**No vote or other action by our stockholders is required in response to this Information Statement. Proxies are not being solicited.**

**INTRODUCTION**

We anticipate that following the expiration of the 10-day period beginning on the later of the date of the filing of this Information Statement with the SEC pursuant to Rule 14f-1 promulgated under the Exchange Act or the date of mailing of this Information Statement to our stockholders, the transactions contemplated by the Share Exchange Agreement discussed below under Change of Control will be completed. At that time:

Pursuant to a Share Exchange Agreement among Hangson Limited, a business company incorporated under the laws of the British Virgin Islands ( Hangson ) and the shareholders of Hangson ( Hangson Shareholders ) on the one hand, and us, Peter B. Day, Dean T. Hiebert and Charles Smith on the other hand, Hangson will become our wholly-owned subsidiary;

In connection with the Share Exchange, Hangson s Shareholders will transfer and deliver to us all of their Hangson stock in exchange for newly issued shares of Endo Networks common stock such that, immediately following the Closing of the Share Exchange, Hangson s Shareholders will collectively hold shares representing 85% of our outstanding shares at the time of Closing; and

In connection with the Share Exchange, Peter B. Day will resign as our President, CEO and sole director. Baowen Ren, Wenjie Zhang, and Peng Zhou will be appointed as our directors, effective upon the expiration of the 10-day period. Further, Baowen Ren will be appointed as our CEO and President, and Caixia Peng will be appointed as our CFO.

Because of the change in the composition of our board of directors and the exchange of securities pursuant to the Share Exchange Agreement, there will be a change in control of the Company at the expiration of the 10-day period ..

As of October 18, 2006, we had 2,711,473 shares of common stock issued and outstanding which comprises the only class of voting securities that would be entitled to vote for directors at a stockholders meeting if one were to be held. Each share of common stock is entitled to one vote.

Please read this Information Statement carefully. It describes the terms of the Share Exchange Agreement and contains certain biographical and other information concerning our executive officers and directors after the Share Exchange closes.

### **CHANGE OF CONTROL**

On October 18, 2006, we entered into a definitive Share Exchange Agreement to acquire Hangson by acquiring all of the outstanding common stock of Hangson in exchange for newly-issued stock to Hangson's shareholders. Once the Share Exchange closes, Hangson will become our wholly owned subsidiary and Hangson's Shareholders will own the majority of our voting stock. To accomplish the Share Exchange, we will issue an aggregate of 26,000,000 shares of our common stock in exchange for all of the issued and outstanding capital stock of Hangson. The shares will be issued pursuant to a claim of exemption under Section 4(2) of the Securities Act of 1933, as amended, for issuances not involving a public offering.

Pursuant to the terms of the Share Exchange Agreement, Peter B. Day, our President, CEO and sole director agreed to voluntarily cancel 715,500 of the 915,500 shares of our common stock that he owns; three of our other shareholders also agreed to voluntarily cancel a total of 438,850 shares of our common stock that they own. After the cancellations, we will have a total of 1,557,123 shares of common stock outstanding, plus an additional 669,600 shares issued pursuant to certain anti-dilution provisions contained in agreements we have with two of our consultants. After the Share Exchange, we will have 28,226,723 shares of common stock outstanding; Hangson's shareholders will own approximately 85% of our common stock and Viking Partners, Inc., a finder to the Share Exchange transaction will own approximately 7% of our common stock, with the balance of our common stock to be held by those who held our shares prior to the Share Exchange. Therefore, the closing of the Share Exchange will cause a change in control.

The Closing is subject to customary closing conditions, including that our Board of Directors approve the Share Exchange Agreement and that Hangson's officers and directors are appointed as our officers and directors. Baowen Ren, Wenjie Zhang, and Peng Zhou will be appointed as our directors effective upon the expiration of the 10-day period; and Baowen Ren will be appointed as our CEO and President, and Caixia Peng will be appointed as our CFO. Peter B. Day, our President, CEO and sole director will resign simultaneously with the appointment of Hangson's officers and directors.

In addition to a range of standard closing conditions set forth in the Agreement, the closing of the transaction is also conditioned upon Hangson's completion of its financial

statements and other information required under Item 2.01(f) of Form 8-K. Since the Closing is contingent upon the satisfaction of these and other conditions, *the Closing of the Share Exchange has not yet occurred and there has not yet been a change in our control. Moreover, if the conditions to be satisfied are not fully met in a timely fashion, the transactions described in this Schedule may not occur and there will not be a change in our control and Hangson's officers and directors will not become our officers and directors.*

The Share Exchange Agreement was filed as Exhibit 10.1 to our Current Report on Form 8-K that was filed with the Securities and Exchange Commission on October 18, 2006, and is incorporated herein by reference. The foregoing description of the Agreement and the transactions contemplated thereby do not purport to be complete and are qualified in their entirety by reference to such document.

### **Board of Directors Meetings and Shareholder Meetings**

During the fiscal year ending December 31, 2005, our board of directors held two meetings and took action by written consent one time. All directors attended at least 75% of our board meetings during fiscal 2005. Our annual shareholder meeting was held on September 5, 2006 and our sole director attended.

### **Audit, Nominating and Compensation Committees**

Due to our lack of operations and size, we have not designated an Audit Committee. Furthermore, we are currently quoted on the OTC Bulletin Board, which is sponsored by the NASD, under the symbol EDNW and the OTCBB does not have any listing requirements mandating the establishment of any particular committees. Our board of directors acts as our Audit Committee and performs equivalent functions, such as: recommending a firm of independent certified public accountants to audit the annual financial statements; reviewing the independent auditors independence, the financial statements and their audit report; and reviewing management's administration of the system of internal accounting controls. For these same reasons, we did not have any other committees during fiscal 2005.

Our Board believes that, considering our size and the members of our Board, decisions relating to director nominations can be made on a case-by-case basis by all members of the board without the formality of a nominating committee or a nominating committee charter. To date, we have not engaged third parties to identify or evaluate or assist in identifying potential nominees, although we reserve the right in the future to retain a third party search firm, if necessary.

The Board does not have an express policy with regard to the consideration of any director candidates recommended by shareholders since the Board believes that it can adequately evaluate any such nominees on a case-by-case basis. The Board will evaluate shareholder-recommended candidates under the same criteria as internally generated candidates. Although the Board does not currently have any formal minimum criteria for nominees, substantial

relevant business and industry experience would generally be considered important, as would the ability to attend and prepare for board, committee and shareholder meetings. Any candidate must state in advance his or her willingness and interest in serving on the board of directors.

We have not received any recommendations for a director nominee from any shareholder.

At each Board meeting, a member of management presents a summary of all communications received since the last meeting that were not forwarded and makes those communications available to the Directors on request.

#### **Compliance with Section 16(a) of the Exchange Act**

Section 16(a) of the Exchange Act requires our officers, directors and persons who own more than 10% of any class of our securities registered under Section 12(g) of the Exchange Act to file reports of ownership and changes in ownership with the SEC. Officers, directors and greater than 10% stockholders are required by SEC regulation to furnish us with copies of all Section 16(a) forms they file.

Based on our review of copies of such reports, we believe that there was compliance with all filing requirements of Section 16(a) applicable to our officers, directors and 10% stockholders during fiscal 2005.

### **Executive and Director Compensation**

We pay or accrue our President's salary, which is \$103,200 annually. We have not paid or accrued any other salary for our officers or directors. We do not have a retirement or stock option or bonus plan for our officers.
