Item 2.02

Results of Operations and Financial Condition.

On May 27, 2010, Big Lots, Inc. (“we,” “us” or “our”) issued a press release and conducted a conference call, both of which reported our first quarter fiscal 2010 unaudited results, provided an update on the status of our previously announced \$400.0 million share repurchase program, provided initial guidance for the second quarter of fiscal 2010, and updated guidance for fiscal 2010.

The press release and conference call both included a “non-GAAP financial measure” as that term is defined by Rule 101 of Regulation G (17 CFR Part 244) and Item 10 of Regulation S-K (17 CFR Part 229). Specifically, adjusted diluted earnings per common share from continuing operations, a non-GAAP financial measure, was included.

This non-GAAP financial measure excludes from the most directly comparable financial measure calculated and presented in accordance with accounting principles generally accepted in the United States of America (“GAAP”): (i) net income of \$0.10 per diluted common share, recognized during the third quarter of fiscal 2009, related to the net gain on the sale of real estate; and (ii) net loss of \$0.03 per diluted common share, recognized during the fourth quarter of fiscal 2009, related to the settlement of a civil collective action. As required by Rule 100 of Regulation G and Item 10 of Regulation S-K, the press release, which was posted in the Investor Relations section of our website and referred to during the conference call, contained a presentation of the most directly comparable financial measure calculated and presented in accordance with GAAP and a reconciliation of the difference between the non-GAAP financial measure and the most directly comparable financial measure calculated and presented in accordance with GAAP.

Our management believes that the disclosure of this non-GAAP financial measure provides useful information to investors because the non-GAAP financial measure presents an alternative and more relevant method for measuring our operating performance, excluding special items included in the most directly comparable GAAP financial measure, that our management believes is more indicative of our ongoing operating results and financial condition. Our management uses non-GAAP financial measures, along with the most directly comparable GAAP financial measures, in evaluating our operating performance.

Non-GAAP financial measures should not be considered in isolation from, or as a substitute for, financial information presented in accordance with GAAP. Non-GAAP financial measures as reported by us may not be comparable to similarly titled items reported by other companies.

Attached as exhibits to this Form 8-K are copies of our May 27, 2010 press release (Exhibit 99.1) and the transcript of our May 27, 2010 conference call (Exhibit 99.2), including information concerning forward-looking statements and factors that may affect our future results. The information in Exhibits 99.1 and 99.2 is being furnished, not filed, pursuant to Item 2.02 of this Form 8-K. By furnishing the information in this Form 8-K and the attached exhibits, we are making no admission as to the materiality of any information in this Form 8-K or the exhibits.

Item 3.03

Material Modification to Rights of Security Holders.

(a) At our 2010 Annual Meeting of Shareholders held on May 27, 2010 (our “Annual Meeting”), the holders of our common shares approved the Amendment to the Amended Articles of Incorporation of Big Lots, Inc. (the “Amendment”). The Amendment institutes majority voting in uncontested director elections. With the Amendment, an affirmative majority of the total number of votes cast with respect to the election of a director nominee will be required for election of the nominee in an uncontested director election. However, in a contested director election (i.e., where there are more nominees than Board seats), plurality voting will remain in effect and the candidates receiving the greatest number of shareholder votes will be elected. The Amendment is filed herewith as Exhibit

3.1. The foregoing description of the Amendment is only a summary and is qualified by reference to the actual Amendment as set forth in Exhibit 3.1. The Amendment became effective upon filing of the same with the Secretary of State of Ohio on May 28, 2010.
