DXP Enterprises, Inc. (the "Company") is presently seeking an amendment of its credit facility with Wells Fargo Bank, National Association (the "Facility") regarding certain covenants, including its Consolidated Leverage Ratio, Consolidated Fixed Charge Coverage Ratio and Asset Coverage Ratio, due to perceived non-compliance at quarter end by the Company with certain covenants including those listed above. The amendment could have a significant impact on our financial position and disclosure contained in our Quarterly Report on Form 10-Q for the three month period ended March 31, 2016. As a result of those ongoing discussions regarding the amendment and other related matters that have required the attention of senior management and other key personnel, the Company could not, without unreasonable effort and expense, complete its financial statements for the three months ended March 31, 2016 and related disclosures and, consequently, could not file its Q1 2016 Form 10-Q (including its financial statements) within the prescribed time period. The Company currently anticipates obtaining the amendment on or before the extended filing deadline of May 16, 2016 and presently intends to file its Q1 2016 Form 10-Q by that prescribed extended due date.

Sales for the three months ended March 31, 2016 decreased approximately \$88 million, or approximately 26%, to approximately \$253.6 million from \$341.6 million for the prior year's corresponding period. Operating income for the three months ended March 31, 2016 decreased approximately \$20.1 million from the prior year's corresponding period, to an operating loss of approximately \$2.0 million. This decrease is primarily the result of a decline in spending by oil and gas producers and related businesses stemming from a decline in the price of oil and gas.
