Edgar Filing: CONVERSION SERVICES INTERNATIONAL INC - Form 8-K

entered into (and simultaneously consummated) an asset purchase agreement (the "Agreement") with Similarity Vector Technologies (Sivtech) Limited, a company organized under the laws of Ireland (d/b/a Similarity Systems) ("SVT"), Similarity Systems, Inc., a Delaware corporation ("Similarity"), and the Company's subsidiary, Evoke Software Corporation, a Delaware corporation ("Evoke"). Pursuant to the Agreement, the Company sold substantially all of the assets of Evoke to SVT and Similarity for aggregate consideration consisting of: (i) the assumption of substantially all of the liabilities of Evoke (the "Assumed Liabilities"), (ii) \$645,000 in cash, (iii) shares of SVT, subject to certain conditions described below (the "Holdback Shares"), and a potential earnout, as described below (the "Earnout").

The following describes certain of the material terms of the transaction. The description below is not a complete description of the material terms of the transaction and is qualified in its entirety by reference to the agreements entered into in connection with the transaction which are included as exhibits to this Current Report on Form 8-K:

General

On July 18, 2005 (the "Closing Date"), the Company completed the sale of substantially all of the assets of Evoke and received aggregate consideration of \$645,000 cash, the assumption by Similarity and SVT of the Assumed Liabilities, the Holdback Shares and the Earnout.

The Holdback Shares

If within sixty (60) days following the Closing Date, certain contingencies have been satisfied (the "Trigger"), SVT shall deliver to the Company 567,075 shares of SVT common stock. In addition to the foregoing, if the Trigger has been met, and consents from entities who are parties to contracts with Evoke have been delivered by the Company to SVT or Similarity, SVT shall deliver to the Company up to 253,978 additional shares of SVT common stock 190 days following the Closing Date.

The Earnout

SVT will pay additional consideration to the Company (the "Earnout Consideration") in an amount equal to thirteen percent (13%) of the Qualified Revenue for successive fiscal quarters following the Closing Date. "Qualified Revenue" means the cash receipts of SVT and its Subsidiaries in respect of the sale of product license and maintenance and support services of (i) SVT's Athanor product and (ii) the products of the Evoke business, in each case, as sold, invoiced and shipped or provided following the Closing Date and less any sales, use, excise value-added or similar taxes, commissions, rebates, and refunds. The maximum amount of Earnout Consideration to which the Company is entitled in any twelve (12) month period is \$466,667 and the aggregate maximum amount of Earnout Consideration to which the Company is entitled pursuant to this Agreement is \$1,400,000.

The Lockup

The Company has agreed not to, without the prior written consent of SVT, sell, assign, transfer, pledge, hypothecate, mortgage or dispose of, by gift or otherwise, or in any way encumber, shares of SVT stock received by the Company pursuant to the Agreement for a period of 2 years from the Closing Date; provided, however, that such restrictions on transferability of the SVT stock shall terminate upon the consummation of SVT's first firm commitment underwritten public offering of SVT's ordinary shares where the shares are subsequently traded primarily on the Nasdaq Stock Market's National Market or Small-Cap Market, the New York Stock Exchange, the London Stock Exchange or the

American Stock Exchange (an "Initial Offering") or upon such earlier date as may be agreed between the Company and SVT. In addition, the Company has agreed that it will not, without the prior written consent of SVT, sell publicly any shares of SVT's stock for a period of 180 days (or such longer period as may be agreed between the Company and SVT) following the effective date of the Initial Offering; provided that the foregoing shall only be applicable to the Company if all officers, directors and holders of two percent (2%) or more of the stock of SVT enter into similar agreements.

Other Material Terms

As set forth more fully in the Agreement, the Assumed Liabilities include, but are not limited to, a lease with respect to a facility located in Austin, Texas and a number of leases in Boulder, Colorado.

As set forth more fully in the Agreement, the purchase price is subject to potential adjustment (increase or decrease) based upon Evoke's net assets and working capital immediately prior to the Closing Date and the amount, if any, that such net assets and working capital exceed or fall below certain thresholds.
