NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS  
(UNAUDITED)

NOTE 1 - THE COMPANY AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

THE COMPANY

OVERVIEW

## Edgar Filing: LQ CORP INC - Form 10-Q

L Q Corporation, Inc. ("we" or the "Company") was incorporated in California as "Liquid Audio, Inc." in January 1996 and reincorporated in Delaware in April 1999. In July 1999, we completed our initial public offering of common stock. Our name was formally changed to "L Q Corporation, Inc." on January 7, 2004. Our principal executive offices are located at 888 Seventh Avenue, 17th Floor, New York, NY 10019 and our telephone number is (212) 974-5730.

Until the sale of substantially all of our assets to eBay, Inc. in January 2003, we provided an open platform that enabled the digital delivery of media over the Internet.

From January 2003 until December 30, 2005, we did not operate any business and were settling our remaining claims and liabilities while reviewing alternatives for the use or disposition of our remaining assets.

Our common stock is reported currently on The NASDAQ OTC Bulletin Board. Our common stock was traded on The NASDAQ National Market, but was delisted on June 5, 2003. The market price per share of our stock increased significantly following the implementation of our 1:250 reverse stock split and our 35:1 forward stock split effective as of June 8, 2004. The market price of our common stock as of November 10, 2006 was \$1.25 per share.

As disclosed in a Current Report on Form 8-K filed by the Company on July 12, 2006, the Board of Directors of the Company approved an amendment of the services agreement between Barington Capital Group, L.P. ("Barington") and the Company dated as of November 18, 2004 (as amended, the "Services Agreement"). The amendment extended the terms of the Services Agreement until December 31, 2007. The Services Agreement was previously set to expire by its terms on June 30, 2006.

As disclosed in a Current Report on Form 8-K filed by the Company on September 15, 2006, Sielox, LLC ("Sielox") entered into a strategic alliance agreement with Costar Video Systems, LLC ("Costar"), a subsidiary of Dynabazaar, Inc. ("Dynabazaar"), dated as of September 15, 2006, pursuant to which the companies agreed to explore mutually beneficial opportunities to work together, including, without limitation, through a joint venture, joint sales or joint marketing arrangements, or other business arrangements or strategic alliance. Costar designs, sources and distributes video and imaging products for the security and industrial markets. Sielox and Costar are also parties to a distribution agreement, dated July 31, 2006, pursuant to which Sielox was appointed as an authorized distributor of certain products of Costar.

As disclosed in a Current Report on Form 8-K filed by the Company on October 20, 2006, James A. Mitarotonda delivered to the Secretary of the Company notice of his resignation as a director and Chairman of the Board of the Company, effective as of the close of business on October 23, 2006. Mr. Mitarotonda had no disagreements with the Company on any matter relating to the Company's operations, policies or practices, and resigned in order to ensure that he had adequate time to devote to his other professional responsibilities. On October 23, 2006, the Board of Directors of the Company appointed Steven Berns, a director of the Company, to serve as Chairman of the Board of the Company, effective as of the close of business on October 23, 2006. On October 23, 2006, the Board of Directors of the Company elected Dianne K. McKeever to serve as a director of the Company, effective as of the close of business on October 23, 2006. Ms. McKeever has been a research analyst at Barington since October 2001.

Barington and a group of other investors which have joined with Barington in the filing of a statement on Schedule 13D collectively own greater than 10% of the outstanding common stock of the Company. Mr. Mitarotonda is Chairman, President and Chief Executive Officer of a corporation that is the general partner of Barington. Sebastian E. Cassetta, who serves as a director, President and Chief Executive Officer of the Company, is Senior Managing Director and the Chief

## Edgar Filing: LQ CORP INC - Form 10-Q

Operating Officer of Barington. Mr. Cassetta is also the Chief Executive Officer of Costar. The Company is party to the Services Agreement, as noted above, under which Barington provides, among other things, certain administrative, accounting and other services on the Company's behalf. Barington is a party to a similar services agreement with Dynabazaar and Barington and a group of other investors which have joined with Barington in the filing of a statement on Schedule 13D collectively own greater than 10% of the outstanding common stock of Dynabazaar.

#### Checkpoint Acquisition

On January 6, 2006, the newly formed wholly-owned subsidiary of the Company, Sielox completed the acquisition from Checkpoint Systems, Inc. ("Checkpoint") of substantially all of the net assets of Checkpoint's Access Control Products Group ("ACPG") division, effective as of the close of business on December 30, 2005. The acquisition of the net assets of ACPG are included in the consolidated balance sheet as of December 31, 2005 and the operations of the business are reflected in the consolidated Statement of Operations for the three and nine months ended September 30, 2006.

The ACPG business, which operates as Sielox(TM) under the Company's management, develops, designs and distributes open architecture access control software, programmable controllers (electronic circuit boards) and related accessories such as readers and ID cards, which can be configured to monitor, manage and control physical access to building perimeters and interior locations.

#### SES Resources, Ltd.

On January 6, 2006, the Company's newly formed majority owned subsidiary, SES Resources International, Inc. ("SES"), completed the acquisition of substantially all of the assets of SES Resources, Ltd., a start up consulting venture, effective as of December 30, 2005. The assets of SES Resources, Ltd. consisted primarily of various trademarks. It was determined that these trademarks had a fair value of zero. Consideration given in exchange for these assets was a 19.5% ownership interest in SES. The newly formed business unit specializes in delivering critical strategic security and business protection solutions based on best practices developed by accomplished retired law enforcement agents and in association with an advisory panel comprised of senior executive service level government risk assessment and law enforcement professionals ("Advisory Panel"). SES's primary areas of specialization are expected to include: corporate investigations (e.g. know your customer, know your employee, know your vendor reviews); due diligence reviews; forensic accounting; anti-money laundering investigatory services consistent with the requirements of the Patriot Act; anti-counterfeiting and intellectual property protection; corporate health and wellness consultancy; emergency preparedness and contingency planning; executive staffing solutions; and education and government security training services. The operations of the business are reflected in the Consolidated Statements of Operations for the three and nine months ended September 30, 2006.

The Advisory Panel will provide SES with strategic and operational advice, identify expert talent throughout the United States and internationally, and manage and staff client assignments. The Advisory Panel is in the process of being formed and currently includes Michael J. Thomas, a senior executive service level agent from the U.S. Internal Revenue Service, the former Chief of

## Edgar Filing: LQ CORP INC - Form 10-Q

Police of Boca Raton, Florida and David Edelson MD, FACP, a medical doctor who is presently Assistant Clinical Professor at Albert Einstein College of Medicine. The Advisory Panel is chaired by one of the owners/founders of SES Resources Ltd. and vice chaired by Sebastian Cassetta, former Vice President and Director of Brinks Inc. and, as of May 16, 2006, the President and Chief Executive Officer of the Company. SES is in the process of adding additional members to the Advisory Panel from various law enforcement agencies.

### LIQUIDITY (\$ IN THOUSANDS)

The Company has incurred losses and negative cash flows from operations every year since inception. For the nine months ended September 30, 2006, the Company incurred a net loss of \$1,462 and negative cash flows from operations of \$862. As of September 30, 2006, the Company had an accumulated deficit of approximately \$142,000. The Company feels its existing cash and cash equivalents are sufficient to fund the Company's current operations and satisfy its other obligations for at least the next twelve months. The Company believes these other obligations will primarily relate to costs associated with the satisfaction of any potential legal judgments or settlements, investments in software development and engineering related to the operations of Sielox and other expenses related to the operations of SES. Such operational related expenses are expected to require the use of the Company's liquidity.

### L Q CORPORATION, INC. NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS (UNAUDITED)

#### SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

##### BASIS OF PRESENTATION

The accompanying condensed consolidated financial statements of the Company for the three and nine months ended September 30, 2006 (unaudited) and September 30, 2005 (unaudited) have been prepared on a basis consistent with our audited consolidated financial statements for the year ended December 31, 2005. The condensed consolidated financial statements have been prepared in accordance with generally accepted accounting principles for interim financial information. Consequently, these statements do not include all disclosures normally required by generally accepted accounting principles for annual financial statements. These condensed consolidated interim financial statements should be read in conjunction with our audited consolidated financial statements for the year ended December 31, 2005, which are contained in our Annual Report on Form 10-K filed with the Securities and Exchange Commission ("SEC") on March 31, 2006. The condensed consolidated interim financial statements, in the opinion of management, reflect all adjustments (including all normal recurring accruals) necessary to present fairly the Company's financial position, results of operations and cash flows for the interim periods ended September 30, 2006 and 2005. The results of operations for the interim periods are not necessarily indicative of the results of operations to be expected for the fiscal year.

##### PRINCIPLES OF CONSOLIDATION

The consolidated financial statements include the accounts of the Company and its wholly-owned and majority-owned subsidiaries Sielox and SES, respectively. Significant intercompany transactions and balances have been eliminated.

##### CASH AND CASH EQUIVALENTS (\$ IN THOUSANDS)

## Edgar Filing: LQ CORP INC - Form 10-Q

The Company considers all highly-liquid debt instruments with original maturities of three months or less to be cash equivalents, including highly rated money market funds with daily liquidity. At September 30, 2006, and throughout the nine month period, balances of cash at financial institutions exceeded the federally insured limit. The Company has not experienced any losses in such accounts and believes it is not subject to any significant credit risk on cash and cash equivalents. The following schedule summarizes the estimated fair value of the Company's cash and cash equivalents:

	September 30, 2006 (unaudited)	December 31, 2005
	-----	-----
Cash and cash equivalents:		
Cash.....	\$ 75	\$ 19
Money market funds.....	2,002	5,727
	-----	-----
	\$ 2,077	\$ 5,746
	=====	=====

### CONCENTRATION OF CREDIT RISK (\$ IN THOUSANDS)

Financial instruments that potentially subject the Company to significant concentrations of credit risk consist primarily of cash and cash equivalents, short term investments and accounts receivable. Substantially all of the Company's cash and cash equivalents are invested in a highly liquid money market fund.

6

### L Q CORPORATION, INC. NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS (UNAUDITED)

### FAIR VALUE OF FINANCIAL INSTRUMENTS (\$ IN THOUSANDS)

The Company's financial instruments, including cash and cash equivalents, accounts receivable and accrued expenses payable are carried at cost. The Company's financial instruments approximate fair value due to their relatively short maturities. The Company does not hold or issue financial instruments for trading purposes.

### STOCK-BASED COMPENSATION (\$ IN THOUSANDS)

On January 1, 2006, the Company adopted Statement of Financial Accounting Standards ("SFAS") No. 123(R), "Accounting for Stock-Based Compensation (Revised)." This statement requires companies to record compensation expense for share-based awards issued to employees and directors in exchange for services provided. The amount of compensation expense is based on the estimated fair value of the awards on their grant dates and is recognized, on a straight line basis, over the applicable vesting period. In addition, SFAS No. 123(R) requires forfeitures of share-based awards to be estimated at the time of grant and revised, if necessary, in subsequent periods if those estimates change based on the actual amount of forfeitures. In the pro-forma information required under SFAS No. 123 for periods prior to January 1, 2006, the Company accounted for forfeitures as they occurred.

The fair value of stock options is determined using an option-pricing model that takes into account the stock price at the grant date, the exercise price, the

## Edgar Filing: LQ CORP INC - Form 10-Q

expected life of the option, the volatility of the underlying stock and the expected dividends on it, and the risk free interest rate over the expected life of the option.

In the nine months ended September 30, 2006, the Company recognized compensation expense of \$22 in the Company's condensed consolidated financial statements, all of which was for stock options. This amount includes compensation expense for stock options which were granted prior to January 1, 2006 but were not yet vested as of that date. Such compensation expense was estimated in accordance with the provisions of SFAS No. 123(R). The compensation expense also includes the expense recognized for stock options granted subsequent to January 1, 2006. Such compensation expense was estimated based on the grant date fair value in accordance with provisions of SFAS No. 123(R). Compensation expense increased by \$15 during the nine months ended September 30, 2006 as a result of implementing SFAS No. 123(R).

On January 6, 2006, in conjunction with the completion of the purchase of the ACPG division of Checkpoint and SES Resources, Ltd., the Company awarded 123,000 stock option grants. These options were granted to employees of Sielox and SES, together with members of the Advisory panel and executive officers. Due to the resignation of former CEO William Fox, 40,000 of those options awarded were forfeited. In addition, approximately 66,000 previously outstanding options were forfeited as a result of Mr. Fox's resignation. Due to the resignation of former director and Chairman of the Board James A. Mitarotonda, approximately 160,000 previously outstanding options were forfeited.

Consistent with the disclosure provisions of SFAS No. 123, the Company's net loss and basic and diluted net loss per share would have been adjusted for the three and nine months ended September 30, 2005 to the pro forma amounts indicated below in thousand, except per share amounts.

### NEW ACCOUNTING PRONOUNCEMENTS

In July 2006, the Financial Accounting Standards Board ("FASB") issued FASB

## Edgar Filing: LQ CORP INC - Form 10-Q

Interpretation No. 48 ("FIN 48"), "Accounting for Uncertainty in Income Taxes - an interpretation of FASB Statement No. 109." FIN 48 clarifies the accounting for uncertainty in income taxes recognized in a company's financial statements under SFAS No. 109, "Accounting for Income Taxes." Under FIN 48, the tax effects of a position taken on a tax return should be recognized only if it is "more-likely-than-not" that the position would be sustained based solely on its technical merits as of the reporting date. FIN 48 also provides guidance on derecognition, measurement, classification, interest and penalties, accounting in interim periods, disclosure and transition, and also requires significant new annual disclosures in the notes to the consolidated financial statements.

Differences between the amounts recognized in the statements of financial position prior to the adoption of FIN 48 and the amounts reported after adoption must be accounted for as a cumulative-effect adjustment recorded to the beginning balance of retained earnings. FIN 48 is effective for fiscal years beginning after December 15, 2006. As such, the Company is required to adopt FIN 48 at the beginning of its fiscal year 2007. The Company is currently evaluating the various requirements of FIN 48, but we have not yet determined the impact, if any, on our consolidated financial statements.

In September 2006, the FASB issued SFAS No. 157, "Fair Value Measurements" ("SFAS 157"). SFAS 157 establishes a single authoritative definition of fair value, sets out a framework for measuring fair value, and requires additional disclosures about fair-value measurements. SFAS 157 applies only to fair value measurements that are already required or permitted by other accounting standards (except for measurements of share-based payments) and is expected to increase the consistency of those measurements. Accordingly, SFAS 157 does not require any new fair value measurements. However, for some entities, the application of SFAS 157 will change current practice. SFAS 157 is effective for fiscal years beginning after November 15, 2007, and interim periods within those fiscal years. We do not expect the adoption of SFAS 157 to have a material impact on our consolidated financial statements.

In September 2006, the Securities and Exchange Commission issued Staff Accounting Bulletin 108, "Considering the Effects of Prior Year Misstatements When Quantifying Misstatements in Current Year Financial Statements" ("SAB 108"). SAB 108 clarifies the staff's views regarding the process of quantifying financial statement misstatements. SAB 108 allows registrants to adjust prior year financial statements for immaterial errors in the carrying amount of assets and liabilities as of the beginning of this fiscal year, with an offsetting adjustment being made to the opening balance of retained earnings. SAB 108 is effective for fiscal years ending on or after November 15, 2006 with earlier adoption encouraged. We do not expect the adoption of SAB 108 to have a material impact on our consolidated financial statements.

### NOTE 2-BUSINESS ACQUISITIONS (\$ IN THOUSANDS):

#### ACPG ACQUISITION

On January 6, 2006, Sielox acquired certain assets and assumed certain liabilities of the ACPG division of Checkpoint with an effective date as of the close of business on December 30, 2005. Prior to the ACPG acquisition, the Company was a public shell which had no operations. With the consummation of the ACPG acquisition, the Company became the parent company of an operating business. The aggregate purchase price, including acquisition costs of approximately \$300, was approximately \$2,900.

NOTE 2-BUSINESS ACQUISITIONS (\$ IN THOUSANDS) (CONTINUED):

The following table summarizes the estimated fair values of the assets acquired and liabilities assumed as of the date of acquisition.

	DECEMBER 31, 2005 (\$ IN THOUSANDS)
Accounts Receivable	\$ 1,097
Inventories	855

Net assets acquired	\$ 2,885
	=====

Goodwill and intangible assets arose from the ACPG acquisition. The aggregate of the purchase price plus acquisition costs of approximately \$2,900 exceeded the fair market value of all identifiable net assets. An independent appraisal was conducted of all tangible and intangible assets (including, but not limited to, inventory, fixed assets, developed software, hardware designs, customer lists, patents, trademarks and trade names, etc.) received as a result of the acquisition of ACPG. The results of this appraisal gave rise to, among other things, goodwill. Goodwill of approximately \$464 and intangible assets of approximately \$521 were recorded, net of purchase price adjustments made through the quarter ended September 30, 2006, based on the independent appraisal. Based on the results of the independent appraisal on the intangible assets acquired, the Company booked amortization of \$46 which was charged to operations for the nine months ended September 30, 2006.

Amortization expense for the three and nine months ended September 30, 2006 was \$46. As the intangible assets acquired in connection with the ACPG acquisition were acquired with an effective date of December 31, 2005, there was no amortization expense for the year ended December 31, 2005. Estimated amortization expense applicable to amortizable intangible assets for each of the next 5 years is \$61.

All intangible assets of the Company are attributable to the Sielox, LLC reporting segment and the weighted average amortization for the Company's intangible assets is 9 years. The estimated useful life for Proprietary Technology and Existing Relationships is 15 and 8 years, respectively.

### NOTE 5- COMPREHENSIVE LOSS:

Comprehensive loss includes net loss and other comprehensive loss. Other comprehensive loss includes accumulated translation adjustments. The components of comprehensive loss are as follows (\$ in thousands):

### NOTE 6 - NET LOSS PER SHARE:

Basic and diluted net loss per share is computed by dividing the net loss for the period by the weighted average number of common shares outstanding during the period. The calculation of diluted net loss per share excludes potential common shares if the effect is anti-dilutive. Potential common shares consist of unvested restricted common stock and incremental common shares issuable upon the exercise of stock options. The Company had a total of 308,000 and 349,000 of such options outstanding at September 30, 2006 and 2005, respectively.

### NOTE 7 - SEGMENT REPORTING (\$ IN THOUSANDS):

## Edgar Filing: LQ CORP INC - Form 10-Q

Effective January 1, 1998, the Company adopted the provisions of SFAS No. 131, "Disclosures about Segments of an Enterprise and Related Information." SFAS No. 131 establishes standards for the method in which companies report information about operating segments in financial statements. SFAS No. 131 focuses on the internal organization that is used by management for making operating decisions and assessing performance as the source of the Company's reportable segments. SFAS No. 131 also requires disclosures about products and services, geographic areas and major customers. The Company has determined that it operated in two and zero operating segment(s) at September 30, 2006 and 2005, respectively.

The following table represents total net revenues of each of the Company's reporting segments for the three and nine months ended September 30, 2006 and 2005:

NOTE 8- OBLIGATIONS UNDER CAPITAL LEASE:

The Company leases certain equipment under a capital lease expiring in 2009. The assets and liabilities under that capital lease are recorded at the lower of the present value of the minimum lease payments or the fair value of the assets. The assets are amortized over their estimated useful lives. Amortization of assets under capital leases is included in depreciation and amortization expense for the nine months ended September 30, 2006.

At September 30, 2006 and December 31, 2005, fixed assets included \$85 and \$0, respectively, and accumulated amortization included \$12 and \$0, respectively, related to assets recorded under the capital lease.

NOTE 9 - COMMITMENTS AND CONTINGENCIES:

Legal proceedings

We are a defendant in certain purported class action lawsuits filed by individual shareholders in the U.S. District Court for the Southern District of New York against certain of our former officers and directors, and various of the underwriters in our initial public offering ("IPO") and secondary offering. The lawsuits have been filed by individual shareholders who purport to seek class action status on behalf of all other similarly situated persons who purchased the common stock of the Company between July 8, 1999 and December 6, 2000. The lawsuits allege that certain underwriters of the IPO solicited and received excessive and undisclosed fees and commissions in connection with that offering. The lawsuits further allege that the defendants violated the federal securities laws by issuing a registration statement and prospectus in connection with the Company's IPO which failed to accurately disclose the amount and nature of the commissions and fees paid to the underwriter defendants. On or about October 8, 2002, the Court entered an Order dismissing the claims asserted

## Edgar Filing: LQ CORP INC - Form 10-Q

against certain individual defendants in the consolidated actions without any payment from these individuals or the Company. On or about February 19, 2003, the Court entered an Order dismissing with prejudice the claims asserted against the Company under Section 10(b) of the Securities Exchange Act of 1934, as amended. As a result, the only claims that remain against the Company are those arising under Section 11 of the Securities Act of 1933, as amended. The parties have negotiated and executed a definitive settlement agreement. The proposed settlement provides that the class members in the class action cases brought against the participating issuer defendants will be guaranteed a recovery of \$1 billion by insurers of the participating issuer defendants. If recoveries totaling \$1 billion or more are obtained by the class members from the underwriter defendants, however, the monetary obligations to the class members under the proposed settlement will be satisfied. In addition, the Company and any other participating issuer defendants will be required to assign to the

14

L Q CORPORATION, INC.  
NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS  
(UNAUDITED)

class members certain claims that they may have against the underwriters of their IPO's. The proposed settlement contemplates that any amounts necessary to fund the settlement or settlement-related expenses would come from participating issuers' directors and officers liability insurance policy proceeds as opposed to funds of the participating issuer defendants themselves. A participating issuer defendant could be required to contribute to the costs of the settlement if that issuer's insurance coverage were insufficient to pay that issuer's allocable share of the settlement costs. If ultimately approved by the Court, the proposed settlement would result in the dismissal, with prejudice, of all claims in the litigation against the Company and all of the other issuer defendants who have elected to participate in the proposed settlement, together with the current or former officers and directors of participating issuers who were named as individual defendants. The proposed settlement does not provide for the resolution of any claims against the underwriter defendants, and the litigation as against those defendants is continuing. Consummation of the proposed settlement remains conditioned upon obtaining approval by the Court. On September 1, 2005, the Court preliminarily approved the proposed settlement, directed that notice of the terms of the proposed settlement be provided to class members, and scheduled a fairness hearing. On April 24, 2006, the Court held a fairness hearing in connection with the motion for final approval of the proposed settlement at which objections to the proposed settlement were heard. The Court did not issue a ruling at the fairness hearing. The settlement remains subject to a number of conditions, including final approval of the Court.

### Contingencies

On January 6, 2006, the Company's wholly-owned subsidiary, Sielox, acquired Checkpoint's ACPG division. The acquisition had an effective date of December 30, 2005. The total cash consideration given to Checkpoint for the transaction was approximately \$2.6 million, of which approximately \$2.5 million was paid directly to Checkpoint and \$100,000 was paid to an escrow agent on January 6, 2006.

This cash is held by the escrow agent and will be delivered by the agent to Checkpoint after a period of one year subsequent to the acquisition date assuming no claims for indemnification are made against Checkpoint.

ITEM 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

The following Management's Discussion and Analysis contains forward-looking statements within the meaning of Federal securities laws. You can identify these statements because they use forward-looking terminology such as "may," "will," "expect," "anticipate," "estimate," "continue," "believe," and "intend" or other similar words. These words, however, are not the exclusive means by which you can identify these statements. You can also identify forward-looking statements because they discuss future expectations, contain projections of results of operations or of financial conditions, characterize future events or circumstances or state other forward-looking information. We have based all forward-looking statements included in Management's Discussion and Analysis on information currently available to us, and we assume no obligation to update any such forward-looking statements. Although we believe that the expectations reflected in such forward-looking statements are based on reasonable assumptions, actual results could differ materially from those projected in the forward-looking statements. Potential risks and uncertainty include, but are not limited to, those set forth in the Company's Annual Report on Form 10-K for the year ended December 31, 2005, filed with the Securities and Exchange Commission ("SEC") which is incorporated by reference herein.

While we believe that the discussion and analysis in this report is adequate for a fair presentation of the information, we recommend that you read this discussion and analysis in conjunction with the "Management's Discussion and Analysis" included in our Annual Report on Form 10-K for the year ended December 31, 2005 filed with the SEC.

OVERVIEW

Overview

L Q Corporation, Inc. ("we" or the "Company") was incorporated in California as "Liquid Audio, Inc." in January 1996 and reincorporated in Delaware in April 1999. In July 1999, we completed our initial public offering of common stock. Our name was formally changed to "L Q Corporation, Inc." on January 7, 2004. Our principal executive offices are located at 888 Seventh Avenue, 17th Floor, New York, NY 10019, and our telephone number is (212) 974-5730.

Until the sale of substantially all our assets to eBay, Inc. in January 2003, we provided an open platform that enabled the digital delivery of media over the Internet.

From January 2003 until December 30, 2005, we did not operate any business and were settling our remaining claims and liabilities while reviewing alternatives for the use or disposition of our remaining assets.

Our common stock is reported currently on The NASDAQ OTC Bulletin Board. Our common stock was traded on The NASDAQ National Market, but was delisted on June 5, 2003. The market price per share of our stock increased significantly following the implementation of the 1:250 reverse stock split and our 35:1 forward stock split effective as of June 8, 2004. The market price of our common stock as of November 10, 2006 was \$ per share.

As disclosed in a Current Report Form 8-K filed by the Company on July 12, 2006, the Board of Directors of the Company approved an amendment of the services agreement between Barington and the Company dated as of November 18,

## Edgar Filing: LQ CORP INC - Form 10-Q

2004 (as amended, the "Services Agreement"). The amendment extended the term of the Services Agreement until December 31, 2007. The Services Agreement was previously set to expire by its terms on June 30, 2006.

As disclosed in a Current Report on Form 8-K filed by the Company on September 15, 2006, Sielox, entered into a strategic alliance agreement with Costar Video Systems, LLC ("Costar"), a subsidiary of Dynabazaar, Inc. ("Dynabazaar"), dated as of September 15, 2006, pursuant to which the companies agreed to explore mutually beneficial opportunities to work together, including, without limitation, through a joint venture, joint sales or joint marketing arrangement, or other business arrangement or strategic alliance. Costar designs, sources and distributes video and imaging products for the security and industrial markets. Sielox and Costar are also parties to a distribution agreement, dated July 31, 2006, pursuant to which Sielox was appointed as an authorized distributor of certain products of Costar.

16

As disclosed in a Current Report on Form 8-K filed by the Company on October 20, 2006, James A. Mitarotonda delivered to the Secretary of the Company notice of his resignation as a director and Chairman of the Board of the Company, effective as of the close of business on October 23, 2006. Mr. Mitarotonda had no disagreements with the Company on any matter relating to the Company's operations, policies or practices, and resigned in order to ensure that he had adequate time to devote to his other professional responsibilities. On October 23, 2006, the Board of Directors of the Company appointed Steven Berns, a director of the Company, to serve as Chairman of the Board of the Company, effective as of the close of business on October 23, 2006. On October 23, 2006, the Board of Directors of the Company elected Dianne K. McKeever to serve as a director of the Company, effective as of the close of business on October 23, 2006. Ms. McKeever has been a research analyst at Barington since October 2001.

Barington and a group of other investors which have joined with Barington in the filing of a statement on Schedule 13D collectively own greater than 10% of the outstanding common stock of the Company. Mr. Mitarotonda is Chairman, President and Chief Executive Officer of a corporation that is the general partner of Barington. Sebastian E. Cassetta, who serves as a director, President and Chief Executive Officer of the Company, is Senior Managing Director and the Chief Operating Officer of Barington. Mr. Cassetta is also the Chief Executive Officer of Costar. The Company is party to the Services Agreement, as noted above, under which Barington provides, among other things, certain administrative, accounting and other services on the Company's behalf. Barington is a party to a similar services agreement with Dynabazaar and Barington and a group of other investors which have joined with Barington in the filing of a statement on Schedule 13D collectively own greater than 10% of the outstanding common stock of Dynabazaar.

### Acquisitions

On January 6, 2006, the newly formed wholly owned subsidiary of the Company, Sielox, LLC ("Sielox"), completed the acquisition from Checkpoint Systems, Inc. ("Checkpoint") of substantially all of the net assets of its Access Control Products Group ("ACPG") division, effective as of the close of business on December 30, 2005. The acquisition of the net assets of ACPG are included in the consolidated statement of financial position as of December 31, 2005 and the operations of the business are reflected in the Statement of Operations for the nine months ended September 30, 2006.

Also on January 6, 2006, our newly formed majority-owned subsidiary, SES Resources International Inc. ("SES"), completed the acquisition of substantially

## Edgar Filing: LQ CORP INC - Form 10-Q

all of the assets of SES Resources Ltd, a start up consulting venture, effective as of December 30, 2005. The assets of SES Resources Ltd, consisted primarily of various trademarks. It was determined that these trademarks had a fair value of zero. Consideration given in exchange for these assets was 19.5% ownership interest in SES. The newly formed business unit specializes in delivering critical strategic security and business protection solutions based on best practices developed by accomplished retired law enforcement agents and in association with an advisory panel comprised of senior executive service level government risk assessment and law enforcement professionals ("Advisory Panel"). SES' primary areas of specialization are expected to include: corporate investigations (e.g. know your customer, know your employee, know your vendor reviews); due diligence reviews; forensic accounting; anti-money laundering investigatory services consistent with the requirements of the Patriot Act; anti-counterfeiting and intellectual property protection; corporate health and wellness consultancy; emergency preparedness and contingency planning; executive staffing solutions; and education and government security training services.

The Advisory Panel will provide SES with strategic and operational advices and will identify expert talent throughout the United States and internationally, as well as manage and staff client assignments. The Advisory Panel is in the process of being formed and currently includes Michael J. Thomas, a senior executive service level agent from the U.S. Internal Revenue Service, Andrew J. Scott, the former Chief of Police of Boca Raton, Florida, and David Edelson MD, FACP, a medical doctor who is presently Assistant Clinical Professor at Albert Einstein College of Medicine. The Advisory Panel is chaired by one of the owners/founders of SES Resources, Ltd., and vice chaired by Sebastian Cassetta, a former Vice President and Director of Brinks Inc., and effective May 16, 2006, the newly appointed President and chief executive officer of the Company. SES is in the process of adding additional members to the Advisory Panel from various law enforcement agencies.

### CRITICAL ACCOUNTING POLICIES

In December 2001, the SEC requested that all registrants discuss their most "critical accounting policies" in management's discussion and analysis of financial condition and results of operations. The SEC indicated that a "critical accounting policy" is one which is both important to the portrayal of the company's financial condition and results and requires management's most difficult, subjective or complex judgments, often as a result of the need to make estimates about the effect of matters that are inherently uncertain. Our significant accounting policies are more fully described in Note 1, "The Company and Summary of Significant Accounting Policies", to our consolidated financial statements included in our Annual Report on Form 10-K for the year ended December 31, 2005. No changes to these critical polices have taken place during the quarter ended September 30, 2006.

### RESULTS OF OPERATIONS

THREE MONTHS ENDED SEPTEMBER 30, 2006 AND 2005 (\$ IN THOUSANDS)

Total Revenues

Revenue for the three month period ending September 30, 2006 was \$1,658 compared to \$0 for the three month period ended September 30, 2005. Revenue for the three month period ended September 30, 2006 is entirely due to the activities of our subsidiary Sielox. Revenue for Sielox was \$1,658. There was no revenue for the three month period ended September 30, 2005 due to the discontinuation of our software license and our music hosting business and the sale of digital music

## Edgar Filing: LQ CORP INC - Form 10-Q

fulfillment business to Geneva Media, LLC in January 2003.

### Operating Expenses

Selling, General and Administrative. Selling, general and administrative expenses increased approximately 320% to \$961 for the three months ended September 30, 2006 from \$229 in the comparable period of 2005. Substantially all of the increase can be attributed to expenses relating to the business and operations of our subsidiaries Sielox and SES. Selling, general and administrative expenses consist primarily of compensation for personnel, selling commissions, marketing expenses and payments to outside contractors for general corporate functions, including finance, information systems, human resources, facilities, legal management and professional service fees, bad debt expense, occupancy and other overhead.

Technical and Engineering. Technical and engineering expenses were \$354 for the three months ended September 30, 2006, compared to \$0 for the three months ended September 30, 2005. Technical and engineering expenses consist of expenses relating to personnel costs and other expenses for software and hardware engineers and applications.

Other Income (Expense), Net. Substantially all other income is from interest received from investments in highly-liquid money market funds. Other income was \$25 for the three months ended September 30, 2006 compared to \$63 for the three months ended September 30, 2005. The decrease in other income is directly attributable to a decline in the cash balances available for investment after we purchased the ACPG division of Checkpoint. This purchase was completed on January 6, 2006 with an effective date of December 30, 2005.

NINE MONTHS ENDED SEPTEMBER 30, 2006 AND 2005 (\$ IN THOUSANDS)

### Total Revenues

Revenue for the nine month period ended September 30, 2006 was \$4,860 compared to \$0 for the nine month period ending September 30, 2005. Revenue for the nine month period ending September 30, 2006 is entirely due to the activities of our subsidiaries Sielox and SES. Revenues were \$4,854 for Sielox and \$6 for SES. There was no revenue for the nine month period ending September 30, 2005 due to the discontinuation of our software license and our music hosting business and the sale of digital music fulfillment business to Geneva Media, LLC in January 2003.

### Operating Expenses

Selling, General and Administrative. Selling, general and administrative expenses increased approximately 330% to \$2,737 for the nine months ended September 30, 2006 from \$636 in the comparable period of 2005. Substantially all of the increase can be attributed to expenses relating to the business and operations of our subsidiaries, Sielox and SES. Selling, general and administrative expenses consist primarily of compensation for personnel, selling commissions, marketing expenses and payments to outside contractors for general corporate functions, including finance, information systems, human resources, facilities, legal, management and professional service fees, bad debt expense, occupancy and other overhead.

Technical and Engineering. Technical and engineering expenses were \$941 for the nine months ended September 30, 2006 compared to \$0 for the nine months ended September 30, 2005. Technical and engineering expenses consist of expenses

## Edgar Filing: LQ CORP INC - Form 10-Q

relating to personnel costs and other expenses for software and hardware engineers and applications.

Other Income (Expense), Net. Substantially all other income is from interest received from investment in highly-liquid money market funds. Other income was \$87 for the nine months ended September 30, 2006 compared to \$166 for the nine months ended September 30, 2005. The decrease in other income is directly attributable to a decline in the cash balances available for investment after we purchased the ACPG division of Checkpoint. This purchase was completed on January 6, 2006 with an effective date of December 30, 2005.

### LIQUIDITY AND CAPITAL RESOURCES (\$ IN THOUSANDS)

As of September 30, 2006, we had approximately \$2,077 of cash and cash equivalents.

Net cash used in operating activities was approximately \$862 and approximately \$489 for the nine months ended September 30, 2006 and 2005, respectively. Substantially all of the increase is attributable to the activities of our subsidiaries, Sielox and SES. The net loss accounted for \$1,462, accounts receivable and accrued expenses and other current liabilities used \$444 and \$319 respectively. This decrease in cash used was reduced by an increase in inventories and accounts payable of \$261 and \$979 respectively.

Net cash used in investing activities was approximately \$2,796 and \$0 for the nine months ended September 30, 2006 and 2005, respectively. Cash used for investing activities primarily relates to the purchase of the ACPG division of Checkpoint for \$2,581, and the purchase of fixed assets for \$221.

Net cash used in financing activities was approximately \$11 and \$0 for the nine months ended September 30, 2006 and 2005, respectively. Cash used for financing activities primarily relates to principal payments on a capital lease.

We also, as permitted under Delaware law and in accordance with our Bylaws, indemnify our officers and directors for certain events or occurrences, subject to certain limits, while the officer or director is or was serving at our request in such capacity. The term of the indemnification period is for the officer's or director's lifetime. The maximum amount of potential future indemnification is unlimited; however, we have a Director and Officer Insurance Policy that limits our exposure and enables us to recover a portion of any future amounts paid. As a result of our insurance policy coverage, we believe the fair value of these indemnification agreements is minimal.

We believe that our existing cash and cash equivalents will be sufficient to meet our anticipated cash needs for working capital and capital expenditures in the near future.

### RISK FACTORS

THE REGISTRANT'S LIQUIDITY COULD BE IMPAIRED IF OPERATING LOSSES CONTINUE AND/OR OTHER OBLIGATIONS NEED BE FULFILLED.

The Registrant has incurred losses and negative cash flows from operations for every year since inception. The ACPG operations have incurred losses in the past and may incur losses in the future, which may impair the Registrant's liquidity. As a newly formed organization, SES has no independent record of performance in the various service categories it has identified. As a new business, SES may not be successful in being engaged by prospective clients, which would have an adverse affect on revenues and results of operations and liquidity. In addition, the Registrant has other obligations primarily related to the costs associated with the operation as a public company (legal, accounting, insurance, etc.), and the satisfaction of any potential legal judgments or settlements. Such other

## Edgar Filing: LQ CORP INC - Form 10-Q

obligations, if required to be funded from other than operating profits, may impair the Registrant's liquidity.

19

### ITEM 3. QUANTITATIVE AND QUALITATIVE DISCLOSURES ABOUT MARKET RISK

#### MARKET RISK

No material changes exist to the market risk our investment portfolio of cash and money market funds faced during the three months ended September 30, 2006.

### ITEM 4. CONTROLS AND PROCEDURES

Based on the evaluation of the effectiveness of our disclosure controls and procedures (as defined in Rules 13a-15(e) or 15d-15(e) under the Securities Exchange Act of 1934 as amended, ("Exchange Act")) by our management, with the participation of our chief executive officer and our chief financial officer, as of end of the period covered by this report, our chief executive officer and our chief financial officer have concluded that our disclosure controls and procedures were effective to ensure that information required to be disclosed in the reports that we file or submit under the Exchange Act is recorded, processed, summarized and reported, within the time periods specified in the SEC's rules and forms.

No change in our internal control over financial reporting occurred during the period covered by this report that has materially affected, or is reasonably likely to materially affect, our internal control over financial reporting.

## PART II. OTHER INFORMATION

### ITEM 1. LEGAL PROCEEDINGS

We are a defendant in certain purported class action lawsuits filed by individual shareholders in the U.S. District Court for the Southern District of New York against certain of our former officers and directors, and various of the underwriters in our initial public offering ("IPO") and secondary offering. The lawsuits have been filed by individual shareholders who purport to seek class action status on behalf of all other similarly situated persons who purchased the common stock of the Company between July 8, 1999 and December 6, 2000. The lawsuits allege that certain underwriters of the IPO solicited and received excessive and undisclosed fees and commissions in connection with that offering. The lawsuits further allege that the defendants violated the federal securities laws by issuing a registration statement and prospectus in connection with the Company's IPO which failed to accurately disclose the amount and nature of the commissions and fees paid to the underwriter defendants. On or about October 8, 2002, the Court entered an Order dismissing the claims asserted against certain individual defendants in the consolidated actions without any payment from these individuals or the Company. On or about February 19, 2003, the Court entered an Order dismissing with prejudice the claims asserted against the Company under Section 10(b) of the Securities Exchange Act of 1934, as amended. As a result, the only claims that remain against the Company are those arising under Section 11 of the Securities Act of 1933, as amended. The parties have negotiated and executed a definitive settlement agreement. The proposed settlement provides that the class members in the class action cases brought

against the participating issuer defendants will be guaranteed a recovery of \$1 billion by insurers of the participating issuer defendants. If recoveries totaling \$1 billion or more are obtained by the class members from the underwriter defendants, however, the monetary obligations to the class members under the proposed settlement will be satisfied. In addition, LQ Corporation and any other participating issuer defendants will be required to assign to the class members certain claims that they may have against the underwriters of their IPO's. The proposed settlement contemplates that any amounts necessary to fund the settlement or settlement-related expenses would come from participating issuers' directors and officers liability insurance policy proceeds as opposed to funds of the participating issuer defendants themselves. A participating issuer defendant could be required to contribute to the costs of the settlement if that issuer's insurance coverage were insufficient to pay that issuer's allocable share of the settlement costs. If ultimately approved by the Court, the proposed settlement would result in the dismissal, with prejudice, of all claims in the litigation against the Company and all of the other issuer defendants who have elected to participate in the proposed settlement, together with the current or former officers and directors of participating issuers who were named as individual defendants. The proposed settlement does not provide for the resolution of any claims against the underwriter defendants, and the litigation as against those defendants is continuing. Consummation of the proposed settlement remains conditioned upon obtaining approval by the Court. On September 1, 2005, the Court preliminarily approved the proposed settlement, directed that notice of the terms of the proposed settlement be provided to class members, and scheduled a fairness hearing. On April 24, 2006, the Court held a fairness hearing in connection with the motion for final approval of the proposed settlement at which objections to the proposed settlement were heard. The Court did not issue a ruling at the fairness hearing. The settlement remains subject to a number of conditions, including final approval of the Court.
