Item 2.02

Results of Operations and Financial Condition.

On March 5, 2008, Big Lots, Inc. (“we,” “us” or “our”) issued a press release and conducted a conference call, both of which reported our unaudited fourth quarter and fiscal 2007 results, provided initial guidance for fiscal 2008, and provided an update on our common share repurchase activity. The press release and conference call both included “non-GAAP financial measures” as that term is defined by Rule 101 of Regulation G (17 CFR Part 244) and Item 10 of Regulation S-K (17 CFR Part 229). Specifically, the following non-GAAP financial measures were included: (i) adjusted selling and administrative expenses; (ii) adjusted operating profit; (iii) adjusted income from continuing operations before income taxes; (iv) adjusted income tax expense; (v) adjusted income from continuing operations; (vi) adjusted net income; and (vi) adjusted earnings per common share – basic and diluted – for continuing operations and net income.

These non-GAAP financial measures exclude from the most directly comparable financial measures calculated and presented in accordance with accounting principles generally accepted in the United States of America (“GAAP”) after-tax net income to continuing operations of \$6.1 million related to the receipt of: (i) settlement amounts from the KB Toys bankruptcy trust; and (ii) proceeds from insurance claims filed as a result of hurricanes occurring in 2005. As required by Rule 100 of Regulation G and Item 10 of Regulation S-K, the press release, which was posted in the Investor Relations section of our website and referred to during the conference call, contained a presentation of the most directly comparable financial measures calculated and presented in accordance GAAP and a reconciliation of the differences between the non-GAAP financial measures and the most directly comparable financial measures calculated and presented in accordance with GAAP.

Our management believes that the disclosure of these non-GAAP financial measures provides useful information to investors because the non-GAAP financial measures present an alternative and more relevant method for measuring our operating performance, excluding special items included in the most directly comparable GAAP financial measures, that our management believes is more indicative of our ongoing operating results and financial condition. Our management uses these non-GAAP financial measures, along with the most directly comparable GAAP financial measures, in evaluating our operating performance.

Non-GAAP financial measures should not be considered in isolation from, or as a substitute for, financial information presented in accordance with GAAP. Non-GAAP financial measures as reported by us may not be comparable to similarly titled items reported by other companies.

Attached as exhibits to this Form 8-K are copies of our March 5, 2008 press release (Exhibit 99.1) and the transcript of our March 5, 2008 conference call (Exhibit 99.2), including information concerning forward-looking statements and factors that may affect our future results. The information in Exhibits 99.1 and 99.2 is being furnished, not filed, pursuant to Item 2.02 of this Form 8-K. By furnishing the information in this Form 8-K and the attached exhibits, we are making no admission as to the materiality of any information in this Form 8-K or the exhibits.

Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

(b) Section 1.5 of our Corporate Governance Guidelines (“Guidelines”) requires any director who retires from his or her job while serving on our Board of Directors (“Board”) to submit a letter of resignation from the Board. On March 5, 2008, Jeffrey P. Berger, a member of the Board, submitted a letter of resignation in connection with his intention to retire from H.J. Heinz Co. on May 1, 2008. Consistent with the Guidelines, the Nominating and Corporate Governance Committee reviewed the continued appropriateness of Mr. Berger’s ongoing Board membership in light of his planned retirement and recommended to the Board that Mr. Berger continue to serve as a director. Thereafter, the Board unanimously (with Mr. Berger recusing himself) rejected Mr. Berger’s letter of resignation, and Mr. Berger agreed to continue his service on the Board.

(e) On March 5, 2008, upon the recommendation of the Compensation Committee (“Committee”) of the Board, the independent, non-management members of the Board (“outside directors”) took the following actions with respect to the compensation for our principal executive officer, principal financial officer and the other executive officers included as named executive officers in our 2007 proxy statement (collectively, the “named executive officers”): (i) determined that our corporate performance in fiscal 2007 resulted in bonuses being earned under the Big Lots 2006 Bonus Plan (“2006 Bonus Plan”); (ii) approved fiscal 2008 salaries; (iii) approved fiscal 2008 bonus opportunities under the 2006 Bonus Plan; and (iv) approved non-qualified stock option awards and restricted stock awards under the Big Lots 2005 Long-Term Incentive Plan (“2005 Incentive Plan”).

#### Bonus

On March 5, 2008, as recommended by the Committee, the outside directors approved the financial measure and corporate performance amounts that will dictate whether a bonus is earned for fiscal 2008 under the 2006 Bonus Plan. The financial measure and corporate performance amounts were derived from our annual corporate operating plan for fiscal 2008, as established by the Board. The financial measure adopted for fiscal 2008 bonus determinations is our operating profit, as adjusted to remove the effect of the equitable adjustments set forth in the 2006 Bonus Plan. The financial measure and corporate performance amounts are established at the discretion of the Committee and the outside directors, subject to the terms of the 2006 Bonus Plan.

As recommended by the Committee, the outside directors also approved the following fiscal 2008 payout percentages for the named executive officers (expressed as a percentage of each named executive officer’s fiscal 2008 salary), with the floor payout percentages being one-half of the target and the stretch payout percentages being twice the target: Mr. Fishman: 100%; Mr. Cooper: 60%; Mr. Waite: 75%; Mr. Martin: 60%; and Ms. Bachmann: 60%. Except for increases from 50% to 60% for Mr. Cooper and Ms. Bachmann, the fiscal 2008 payout percentages for the named executive officers were not modified from the fiscal 2007 payout percentages. The lowest floor and target payout percentages that may be set annually for each named executive officer have been established by his or her respective

employment agreement.

The 2006 Bonus Plan is filed herewith as Exhibit 10.1 and is incorporated herein by reference.

#### Equity

On March 5, 2008, the outside directors approved, upon the recommendation of the Committee, the form and size of equity awards to be granted to each named executive officer pursuant to the 2005 Incentive Plan. The outside directors directed that these equity awards be granted on March 7, 2008. This delayed date was established in order to allow the market to absorb and react to our release of material non-public information on March 5, 2008, and in order to avoid even the appearance that any employee, the Committee or the Board manipulated the terms of the equity awards. The following table sets forth the equity awards granted to each of the named executive officers on March 7, 2008.
