Calculation of Filing Fee

Transaction valuation*	Amount of filing fee
\$25,560	\$3.00

* Calculated solely for purposes of determining the filing fee. This amount assumed the acquisition of approximately 18,000 shares of Common Stock for \$1.42 per share in cash in lieu of fractional shares to holders of less than 1 share after the proposed reverse stock split.

o Check the box if any part of the fee is offset as provided by §240.0-11(a)(2) and identify the filing with which the offsetting fee was previously paid. Identify the previous filing by registration statement number, or the Form or Schedule and the date of its filing.

RULE 13e-3 TRANSACTION STATEMENT

INTRODUCTION

This Rule 13e-3 Transaction Statement on Schedule 13E-3 (together with the Exhibits and Schedules hereto, this “Rule 13E-3”) is filed by Kestrel Energy, Inc., a Colorado corporation (the “Company”), pursuant to Section 13(e) of the Securities Exchange Act of 1934 and Rule 13e-3 thereunder. The Company is submitting to its shareholders a proposal (the “Reverse Stock Split Proposal”) to approve a 100-for-1 reverse stock split of the outstanding shares of the Company’s common stock. In the reverse stock split, the common shareholders will receive one share of common stock for each 100 shares they hold immediately prior to the effective date of the reverse stock split. Those shareholders holding less than 100 shares prior to the reverse stock split will receive cash in lieu of any fractional shares to which they would otherwise be entitled. The cash payment for the common stock will be the greater of (i) 125% of the average pre-split closing price per share of the common stock as quoted on the OTC Bulletin Board for the 40 trading days preceding the first public announcement of the plan to effect a reverse stock split, May 20, 2005, or (ii) 125% of the average pre-split closing price per share over the 5 trading days preceding the effective date of the reverse stock split as declared by the Board of Directors. For shareholders who own one or more shares after the split, a fractional share will not be issued but the number of shares received would be rounded up to the next whole number of shares.

The Reverse Stock Split Proposal is being made upon the terms and subject to the conditions set forth in the preliminary proxy statement for the Company’s 2005 special meeting of shareholders (the “Special Meeting”), filed concurrently with this Schedule 13E-3 (the “Proxy Statement”). The information in the Proxy Statement, together with the proxy card, is expressly incorporated herein by reference in its entirety, and responses to each item herein are qualified in their entirety by the Proxy Statement and the proxy card. Capitalized terms used but not defined herein shall have the meanings ascribed to such terms in the Proxy Statement. The other purpose of the Special Meeting is to transact such other business as may properly come before the Special Meeting or any adjournments or postponements thereof.

Item 1. Summary Term Sheet.
