On May 30, 2008, Genesis Pharmaceuticals Enterprises, Inc. Pursuant to the terms of the Securities Purchase Agreement, the Company will use the net proceeds from the Financing for working capital purposes. Also pursuant to the terms of the Securities Purchase Agreement, the Company must, among other things, increase the number of its authorized shares of common stock to 900,000,000 by August 31, 2008 and is prohibited from issuing any "Future Priced Securities" as such term is described by NASD IM-4350-1 for one year following the closing of the Financing.

The Notes are due May 30, 2011 and are convertible into shares of the Company's common stock at a conversion price equal to \$0.20, subject to adjustment pursuant to customary anti-dilution provisions and automatic downward adjustments in the event of certain sales or issuances by the Company of common stock at a price per share less than \$0.20. Interest on the outstanding principal balance of the Notes is payable at the rate of 6% per annum, in semi-annual installments payable on November 30th and May 30th of each year, with the first interest payment due on November 30, 2008. At any time after the issuance of the Note, any Investor may convert its Note, in whole or in part, into shares of the Company's common stock, provided that such Investor shall not effect any conversion if immediately after such conversion, such Investor and its affiliates would in the aggregate beneficially own more than 9.99% of the Company's outstanding common stock. A holder of a Note may require the Company to redeem all or a portion of

In connection with the Financing, the Company entered into a holdback escrow agreement (the “Holdback Escrow Agreement”), dated as of May 30, 2008, with the Investors and Loeb & Loeb LLP, as Escrow Agent, pursuant to which \$4,000,000 of the Purchase Price was deposited into an escrow account with the Escrow Agent at the closing of the Financing.
