**Explanatory Note**

The United States Oil Fund, LP (“USOF”) is filing this Amendment No. 1 to its annual report on Form 10-K (“Form 10-K/A”) for the fiscal year ended December 31, 2006 that was filed with the Securities and Exchange Commission on March 30, 2007 (“Form 10-K”). This Form 10-K/A replaces Part III, Item 10 of the Form 10-K filed on March 30, 2007. The purpose of the Form 10-K/A is to revise disclosure found in the Form 10-K that stated that the Board of Directors of Victoria Bay Asset Management, LLC, the general partner of USOF (the “Board of Directors”), had determined that each of Malcolm Fobes III and Gordon Ellis had the necessary qualifications and experience to be considered an “Audit Committee Financial Expert” as such term is defined in Item 407(d)(5) of Regulation S-K under the Securities Exchange Act of 1934, as amended. Because of the experience and education of Messrs. Fobes and Ellis, each meets the financial sophistication requirements set forth by the American Stock Exchange and the applicable rules of the Financial Industry Regulatory Authority (“FINRA”) as they relate to audit committees. Given the limited scope of USOF’s activities and the qualifications and experience of all of the audit committee members, the Board of Directors did not feel it was necessary to make a determination as to whether any of the members of the audit committee had the necessary qualifications or experience to be considered an “Audit Committee Financial Expert.”

Except as set forth above, no other changes have been made to the Form 10-K, and the Form 10-K/A does not amend, update or change any other items or disclosure found in the Form 10-K. Further, the Form 10-K/A does not reflect events that occurred after the filing of the Form 10-K.

Since 1997, Mr. Fobes has been the Chairman and President of The Berkshire Funds, a mutual fund investment company registered under the Investment Company Act of 1940. Mr. Fobes also serves as portfolio manager of the Berkshire Focus Fund, a mutual fund registered under the Investment Company Act of 1940, which concentrates its investments in the electronic technology industry. From April 2000 to July 2006, Mr. Fobes also served as co-portfolio manager of The Wireless Fund, a mutual fund registered under the Investment Company Act of 1940, which concentrates its investments in companies engaged in the development, production, or distribution of wireless-related products or services. Mr. Fobes was also contributing editor of *Start a Successful Mutual Fund: The Step-by-Step Reference Guide to Make It Happen* (JV Books, 1995). Mr. Fobes holds a B.S. degree in Finance and Economics from San Jose State University in California. Mr. Fobes is 42 years old.

The following are individual Principals, as that term is defined in CFTC Rule 3.1, for USOF: Melinda Gerber, Howard Mah, Andrew Ngim, Robert Nguyen, Peter Robinson, Gordon Ellis, Malcolm Fobes, John Love, and John Hyland. These individuals are principals due to their positions, however, Nicholas Gerber and Melinda Gerber are also principals due to their controlling stake in Wainwright. Neither the General Partner, nor the principals own or have any other beneficial interest in USOF. Nicholas Gerber and John Hyland make trading and investment decisions for USOF. Nicholas Gerber, John Love, and John Hyland execute trades on behalf of USOF. In addition, Nicholas Gerber, John Love, John Hyland and Kathryn Rooney are registered with the CFTC as Associated Persons of the General Partner and are members of the NFA.

### **Audit Committee**

The General Partner has an audit committee which is made up of three independent directors (Peter M. Robinson, Gordon L. Ellis and Malcolm R. Fobes III). The audit committee is governed by an audit committee charter that is posted on USOF's website. The Board has not made a determination as to whether any of the members of the audit committee may be considered to be an "Audit Committee Financial Expert" as such term is defined in Item 407(d)(5) of Regulation S-K. However, the Board believes that Messrs. Fobes and Ellis are able to read and understand financial statements and meet the financial sophistication requirements of the American Stock Exchange and applicable FINRA rules as they relate to audit committees. As such, given the limited scope of USOF's activities and the qualifications and experience of all of the members of the audit committee, the Board of Directors does not believe it is necessary to designate a member of the audit committee as an "Audit Committee Financial Expert."

### **Other Committees**

Since the individuals who perform work on behalf of USOF are not compensated by USOF, but instead by the General Partner, Ameristock or ALPS, USOF does not have a Compensation Committee. Similarly, since the Directors noted above serve on the Board of Directors of the General Partner, USOF does not have a Nominating Committee.
