Item 2.02. Results of Operations and Financial Condition.

On April 28, 2005, Neoprobe Corporation (the "Company") issued a press release regarding its consolidated financial results for the quarter ended March 31, 2005. A copy of the Company's press release is furnished as Exhibit 99.1 to this Current Report on Form 8-K and is incorporated herein by reference.

The information contained in Item 2.02 of this Current Report on Form 8-K, including the exhibit 99.1 hereto, shall not be treated as "filed" for purposes of the Securities Exchange Act of 1934, as amended.

## Edgar Filing: NEOPROBE CORP - Form 8-K

Statements contained or incorporated by reference in this Current Report on Form 8-K which relate to other than strictly historical facts, such as statements about the Company's plans and strategies, expectations for future financial performance, new and existing products and technologies, anticipated regulatory pathways, and markets for the Company's products, are forward-looking statements. The words "believe," "expect," "anticipate," "estimate," "project," and similar expressions identify forward-looking statements that speak only as of the date hereof. Investors are cautioned that such statements involve risks and uncertainties that could cause actual results to differ materially from historical or anticipated results due to many factors including, but not limited to, the Company's continuing operating losses, uncertainty of market acceptance, reliance on third party manufacturers, accumulated deficit, future capital needs, uncertainty of capital funding, dependence on limited product line and distribution channels, competition, limited marketing and manufacturing experience, risks of development of new products, regulatory risks, and other risks detailed in the Company's most recent Annual Report on Form 10-KSB and other Securities and Exchange Commission filings. The Company undertakes no obligation to publicly update or revise any forward-looking statements.

### Item 8.01. Other Events.

On April 26, 2005, the Company issued a press release announcing that its subsidiary, CIRA Biosciences, Inc. (CIRA Bio), received from Battelle Memorial Institute an independent technology assessment report on CIRA Bio's activated cellular therapy (ACT) technology. A copy of the Company's press release is furnished as Exhibit 99.2 to this Current Report on Form 8-K and is incorporated herein by reference. The Battelle report indicates that the ACT cell processing technology would be commercially feasible and reproducible with CIRA Bio's implementation of the recommended Battelle process and procedure development initiatives.

In addition to announcing the results of the technology assessment, the release reported on recommendations of CIRA Bio's scientific advisors regarding strategy for the next clinical studies for ACT.
