PROSPECTUS SUMMARY

The following summary is qualified in its entirety by the more detailed information and financial statements and notes thereto appearing elsewhere in this reoffer prospectus. Consequently, this summary does not contain all of the information that you should consider before investing in our common stock. You should carefully read the entire prospectus, including the "Risk Factors" section, and the documents and information incorporated by reference into this reoffer prospectus.

6

SUMMARY OF RISK FACTORS

An investment in our common stock involves a number of risks which should be carefully considered and evaluated. These risks include:

(a) the fact that our securities must be considered highly speculative, generally because of the nature of our business and the early stage of its development;

(b) the fact that our ability to continue operations depends on our finding a suitable merger candidate;

(c) that fact that we have divested ourselves of our assets and can be considered a development stage company and have no established source of income, and that these circumstances raise substantial doubt about our ability to continue as a going concern; and

(d) the fact that if we find a merger candidate we will be susceptible to the risk factors associated with the merger candidate's business and with the complexity of their business and their business plan.

For a more complete discussion of risk factors relevant to an investment in our common stock see the "Risk Factors" section beginning on page 10 of this reoffer prospectus.

FORWARD LOOKING STATEMENTS

This reoffer prospectus contains forward-looking statements as the term is defined in the Private Securities Litigation Reform Act of 1995. These statements relate to future events or our future financial performance. In some cases, you can identify forward-looking statements by terminology such as "may", "will", "should", "expects", "plans", "anticipates", "believes", "estimates", "predicts", "potential" or "continue" or the negative of these terms or other comparable terminology. These statements are only predictions and involve known and unknown risks, uncertainties and other factors, including the risks in the

Edgar Filing: COACH INDUSTRIES GROUP INC - Form S-8

section entitled "Risk Factors," which may cause our or our industry's actual results, levels of activity, performance or achievements to be materially different from any future results, levels of activity, performance or achievements expressed or implied by these forward-looking statements.

Although we believe the expectations reflected in the forward-looking statements are reasonable, we cannot guarantee future results, levels of activity, performance or achievements. Except as required by applicable law, including the securities laws of the United States, we do not intend to update any of the forward-looking statements to conform these statements to actual results.

As used in this reoffer prospectus, the terms "we", "us", "our" and "Patron" mean Coach Industries Group, Inc., unless otherwise indicated.

BUSINESS OF OUR COMPANY

Coach Industries Group, Inc. was previously know as SearchHound.com, Inc. SearchHound.com, Inc. is the result of the June 1, 2000 merger of Pan International Gaming, Inc. ("Pan International") and Searchhound.com 2000 Ltd. This transaction was treated as a "reverse merger" for financial accounting and reporting purposes. Specifically, SearchHound.com 2000, Ltd. was treated as the acquirer of Pan International due to the fact that the Stockholders of Searchhound.com 2000, Ltd. Received 70.3% of the total shares outstanding upon consummation of the merger. Prior to the reverse merger, the Company (PAN International Gaming) spent considerable effort and specifically during the period from January 1, 2000 through May 31, 2000 pursuing a reverse merger transaction with Searchhound.com 2000 Ltd., and the acquisition of SoloSearch.com, Inc. The "reverse merger" with Searchhound.com 2000 Ltd. was consummated on June 1, 2000. In fiscal 2000 and prior to June 1, 2000, Pan International was not engaged in operating activities and there were no revenues or business operations. Immediately following the reverse merger with PAN International Gaming the Company changed its name to SearchHound.com, Inc. effective June 6, 2000.

SearchHound.com 2000, Ltd. was formed on April 11, 2000 to affect the purchase of the intellectual property and website assets representing the Searchhound.com backbone architecture. The Stockholders of Searchhound.com 2000, Ltd. completed the purchase of these intangible assets on June 1, 2000 for total cash consideration of \$3,000,000 and simultaneously contributed the assets to SearchHound.com 2000, Ltd. in exchange for 70.3% of Searchhound.com 2000, Ltd. common stock.

The new management team devoted significant resources to building the management team, integrating the two businesses, and developing revenue streams during the periods of July 2000 through September 2000. Operating revenues began in September 2000. SearchHound.com, Inc. ("SearchHound") operated an online technology based enterprise business that is a destination for Webmasters and small business owners who want to make their Website more accessible to Internet users. SearchHound had its principal offices located in Overland Park, Kansas and served as a holding company for various internet-based businesses.

During 2002, the Company's Board of Directors changed its strategy due to poor operating conditions and operating results in its primary businesses coupled with difficulties in raising capital through debt and equity sources. The Board of Directors adopted the new strategy during 2002, which committed to the disposal of all of its current assets/businesses and to seek a

Edgar Filing: COACH INDUSTRIES GROUP INC - Form S-8

merger/acquisition transaction with a Company having better financial resources. As of March 31, 2003, the Company had disposed of all of its operating assets/businesses and ceased all operating activities. The financial statements reflect the businesses sold as discontinued operations.

On July 10, 2003, the Company's sole officer and director, Dave L. Mullikin, resigned his positions as President, Secretary, Treasurer and sole Director and appointed Francis O'Donnell as the sole director. Francis O'Donnell, as the sole member of the Board of Directors of the Company, has approved the change of the address of the corporate office of the Company from Overland Park, Kansas to Coral Springs, Florida. Specifically, the address of the Company's principal executive office changed from 12817 Woodson, Overland Park, Kansas 66209 to 9600 W. Sample Road, Suite 505, Coral Springs, Florida 33065.

8

On August 22, 2003, the Company held its Annual Meeting of Shareholders. The Shareholders elected Mr. Francis O'Donnell to serve as director until the Company's Annual Meeting of stockholders in 2004. The Shareholders ratified the appointment of Jewett, Schwartz & Associates, as the Company's independent certified public accountants, for the fiscal year ending December 31, 2003. The Shareholders effected a 1-for-4 reverse stock split (pro-rata reduction of outstanding shares) of the Company's issued and outstanding shares of Common Stock. The Shareholders amended the Company's Articles of Incorporation to change the name of the Company to Coach Industries Group, Inc.

As of the opening of business on Monday, August 25, 2003, the 1-for-4 reverse stock split was effective and the Company began trading under the name Coach Industries Group, Inc. The new symbol for the Company is CIGI.OB.

RISK FACTORS

Much of the information included in this Registration Statement includes or is based upon estimates, projections or other "forward-looking statements" within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934 and are subject to the "safe harbor" created by those sections. When used in this document, the words "expects", "anticipates", "intends", "plans" and similar expressions are intended to identify other forward-looking statements. While such forward-looking statements, and any assumptions upon which they are based, are made in good faith and reflect our current judgment regarding the direction of our business, actual results will almost always vary, sometimes materially, from any estimates, predictions, projections, assumptions, or other future performance suggested herein. Those forward-looking statements also involve certain risks and uncertainties. Factors, risks and uncertainties that could cause or contribute to such differences include those specific risks and uncertainties discussed below and those discussed in our filing with the Securities and Exchange Commission. The cautionary statements made in this document should be read as being applicable to all related forward-looking statements wherever they appear in this document.

Much of the information included in this registration statement includes or is based upon estimates, projections or other "forward looking statements." Such forward looking statements include any projections or estimates made by us and

Edgar Filing: COACH INDUSTRIES GROUP INC - Form S-8

our management in connection with our business operations. While these forward-looking statements, and any assumptions upon which they are based, are made in good faith and reflect our current judgment regarding the direction of our business, actual results will almost always vary, sometimes materially, from any estimates, predictions, projections, assumptions or other future performance suggested herein. Such estimates, projections or other "forward looking statements" involve various risks and uncertainties as outlined below. We caution the reader that important factors in some cases have affected and, in the future, could materially affect actual results and cause actual results to differ materially from the results expressed in any such estimates, projections or other "forward looking statements".

WE INTEND TO ACQUIRE OTHER BUSINESSES WHICH MAY DISRUPT OUR BUSINESS DEVELOPMENT PLAN AND OUR ABILITY TO ATTRACT NEW CLIENTS.

We intend to acquire another business or merge into or be acquired by another business, and we may be unable to identify, acquire, successfully integrate or profitably manage any business without substantial expense, delay or other operational or financial problems. We are unable to predict whether or when any prospective acquisitions will occur or the likelihood of a material transaction being completed on favorable terms and conditions. In addition, acquisitions of or mergers with other companies commonly involve certain risks, including, among others:

- * the difficulty of assimilating the acquired operations and personnel;

10

- * the potential disruption of their ongoing business and diversion of resources and management time;
- * the possible inability of management to maintain uniform standards, controls, procedures and policies;
- * the risks of entering markets in which we have little or no direct prior experience; and
- * the potential impairment of relationships with employees or customers as a result of changes in management in the merger candidate.

Currently, the Company has entered into a merger agreement with Commercial Transportation Manufacturing Corp., a New York corporation. There can be no assurances that this transaction will be consummated or that we will ultimately benefit from such a transaction.

WE DEPEND UPON ONE KEY EMPLOYEE, FRANCIS O'DONNELL, TO PROCURE A MERGER CANDIDATE AND IF WE LOSE THE SERVICES OF FRANCIS O'DONNELL, WE WILL BE UNABLE TO COMPLETE A MERGER TRANSACTION.

Our business depends heavily on the efforts, abilities, business transaction capabilities of our sole executive officer, Francis O'Donnell. If we lose the services of Francis O'Donnell, it would severely affect our ability to complete a merger with Commercial Transportation Manufacturing Corp. or any related entity.

We do not maintain "key person" life insurance on any of our directors or senior executive officers.

Edgar Filing: COACH INDUSTRIES GROUP INC - Form S-8

SINCE OUR SHARES ARE THINLY TRADED AND TRADING ON THE OTC BULLETIN BOARD TRADING MAY BE SPORADIC BECAUSE IT IS NOT AN EXCHANGE. STOCKHOLDERS MAY HAVE DIFFICULTY RESELLING THEIR SHARES.

Our common stock is quoted on the OTC Bulletin Board and is thinly traded. In the past, our trading price has fluctuated widely, depending on many factors that may have little to do with our operations or business prospects. In addition, the OTC Bulletin Board is not an exchange and, because trading of the securities on the OTC Bulletin Board is often more sporadic than the trading of securities listed on an exchange or the Nasdaq Stock Market, Inc., you may have difficulty reselling any of our common shares.

TRADING OF OUR STOCK MAY BE RESTRICTED BY THE SEC'S PENNY STOCK REGULATIONS WHICH MAY LIMIT A STOCKHOLDER'S ABILITY TO BUY AND SELL OUR STOCK.

The Securities and Exchange Commission has adopted regulations which generally define "penny stock" to be any equity security that has a market price (as defined) less than \$5.00 per share or an exercise price of less than \$5.00 per share, subject to certain exceptions. Our securities are covered by the penny stock rules, which impose additional sales practice requirements on broker-dealers who sell to persons other than established customers and

11

"accredited investors." The term "accredited investor" refers generally to institutions with assets in excess of \$5,000,000 or individuals with a net worth in excess of \$1,000,000 or annual income exceeding \$200,000 or \$300,000 jointly with their spouse. The penny stock rules require a broker-dealer, prior to a transaction in a penny stock not otherwise exempt from the rules, to deliver a standardized risk disclosure document in a form prepared by the Securities and Exchange Commission which provides information about penny stocks and the nature and level of risks in the penny stock market. The broker-dealer also must provide the customer with current bid and offer quotations for the penny stock, the compensation of the broker-dealer and its salesperson in the transaction and monthly account statements showing the market value of each penny stock held in the customer's account. The bid and offer quotations, and the broker-dealer and salesperson compensation information, must be given to the customer orally or in writing prior to effecting the transaction and must be given to the customer in writing before or with the customer's confirmation. In addition, the penny stock rules require that prior to a transaction in a penny stock not otherwise exempt from these rules, the broker-dealer must make a special written determination that the penny stock is a suitable investment for the purchaser and receive the purchaser's written agreement to the transaction. These disclosure requirements may have the effect of reducing the level of trading activity in the secondary market for the stock that is subject to these penny stock rules. Consequently, these penny stock rules may affect the ability of broker-dealers to trade our securities. We believe that the penny stock rules discourage investor interest in and limit the marketability of our common stock.

WE DO NOT EXPECT TO DECLARE OR PAY ANY DIVIDENDS.

We have not declared or paid any dividends on our common stock since our inception and we do not anticipate paying any such dividends for the foreseeable future.

SELLING STOCKHOLDERS

The following table identifies the selling stockholders and indicates (i) the nature of any material relationship that such selling stockholder has had with us for the past three years, (ii) the number of shares held by the selling stockholders, (iii) the amount to be offered for each of the selling stockholder's account, and (iv) the number of shares and percentage of outstanding shares of the common shares in our capital to be owned by each selling stockholder after the sale of the shares offered by them pursuant to this offering. The selling stockholders are not obligated to sell the shares offered in this reoffer prospectus and may choose not to sell any of the shares or only a part of the shares. SEC rules require that we assume that the selling stockholders sell all of the shares offered with this reoffer prospectus.

Under the Securities Exchange Act of 1934, any person engaged in a distribution of the shares offered by this reoffer prospectus may not simultaneously engage in market making activities with respect to our common shares during the applicable "cooling off" periods prior to the commencement of such distribution. In addition, and without limiting the foregoing, the selling stockholders will be subject to applicable provisions of the Securities Exchange Act of 1934 and the rules and regulations thereunder, which provisions may limit the timing of purchases and sales of the shares by the selling stockholders. As of August 29, 2003, there were 3,183,706 common shares in our capital issued and outstanding.

THE INFORMATION PROVIDED IN THE TABLE ABOVE WITH RESPECT TO THE SELLING STOCKHOLDERS HAS BEEN OBTAINED FROM EACH OF THE SELLING STOCKHOLDERS. BECAUSE THE SELLING STOCKHOLDERS MAY SELL ALL OR SOME PORTION OF THE SHARES OF COMMON STOCK BENEFICIALLY OWNED BY THEM, ONLY AN ESTIMATE (ASSUMING THE SELLING STOCKHOLDERS SELL ALL OF THE SHARES OFFERED HEREBY) CAN BE GIVEN AS TO THE NUMBER OF SHARES OF COMMON STOCK THAT WILL BE BENEFICIALLY OWNED BY EACH SELLING STOCKHOLDER AFTER THIS OFFERING. IN ADDITION, THE SELLING STOCKHOLDERS MAY HAVE SOLD, TRANSFERRED OR OTHERWISE DISPOSED OF, OR MAY SELL, TRANSFER OR OTHERWISE DISPOSE OF, AT ANY TIME OR FROM TIME TO TIME SINCE THE DATE ON WHICH HE PROVIDED THE INFORMATION REGARDING THE SHARES OF COMMON STOCK BENEFICIALLY OWNED BY THEM, ALL OR A PORTION OF THE SHARES OF COMMON STOCK BENEFICIALLY OWNED BY THEM IN TRANSACTIONS EXEMPT FROM THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT OF 1933, AS AMENDED.

PLAN OF DISTRIBUTION

The selling stockholders may sell the 1,800,000 common shares for value from time to time under this reoffer prospectus in one or more transactions on the OTC Bulletin Board, in negotiated transactions or in a combination of such methods of sale, at market prices prevailing at the time of sale, at prices related to such prevailing market prices or at prices otherwise negotiated. The selling stockholders may effect such transactions by selling the shares to or through broker-dealers, and such broker-dealers may receive compensation in the form of underwriting discounts, concessions or commissions from the respective selling stockholder and/or the purchasers of the shares for whom such broker-dealers may act as agent (which compensation may be less than or in excess of customary commissions).

The selling stockholders and any broker-dealers that participate in the distribution of the shares may be deemed to be an "underwriter" within the meaning of Section 2(11) of the Securities Act of 1933, and any commissions received by them and any profit on the resale of the shares sold by them may be deemed to be underwriting discounts and commissions under the Securities Act of 1933. All selling and other expenses incurred by the selling stockholders will be borne by the selling stockholders. In addition to any shares sold hereunder, the selling stockholders may, at the same time, sell any shares of common shares, including the shares, owned by them in compliance with all of the requirements of Rule 144, regardless of whether such shares are covered by this reoffer prospectus. There is no assurance that the selling stockholders will sell all or any portion of the shares offered. We will pay all expenses in connection with this offering and we will not receive any proceeds from sales of any shares by the selling stockholders.

DISCLOSURE OF COMMISSION POSITION ON INDEMNIFICATION FOR SECURITIES ACT LIABILITIES

Insofar as indemnification for liabilities arising under the Securities Act of 1933, as amended may be permitted to directors, officers or persons controlling our business pursuant to the provision in the section entitled "Indemnification of Directors and Officers" (see below), we have been informed that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933, as amended and is therefore unenforceable.

ITEM 6. INDEMNIFICATION OF DIRECTORS AND OFFICERS.

Section 78.7502 of Nevada Revised Statutes provides as follows with respect to indemnification of directors and officers:

NRS 78.7502 DISCRETIONARY AND MANDATORY INDEMNIFICATION OF OFFICERS, DIRECTORS, EMPLOYEES AND AGENTS: GENERAL PROVISIONS.

A corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or

Edgar Filing: COACH INDUSTRIES GROUP INC - Form S-8

proceeding, whether civil, criminal, administrative or investigative, except an action by or in the right of the corporation, by reason of the fact that he is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses, including attorneys' fees, judgments, fines and amounts paid in settlement actually and reasonably incurred by him in connection with the action, suit or proceeding if he acted in good faith and in a manner

17

which he reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction or upon a plea of nolo contendere or its equivalent, does not, of itself, create a presumption that the person did not act in good faith and in a manner which he reasonably believed to be in or not opposed to the best interests of the corporation, and that, with respect to any criminal action or proceeding, he had reasonable cause to believe that his conduct was unlawful.

A corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the corporation to procure a judgment in its favor by reason of the fact that he is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against expenses, including amounts paid in settlement and attorneys' fees actually and reasonably incurred by him in connection with the defense or settlement of the action or suit if he acted in good faith and in a manner which he reasonably believed to be in or not opposed to the best interests of the corporation. Indemnification may not be made for any claim, issue or matter as to which such a person has been adjudged by a court of competent jurisdiction, after exhaustion of all appeals therefrom, to be liable to the corporation or for amounts paid in settlement to the corporation, unless and only to the extent that the court in which the action or suit was brought or other court of competent jurisdiction determines upon application that in view of all the circumstances of the case, the person is fairly and reasonably entitled to indemnity for such expenses as the court deems proper.

To the extent that a director, officer, employee or agent of a corporation has been successful on the merits or otherwise in defense of any action, suit or proceeding referred to in subsections 1 and 2, or in defense of any claim, issue or matter therein, the corporation shall indemnify him against expenses, including attorneys' fees, actually and reasonably incurred by him in connection with the defense.

When indemnification is discretionary, Section 78.751 of Nevada Revised Statutes provides as follows with respect to the authorization required to carry out the indemnification:

NRS 78.751 AUTHORIZATION REQUIRED FOR DISCRETIONARY INDEMNIFICATION; ADVANCEMENT OF EXPENSES; LIMITATION ON INDEMNIFICATION AND ADVANCEMENT OF EXPENSES.

Any discretionary indemnification under NRS 78.7502 unless ordered by a court or advanced pursuant to subsection 2, may be made by the corporation only as authorized in the specific case upon a determination that indemnification of the director, officer, employee or agent is proper in the circumstances. The determination must be made:

Edgar Filing: COACH INDUSTRIES GROUP INC - Form S-8

- (a) By the stockholders;
- (b) By the board of directors by majority vote of a quorum consisting of directors who were not parties to the action, suit or proceeding;
- (c) If a majority vote of a quorum consisting of directors who were not parties to the action, suit or proceeding so orders, by independent legal counsel in a written opinion; or
- (d) If a quorum consisting of directors who were not parties to the action, suit or proceeding cannot be obtained, by independent legal counsel in a written opinion.

18

The articles of incorporation, the bylaws or an agreement made by the corporation may provide that the expenses of officers and directors incurred in defending a civil or criminal action, suit or proceeding must be paid by the corporation as they are incurred and in advance of the final disposition of the action, suit or proceeding, upon receipt of an undertaking by or on behalf of the director or officer to repay the amount if it is ultimately determined by a court of competent jurisdiction that he is not entitled to be indemnified by the corporation. The provisions of this subsection do not affect any rights to advancement of expenses to which corporate personnel other than directors or officers may be entitled under any contract or otherwise by law.

3. The indemnification and advancement of expenses authorized in or ordered by a court pursuant to this section:

(a) Does not exclude any other rights to which a person seeking indemnification or advancement of expenses may be entitled under the articles of incorporation or any bylaw, agreement, vote of stockholders or disinterested directors or otherwise, for either an action in his official capacity or an action in another capacity while holding his office, except that indemnification, unless ordered by a court pursuant to NRS 78.7502 or for the advancement of expenses made pursuant to subsection 2, may not be made to or on behalf of any director or officer if a final adjudication establishes that his acts or omissions involved intentional misconduct, fraud or a knowing violation of the law and was material to the cause of action.

(b) Continues for a person who has ceased to be a director, officer, employee or agent and inures to the benefit of the heirs, executors and administrators of such a person.

Our Bylaws provide that we must indemnify any director or officer of our corporation to the full extent permitted by applicable law as then in effect, against liability arising out of a proceeding to which the individual was made a party because he or she is or was a director or officer of our corporation. We will advance expenses incurred by a director or officer who is a party to a proceeding in advance of final disposition of the proceeding, as provided by our Bylaws.

ITEM 9. UNDERTAKINGS.

(a) We hereby undertake:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933, as amended;

(ii) To reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment hereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low and high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Securities and Exchange Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no

more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement;

20

PROVIDED, HOWEVER, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed by our company pursuant to Section 13 or 15(d) of the Exchange Act that are incorporated by reference in this Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, as amended each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at the time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) We hereby undertake that, for purposes of determining any liability under the Securities Act of 1933, as amended, each filing of our annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 as amended, may be permitted to directors, officers and persons controlling our company pursuant to the foregoing provisions, or otherwise, we have been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 as amended, and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by our company of expenses incurred or paid by a director, officer or controlling person of our company in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, our company will, unless in the opinion of our counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question as amended, and will be governed by the final adjudication of such issue.
