This Amendment No. 4 to Schedule 13D is being filed by Julian C. Baker and Felix J. Baker (the “Reporting Persons”) to supplement the statements on Schedule 13D previously filed by them, as heretofore amended. Except as supplemented herein, such statements, as heretofore amended and supplemented, remain in full force and effect.

Item 4. Purpose of Transaction.

On February 2, 2006 the Company announced that it had constituted a Special Committee of the Board of Directors to consider the matters raised by the requisition for a shareholders’ meeting that had been filed by the Reporting Persons, called a Special Meeting of Shareholders to be held on April 11, 2006 and adopted a Shareholder Rights Plan. Subsequently, the Company announced at a conference call on February 7, 2006 that the Special Committee will “also be taking the opportunity to evaluate the Company’s current strategy and direction and review alternatives that may be available.”

The Reporting Persons have told the Company that they object to the expansion of the mandate of the Special Committee beyond responding to the requisition. Accordingly, they have objected to the adoption of the Shareholder Rights Plan and to the exclusion of Dr. Baker from full participation in the evaluation of the Company’s strategy and direction as a flagrant violation of good corporate governance. A copy of Dr. Baker’s letter to David Scott, dated February 9, 2006, setting out these objections is attached as Exhibit 2 to this Amendment No. 4.

Dr. Baker has been contacted by David Scott and Colin Mallet on behalf of the Special Committee to discuss possible changes in the directors of the Company. They have suggested that the Special Committee and Dr. Baker should agree upon a slate of directors to be nominated for election at the next shareholders’ meeting, but they have not responded to Dr. Baker’s request for an explanation of their views with respect to the slate proposed by Dr. Baker. As a result, it is not possible at this time to determine whether these discussions will result in any agreement between Dr. Baker and the Special Committee.

Item 7. Material To Be Filed as Exhibits.

Exhibit
1 Agreement regarding the joint filing of this statement.

Exhibit
2 Letter dated February 9, 2006 from Felix Baker to David Scott.
