided on a time and materials basis is recognized

as services are performed.

For time and material contracts, revenue is recognized and billed by multiplying the number of hours expended by our professionals in the performance of the contract by the established billing rates. For fixed fee projects, revenue is generally recognized using the proportionate performance method. Provisions for estimated losses on uncompleted contracts are made on a contract-by-contract basis and are recognized in the period in which such losses are determined.

ENDO maintains allowances for doubtful accounts on all its accounts receivable for estimated losses resulting from the inability of its customers and others to make required payments. If the financial condition of ENDO's customers and others were to deteriorate, resulting in an impairment of their ability to make payments, additional allowances may be required.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates.

Intangible assets

Intangible assets are recorded at cost. Cost is amortized over the estimated useful life of the asset unless that life is determined to be indefinite.

Intangible assets not subject to amortization are tested for impairment on at least an annual basis. If the fair value of the intangible asset is determined to be less than the carrying amount, an impairment loss is recognized in the amount of that difference.

Intangible assets subject to amortization are reviewed for impairment in accordance with the provisions applying to long-live assets.

Furniture and Equipment

Furniture and equipment are stated at cost. Depreciation of furniture and equipment is calculated on straight-line method over the estimated useful lives of the assets. Impairment losses are recorded on long-lived assets used in operations when indicators of impairment are present and the undiscounted cash flows estimated to be generated by those assets are less than the assets' carrying amount. No impairment losses have been recorded since inception.

Impairment of long-lived assets

The Company monitors the recoverability of long-lived assets, including property and equipment and intangible assets, based upon estimates using factors such as expected future asset utilization, business climate, and undiscounted cash flows resulting from the use of the related assets or to be realized on sale. The Company's policy is to write down assets to the estimated net recoverable

amount, in the period in which it is determined likely that the carrying amount of the asset will not be recoverable.

Income Taxes

Income taxes are computed using the asset and liability method. Under the asset and liability method, deferred income tax assets and liabilities are determined based on the differences between the financial reporting and tax basis of assets and liabilities and are measured using the currently enacted tax rates and laws. A valuation allowance is provided for the amount of deferred tax assets that, based on available evidence, are not expected to be realized.

Loss per Share

The basic net loss per common share is computed by dividing the net loss applicable to common stockholders by the weighted average number of common shares outstanding.

Diluted net loss per common share is computed by dividing the net loss applicable to common stockholders, adjusted on an "as if converted" basis, by the weighted average number of common shares outstanding plus potential dilutive securities. For the quarter ended December 31, 2005 and 2004 potential dilutive securities had an anti-dilutive effect and were not included in the calculation of diluted net loss per common share. These securities consisted of 634,000 of stock options at December 31, 2005 and 2004.

Stock-Based Compensation

Effective the quarter ended December 31, 2005 the Company adopted, FASB issued Statement No. 123(R) (revised 2004) (FAS 123(R)). FAS 123(R) revises FASB Statement No. 123, Accounting for Stock-Based Compensation and supersedes APB Opinion No. 25. FAS 123(R) and requires the Company to measure the cost of employee services received in exchange for stock option awards based on the grant-date fair value of such awards. That cost will be recognized over the period during which an employee is required to provide service in exchange for the award, which is usually the vesting period. The Company will report such costs as part of our general and administrative expenses.

Prior to the adoption of FAS 123(R) ,the Company accounted for its stock-based compensation plans under Accounting Principles Board (APB) Opinion No. 25, Accounting for Stock Issued to Employees.

Foreign Currency Translation

As nearly all operations are conducted in Canada, the Canadian dollar is the functional currency. All balance sheet accounts have been translated at the current exchange rate as of December 31, 2005. Statement of operations items have been translated at average currency exchange rates during the periods ended December 31, 2005 and 2004. The resulting translation adjustment is recorded as a separate component of comprehensive loss within stockholders deficit.

NOTE 3 GOING CONCERN

For the three months ended December 31, 2005 and the year ended September 30, 2005, ENDO incurred losses totaling \$62,247 and \$214,221, respectively, and at December 31, 2005 had a working capital deficit of \$674,534. Because of these recurring losses, ENDO will require additional working capital to develop and/or renew its business operations.

ENDO intends to raise additional working capital either through private placements, public offerings and/or bank financing. As of February 15, 2005, no financing agreements have been closed.

There are no assurances that ENDO will be able to either (1) achieve a level of revenues adequate to generate sufficient cash flow from operations; or (2) obtain additional financing through either private placement, public offerings and/or bank financing necessary to support ENDO's working capital requirements. To the extent that funds generated from any private placements, public offerings and/or bank financing are insufficient, ENDO will have to raise additional working capital. No assurance can be given that additional financing will be available, or if available, will be on terms acceptable to ENDO. If adequate working capital is not available ENDO may not continue its operations. The financial statements do not include any adjustments that might result from the outcome of this uncertainty.

NOTE 4 - LEASE FINANCING OBLIGATIONS

In September 2005 the Company restructured its lease payable obligation. As of December 31, 2005, the Company is in technical default on its current lease obligations since it has missed payments totaling approximately \$11,300. As a result the entire lease payable has been classified as a current liability.

NOTE 5 PAYROLL TAXES

The Company is required to remit employer payroll and employee payroll and income tax withholding payments in the month following the payroll period. As of December 31, 2005 payroll tax and income tax withholding payments for the four months ended December 31, 2005 in the amount of \$23,753 are in arrears.

ITEM 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

The following discussion should be read in conjunction with the financial statements and notes thereto included elsewhere in this Form 10-QSB and in our Form 10-KSB. This report contains forward-looking statements including, without limitation, statements regarding trends, cyclicity, seasonality, volatility and growth in the markets we sell into, our strategic direction, new product introductions, our liquidity position, our ability to generate cash from continuing operations, our expected order and revenue growth, the potential impact of our adopting new accounting pronouncements, our financial results, the impact and timing of our enterprise resource planning and customer relationship management systems implementation, our obligations under our retirement and post-retirement benefit plans, timing of, costs related to, and savings from our restructuring programs, the existence or length of an economic recovery and our ability to take advantage of a recovery that involve risks and uncertainties. Our actual results could differ materially from the results contemplated by these forward-looking statements due to various factors, including those discussed below in "Factors That May Affect Future Results" and elsewhere in this Form 10-QSB.

OVERVIEW

Endo Networks Inc. helps businesses acquire new customers and build sales and loyalty with existing customers.

We use interactive technology such as touchscreen kiosks, handheld computers, and websites, combined with promotional marketing tactics to filter large numbers of consumers, to find qualified prospects, and even precondition them for a sale.

Our services can be deployed within a business own retail environment, to increase sales with their own customer base by increasing frequency of visit and/or average spend with individual customers , or they can be deployed within a partner location such as an office tower or a consumer show, to find and acquire qualified new customers.

Our solutions are:

- Permission based
- Integratable with legacy systems
- Scalable
- Measurable
- Conducive to brand partnerships

Our areas of expertise include: Web, Kiosk, Handheld, Wireless, Loyalty, Promotional Marketing, Direct Marketing, Integration with Point of Sale, Survey, Incentive, Sampling, and Field and Event Marketing.

Our client base includes specialty retail, general retail, food service, automotive, alcohol, energy, consumer packaged goods, entertainment, amateur sports, and telecommunications companies.

The corporate head office is located at 2624 Dunwin Drive, Unit 3, Mississauga, Ontario, Canada, 20 minutes from Toronto and 60 minutes from Buffalo.

Endo Networks was incorporated in Texas as Discount Mortgage Services, Inc. on July 11, 2000 and in September 2001 purchased Endo Networks, a company incorporated in Ontario, Canada on January 30, 2001, in which conceptual and software development was ongoing prior to this date for approximately two years by company founders. Endo Networks Inc. (Canada) was acquired by Discount Mortgage Services Inc. (Texas) in September, 2001. Discount Mortgage Services Inc. (Texas) underwent a name change to Endo Networks, Inc. (US) in November, 2001 and was re-domiciled to Nevada in December, 2002.

LIQUIDITY AND CAPITAL RESOURCES

Total assets decreased by \$9,313 during the quarter ended December 31, 2005 from \$584,107 at September 30, 2005 to \$574,794 at December 31, 2005.

We do expect to incur material capital expenditures during the next 12 months for equipment relating to new client deployments. There is no assurance we will be able to generate sufficient revenues or obtain sufficient funds when needed, or whether such funds, if available, will be obtained on terms satisfactory to us. We do not have any long term or contingent obligations that must be satisfied.

CRITICAL ACCOUNTING POLICIES

Our Unaudited Financial Statements have been prepared in accordance with accounting principles generally accepted in the United States of America. The preparation of these financial statements requires us to make estimates and judgments that affect the reported amounts of assets, liabilities, revenues and expenses, and related disclosure of contingent assets and liabilities. We base our estimates on historical experience and on various other assumptions that are believed to be reasonable under the circumstances, the results of which form the basis of making judgments about the carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates under different assumptions or conditions.

We believe the following critical accounting policies, among others, affect our more significant judgments and estimates used in the preparation of our financial statements.

ALLOWANCE FOR DOUBTFUL ACCOUNTS

We maintain allowances for doubtful accounts for estimated losses resulting from the inability of our customers to make required payments. The allowance for doubtful

accounts is based on specific identification of customer accounts and our best estimate of the likelihood of potential loss, taking into account such factors as the financial condition and payment history of major customers. We evaluate the collectability of our receivables at least quarterly. If the financial condition of our customers were to deteriorate, resulting in an impairment of their ability to make payments, additional allowances may be required. The differences could be material and could significantly impact cash flows from operating activities.

VALUATION OF INTANGIBLES

From time to time, we acquire intangible assets that are beneficial to our product development processes. We periodically evaluate the carrying value of intangibles, including the related amortization periods. In evaluating acquired intangible assets, we determine whether there has been impairment by comparing the anticipated undiscounted cash flows from the operation and eventual disposition of the product line with its carrying value. If the undiscounted cash flows are less than the carrying value, the amount of the impairment, if any, will be determined by comparing the carrying value of each intangible asset with its fair value. Fair value is generally based on either a discounted cash flows analysis or market analysis. Future operating income is based on various assumptions, including regulatory approvals, patents being granted, and the type and nature of competing products. If regulatory approvals or patents are not obtained or are substantially delayed, or other competing technologies are developed and obtain general market acceptance or market conditions otherwise change, our intangibles may have a substantially reduced value, which could be material.

DEFERRED TAXES

We record a valuation allowance to reduce the deferred tax assets to the amount that is more likely than not to be realized. We have considered estimated future taxable income and ongoing tax planning strategies in assessing the amount needed for the valuation allowance. Based on these estimates, all of our deferred tax assets have been reserved. If actual results differ favorably from those estimates used, we may be able to realize all or part of our net deferred tax assets. Such realization could positively impact our operating results and cash flows from operating activities.

RESULTS OF OPERATIONS

COMPARISON OF RESULTS FOR THE THREE MONTHS ENDED DECEMBER 31, 2005 TO THE THREE MONTHS ENDED DECEMBER 31, 2004

REVENUE. During the three months ended December 31, 2005, the company generated revenues of \$362,139 from sales compared to revenues from sales for the three months ended December 31, 2004 of \$147,080, which represents an increase of \$215,059 over the same period of the prior year. The increase is due to performing work on projects that are scalable with moderate incremental costs.

COST OF SALES. Cost of goods sold increased from \$35,131 or 24% of sales for the three months ended December 31, 2004 to \$160,558 or 44% of sales for the three months ended December 31, 2005, an increase of 20%, due to having higher ongoing costs for the projects we are planning for the coming quarters.

GROSS PROFIT. Based on the foregoing, gross profit increased from \$111,949 or 76% of sales for the three months ended December 31, 2004 to \$201,581 or 56% for the three months ended December 31, 2005. This was due to the reduction in the cost of goods sold. Margins on sales increased for the three months ended December 31, 2005 compared to the three months ended December 31, 2004 due to the type of service/product offering Endo sold in the quarter.

GENERAL, ADMINISTRATIVE AND SELLING EXPENSES. General, Administrative and Selling expenses were \$220,218 for the three months ended December 31, 2005, compared to \$184,918 for the three months ended December 31, 2004, representing an increase of \$35,300. As a percentage of sales, general and administrative expenses were 61% of sales for the three months ended December 31, 2005 compared with 125% of sales for the three months ended December 31, 2004, a decrease of 64%.

Amortization and depreciation expense are not included in our general and administrative expenses. These expenses were \$43,610 and \$56,846 for the three months ended December 31, 2005 and 2004 respectively.

NET INCOME (LOSS) AND INCOME (LOSS) PER SHARE.

As a result of the above, in the three months ended December 31, 2005, our net loss was \$62,247 or \$0.00 per share, compared to a net loss of \$241,764 or \$0.01 per share for the three months ended December 31, 2004.

FORWARD LOOKING STATEMENTS. This Form 10-QSB contains forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. Such forward-looking statements made by Endo Networks involve known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements of the Company to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statements. Factors that could cause actual results to differ materially from the forward looking statements include, but are not limited to, risks associated with lack of significant operating history, demand for the Endo Networks' products, international business operations, dependence on licensees, governmental regulations, technological changes, intense competition and dependence on management. Given these uncertainties, readers are cautioned not to place undue reliance on such forward-looking statements. The Company's management disclaims any obligation to forward-looking statements contained herein to reflect any change in the Endo Networks' expectation with regard

thereto or any change in events, conditions, circumstances or assumptions underlying such statements.

ITEM 3. CONTROLS AND PROCEDURES

An evaluation was carried out under the supervision and with the participation of the Endo Networks' management, including our Chief Executive Officer and Chief Financial Officer, regarding the effectiveness of our disclosure controls and procedures (as defined in Rule 13a-15 under the Securities Exchange Act of 1934) as of December 31, 2005. As a result of their evaluation, our Chief Executive Officer and Chief Financial Officer have concluded that the Endo Networks' disclosure controls and procedures are effective to ensure that information required to be disclosed by Endo Networks in reports that it files or submits under the Securities Exchange Act of 1934 is recorded, processed, summarized and reported within the time periods specified in the Securities and Exchange Commission rules and forms. There were no changes in Endo Networks' internal control over financial reporting that occurred during the quarter ended December 31, 2005, that has materially affected and is reasonably likely to materially affect, the Endo Networks' internal control over financial reporting.

February 10, 2005

Exhibit 31.1

CERTIFICATION OF CHIEF EXECUTIVE OFFICER

I, Peter B. Day, certify that:

1. I have reviewed this quarterly report on Form 10-QSB of ENDO NETWORKS, INC.
2. Based on my knowledge, this quarterly report does not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements made, in light of the circumstances under which such statements were made, not misleading with respect to the period covered by this annual report;
3. Based on my knowledge, the financial statements, and other financial information included in this annual report, fairly present in all material respects the financial condition, results of operations and cash flows of the registrant as of, and for, the periods presented in this annual report;
4. The small business issuer's other certifying officer(s) and I are responsible for establishing and maintaining disclosure controls and procedures (as defined in Exchange Act Rules 13a-14 and 15d-14 for the small business issuer and have:
 - a. Designed such disclosure controls and procedures, or caused such disclosure controls and procedures to be designed under our supervision, to ensure that material information relating to the small business issuer, including its consolidated subsidiaries, is made known to us by others within those entities, particularly during the period in which this report is being prepared;
 - b. Evaluated the effectiveness of the small business issuer's disclosure controls and procedures and presented in this report our conclusions about the effectiveness of the disclosure controls and procedures, as of the end of the period covered by this report based on such evaluation; and
 - c. Disclosed in this report any change in the small business issuer's internal control over financial reporting that occurred during the small business issuer's most recent fiscal quarter (the small business issuer's fourth fiscal quarter in the case of an annual report) that has materially affected, or is reasonably likely to materially affect, the small business issuer's internal control over financial reporting; and

5. The small business issuer's other certifying officer(s) and I have disclosed, based on our most recent evaluation of internal control over financial reporting, to the small business issuer's auditors and the audit committee of the small business issuer's board of directors (or persons performing the equivalent functions):

a. All significant deficiencies and material weaknesses in the design or operation of internal control over financial reporting which are reasonably likely to

adversely affect the small business issuer's ability to record, process, summarize and report financial information; and

b. Any fraud, whether or not material, that involves management or other employees who have a significant role in the small business issuer's internal control over financial reporting.

4. The small business issuer's other certifying officer(s) and I are responsible for establishing and maintaining disclosure controls and procedures (as defined in Exchange Act Rules 13a-14 and 15d-14 for the small business issuer and have:
 - a. Designed such disclosure controls and procedures, or caused such disclosure controls and procedures to be designed under our supervision, to ensure that material information relating to the small business issuer, including its consolidated subsidiaries, is made known to us by others within those entities, particularly during the period in which this report is being prepared;
 - b. Evaluated the effectiveness of the small business issuer's disclosure controls and procedures and presented in this report our conclusions about the effectiveness of the disclosure controls and procedures, as of the end of the period covered by this report based on such evaluation; and
 - c. Disclosed in this report any change in the small business issuer's internal control over financial reporting that occurred during the small business issuer's most recent fiscal quarter (the small business issuer's fourth fiscal quarter in the case of an annual report) that has materially affected, or is reasonably likely to materially affect, the small business issuer's internal control over financial reporting; and

5. The small business issuer's other certifying officer(s) and I have disclosed, based on our most recent evaluation of internal control over financial reporting, to the small business issuer's auditors and the audit committee of the small business issuer's board of directors (or persons performing the equivalent functions):

a. All significant deficiencies and material weaknesses in the design or operation of internal control over financial reporting which are reasonably likely to adversely affect the small business issuer's ability to record, process, summarize and report financial information; and

b. Any fraud, whether or not material, that involves management or other employees who have a significant role in the small business issuer's internal control over financial reporting.

Chief Financial Officer

Exhibit 32.1

CERTIFICATION PURSUANT TO
18 U.S.C. SECTION 1350,
AS ADOPTED PURSUANT TO
SECTION 906 OF THE SARBANES-OXLEY ACT OF 2002

In connection with the Quarterly Report of Endo Networks, Inc. (the "Company") on Form 10-QSB for the period ending December 31, 2005, as filed with the Securities and Exchange Commission on the date hereof (the "Report"), I, Peter B. Day, Chief Executive Officer of the Company, certify, pursuant to 18 U.S.C. Section 1350, as adopted pursuant to Section 906 of the Sarbanes-Oxley Act of 2002, that:

(1) The Report fully complies with the requirements of Section 13(a) or 15(d) of the Securities Exchange Act of 1934; and

(2) The information contained in the Report fairly presents, in all material respects, the financial condition and results of operations of the Company at the dates and for the periods indicated.
