Item 9. Changes in and Disagreements with Accountants on Accounting and Financial Disclosure.

There have been no changes disagreements with our accountants since our formation that are required to be disclosed pursuant to Item 304(b) of Regulation S-K. We did, however, change accountants during the year ended December 31, 2008.

(a) Dismissal of Independent Accountant.

On March 31, 2009, we dismissed Peterson Sullivan LLP as our independent auditors. We have no disagreements with Peterson Sullivan LLP that resulted in its dismissal. The dismissal of Peterson Sullivan LLP was approved by our Board of Directors. We dismissed Peterson Sullivan LLP as our independent auditors because rules and regulations of the British Columbia Securities Commission, which require that our financial statements be audited by auditors that are Canadian accredited.

The reports of Peterson Sullivan LLP regarding our financial statements for the fiscal years ended December 31, 2007, and December 31, 2006, do not contain any adverse opinion or disclaimer of opinion and are not qualified or modified as to uncertainty, audit scope or accounting principles, except that such reports regarding our financial statements each contained an explanatory paragraph in respect to uncertainty as to our ability to continue as a going concern. Specifically, we have experienced recurring losses from operations since inception, have a working capital deficit, and have accumulated deficit during our development stage. These conditions raise substantial doubt about our ability to continue as a going concern. During the years ended December 31, 2007, and December 31, 2006, and during the period from the end of the most recently completed fiscal year through March 31, 2009 the date of the change in auditors, there were no disagreements with Peterson Sullivan LLP regarding any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedures, which disagreements, if not resolved to the satisfaction of Peterson Sullivan LLP would have caused it to make reference to such disagreements in its reports.

On April 16, 2009, we provided Peterson Sullivan LLP with a copy of the disclosures it is making in response to Item 9(a) of this report and requested that Peterson Sullivan LLP furnish us with a letter addressed to the Securities and Exchange Commission stating whether it agrees with the above statements. Included with this report, as Exhibit 16, is a copy of that letter.

(b) Engagement of Independent Accountant.

Concurrent with the dismissal of Peterson Sullivan LLP, March 31, 2009, we engaged Davidson & Company LLP as our independent auditors. Prior to engaging Davidson & Company LLP we did not consult with it regarding the application of accounting principles to a specified transaction, either completed or proposed or regarding the type of audit opinion that might be rendered by Davidson & Company LLP regarding our financial statements, and Davidson & Company LLP did not provide any written report was provided to the Registrant or oral advice was provided that was an important factor considered by us in reaching a decision as to any such accounting, auditing or financial reporting issue. The engagement of Davidson & Company LLP as our independent auditors was approved by our Board of Directors.
