Item 2.02

Results of Operations and Financial Condition.

On August 26, 2008, Big Lots, Inc. (“we,” “us” or “our”) issued a press release and conducted a conference call, both of which reported our second quarter and year-to-date fiscal 2008 unaudited results, provided initial guidance for the third and fourth quarters of fiscal 2008, and updated guidance for fiscal 2008.

The press release and conference call both included non-GAAP earnings per diluted common share from continuing operations for the fourth quarter of fiscal 2007 and full year fiscal 2007 that we previously publicly disclosed. These non-GAAP financial measures exclude from the most directly comparable financial measures calculated and presented in accordance with accounting principles generally accepted in the United States of America (“GAAP”): (i) \$0.04 per diluted common share related to settlement amounts from the KB Toys bankruptcy trust recognized in the fourth quarter of fiscal 2007; and (ii) \$0.06 per diluted common share related to proceeds from insurance claims filed as a result of hurricanes occurring in 2005 and settlement amounts from the KB Toys bankruptcy trust recognized during fiscal 2007. A presentation of the most directly comparable financial measures calculated and presented in accordance with GAAP and a reconciliation of the differences between the non-GAAP financial measures and the most directly comparable financial measures calculated and presented in accordance with GAAP are included in the March 5, 2008 press release that was furnished with our Form 8-K filed on March 11, 2008.

Our management believes that the disclosure of these non-GAAP financial measures provides useful information to investors because the non-GAAP financial measures present an alternative and more relevant method for measuring our operating performance, excluding special items included in the most directly comparable GAAP financial measures, that our management believes is more indicative of our ongoing operating results and financial condition. Our management uses these non-GAAP financial measures, along with the most directly comparable GAAP financial measures, in evaluating our operating performance.

Non-GAAP financial measures should not be considered in isolation from, or as a substitute for, financial information presented in accordance with GAAP. Non-GAAP financial measures as reported by us may not be comparable to similarly titled items reported by other companies.

Attached as exhibits to this Form 8-K are copies of our August 26, 2008 press release (Exhibit 99.1) and the transcript of our August 26, 2008 conference call (Exhibit 99.2), including information concerning forward-looking statements and factors that may affect our future results. The information in Exhibits 99.1 and 99.2 is being furnished, not filed, pursuant to Item 2.02 of this Form 8-K. By furnishing the information in this Form 8-K and the attached exhibits, we are making no admission as to the materiality of any information in this Form 8-K or the exhibits.
