ANNUAL MEETING OF STOCKHOLDERS  
APRIL 15, 2003  
-----

This Supplement is being circulated to stockholders entitled to vote at the April 15, 2003 Annual Meeting of Stockholders ("Annual Meeting") of Aberdeen Australia Equity Fund, Inc., a Maryland corporation ("Fund"), to provide information in addition to that contained in the Proxy Statement for the Annual Meeting that was mailed to stockholders on or about March 7, 2003.

The Fund's Board of Directors ("Board") has continuously availed itself of methods specifically provided by, or consistent with, Maryland law and the Investment Company Act of 1940, as amended, to protect the Fund and its stockholders. The Fund is also subject to certain Maryland law provisions, including those which have been enacted since the inception of the Fund, that make it more difficult for challengers to gain control of the Board. Earlier this year, the Fund's Board adopted an amended and restated bylaws. In doing so, the Board consulted with counsel to the Fund, Maryland counsel to the Fund, and counsel to the independent directors. The amendments to the bylaws were adopted, among other things: to assure that directors elected to serve on the Fund's Board are well qualified; to develop the Fund's procedures with respect to meetings of stockholders; and to resist efforts by well-organized minority stockholders to subvert the objective and purposes of the Fund.

The following is a summary of the amendments to the bylaws which are set forth in the Amended and Restated Bylaws as of January 16, 2003. Some of the bylaw amendments have been under consideration for several years, while others are modifications or expansions of existing bylaws. This summary is qualified in its entirety by reference to the complete bylaws. The bylaw amendments:

1. Establish procedures for stockholder-requested special meetings, including procedures for setting the record date for the stockholders making the request, the record date for the meeting and the time, place and date of the meeting. Consistent with the Maryland General Corporation Law, stockholders requesting a meeting would be required to

disclose the purpose of the meeting and the matters to be proposed to be acted on at the meeting.

2. Provide that the Board of Directors may appoint the chair of the meeting of stockholders and provide for chairmanship in the absence of such an appointment. The amendments provide that the rules for conduct of the meeting are established by the chair of the meeting.

3. Enhance already existing bylaw provisions that require a stockholder to give written advance notice and other information to the Fund of the stockholder's nominees for directors and other proposals for business at stockholders meetings.
4. Disclose that the Board has elected on behalf of the Fund to be subject to the Maryland Control Share Acquisition Act, which provides that control shares acquired in a control share acquisition may not be voted except to the extent approved by a vote of two-thirds of the votes entitled to be cast on the matter. Generally, control shares are voting shares of stock which would entitle the acquiror of the shares to exercise voting power within one of the following ranges of voting power: (1) one-tenth or more but less than one-third, (2) one-third or more but less than a majority, or (3) a majority or more of all voting power. This limitation does not apply to matters for which the Investment Company Act of 1940, as amended, requires the vote of a majority of the Fund's outstanding voting securities (as defined in that Act.)
5. Establish qualifications for Fund directors. These qualifications are designed to assure that individuals have the type of background and experience necessary to provide competent service as directors of a closed-end fund that invests in Australian equity securities. They also require incumbent directors and nominees to comply with the Fund's conflict of interest policy. Current directors are exempted from these requirements (except compliance with the Fund's conflict of interest policy) because they have become qualified through past experience as directors of the Fund. Nevertheless, almost all current directors satisfy the new qualification requirements.
6. Require that directors be elected by the affirmative vote of the holders of a majority of the Fund's outstanding shares. (The bylaws previously required the affirmative vote of the holders of a majority of shares present at the meeting and entitled to vote.)
7. Establish supermajority Board vote requirements for certain actions, including mergers, dissolution, election of officers, officer and director compensation, and the amendment of the director term and qualification requirements.
8. Require that any proposed advisory, sub-advisory or management contract with an affiliate of an independent Fund director be approved by 75% of the Fund's independent directors who are not so affiliated. If such a contract is approved, the bylaws would provide automatic liquidity to dissatisfied shareholders by requiring the Fund to  
  
commence a tender offer for at least 50 percent of its outstanding shares at a price of at least 98% of the Fund's per share net asset value. These provisions cannot be changed except by 75% of the directors who were in office January 16, 2003 or who were recommended by, or elected or nominated to succeed such a director by a majority of such directors then on the Board.
9. Reserve to the Board the power to adopt, alter, or repeal the bylaws or any provision of the bylaws.

Any stockholder who would like a copy of the Fund's bylaws may obtain a copy from the Securities and Exchange Commission ("SEC") by calling the SEC at (202) 942-8090 or e-mailing the SEC at [publicinfo@sec.gov](mailto:publicinfo@sec.gov), or from the Fund.
