The Company is still preparing analyses and providing documentation requested by its auditors in connection with its audit for the year ended December 31, 2016 related to its acquisition of Sierra Vista Bank. Additionally the Company has not fully completed its annual assessment of its internal control over financial reporting as of December 31, 2016. Notwithstanding the Company's inability to file its Annual Report on Form 10-K by March 16, 2017, the Company currently does not expect to report in its Annual Report on Form 10-K any material changes to its financial results from those previously reported in the press release for the Company's financial results for the three and twelve months ended December 31, 2016.
