Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

(d) Effective July 9, 2014 the Board of Directors of Farmers & Merchants Bancorp elected Gary J. Long as a Director. Mr. Long will stand for re-election at the Company's 2015 Stockholders Meeting in May. Mr. Long was also elected a Director of Farmers & Merchants Bank of Central California, the Company's primary subsidiary.

Mr. Long, 61, is President of Gary J. Long Jewelers in Stockton, California, and is a graduate of Sacramento State University with a degree in Business Administration. He is very active in civic and community organizations, including the American Heart Association, American Cancer Society, Rotary Club, March of Dimes, Stockton Symphony, and currently serves as the President of the Greater Stockton Chamber of Commerce.

Mr. Long was elected a Director after considering his: (1) longtime residence in Stockton, California, one of the Company's largest geographical market territories; (2) 30 years of experience running a successful small business; (3) academic training in business administration; (4) length of time as a shareholder of Farmers & Merchants Bancorp; and (5) lifetime of service to civic and volunteer organizations in the Central Valley of California. For these reasons the Board believes that Mr. Long is well qualified to discharge his fiduciary and regulatory responsibilities and add significant value to the Company through his service.

The Company uses Rule 4200(a) (15) of the NASDAQ's current listing standards to determine whether a Director is independent. Pursuant to those rules, Mr. Long is considered to be "independent." At this time the Board has not determined which committees Mr. Long will become a member of.

Mr. Long was not selected pursuant to any arrangements or understandings other than with the Directors of the Company acting within their capacity as such. There are no family relationships among Mr. Long and executive officers of the Company, and Mr. Long does not serve as a Director of any company which has a class of securities registered under, or subject to periodic reporting requirements of, the Securities Exchange Act of 1934, as amended, or any company registered as an investment company under the Investment Company Act of 1940.

Mr. Long, other organizations associated with him and members of his immediate family are customers of and engage in banking transactions, including loans, with Farmers & Merchants Bank of Central California. All of these transactions are done in the ordinary course of business and on the same terms and conditions as provided to other customers of the Bank.
