Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

On May 7, 2007, Maxim Integrated Products, Inc. ("Maxim") received an additional Nasdaq Staff Determination notice indicating that Maxim is not in compliance with the filing requirements for continued listing as set forth in Marketplace Rule 4310(c)(14). As expected, the notice was issued in accordance with Nasdaq procedures due to the delayed filing of Maxim's Quarterly Report on Form 10-Q for the fiscal quarter ended March 24, 2007. This notice is routinely issued to all Nasdaq-listed companies when required periodic filings have not been made with the SEC on a timely basis.

As previously announced, Maxim was informed by the Nasdaq Listing and Hearing Review Council (the "Listing Council") that it had determined to call the Nasdaq Listing Qualifications Panel's (the "Panel") January 19, 2007 decision (the "Panel Decision") for review, as contemplated by Nasdaq Marketplace Rule 4807(b), and had also stayed any future action by the Panel to suspend Maxim's securities from trading on Nasdaq pending further review by the Listing Council. The Listing Council's action was in response to Maxim's request for it to review the Panel Decision. On May 4, 2007, Maxim submitted additional information to the Listing Council to consider in its review.

Maxim issued a press release on May 10, 2007 disclosing its receipt of this additional Nasdaq Staff Determination notice. A copy of the press release is attached hereto as Exhibit 99.1 and is incorporated by reference herein.

Item 9.01. Financial Statements and Exhibits.

(d) Exhibits.

The following exhibit is filed herewith:

<u>Exhibit No.</u>	<u>Description</u>
99.1	Text of press release issued by Maxim Integrated Products, Inc. dated May 10, 2007.
