## SECTION 2 FINANCIAL INFORMATION

### ITEM 2.01 COMPLETION OF ACQUISITION OR DISPOSITION OF ASSETS

Measurement Specialties Inc. (NASDAQ: MEAS) (“MSI” or the “Company”), a designer and manufacturer of sensors and sensor-based consumer products, completed the sale of Consumer Division to Fervent Group Limited (FGL) on December 19, 2005. As previously reported in MSI’s Form 8-k filed December 6, 2005, MSI entered into a definitive agreement on December 1, 2005, whereby MSI agreed to sell its Consumer Division, including its Cayman Island subsidiary, Measurement Limited (ML), to Fervent Group Limited (FGL). Fervent Group Limited is a BVI company controlled by the owners of River Display Limited (RDL), the Company’s long time partner and primary supplier of consumer products in Shenzhen, China. Under the terms of the agreement, FGL will acquire the Company’s Consumer Division for up to \$17.5 million, which may be reduced by up to \$5 million if ML fails to meet certain performance criteria within the first year. The Company accepted as part of the transaction a \$4 million promissory note from FGL.

The assets sold to FGL consist of those items related to the business of the Consumer Division, including such items as raw material and finished goods inventory, tooling, and patents, but excluding trade accounts receivable. The effective date of the sale was December 1, 2005. For the 12-month period ended September 30, 2005, the Consumer Division posted total net sales of \$55.2 million and contributed \$8.1 million in operating profit. Included in the operating results of the Consumer Division for this period was the amortization of \$3.9 million of non-cash deferred gain from the sale of the Thinner® branded business to Conair Corporation that was consummated in January 2004.
