Item 5.02 Departure of Directors or Certain Officers; election of Directors; appointment of Certain Officers;
Compensatory Arrangements of Certain Officers

Compensatory Arrangements of Certain Officers

The Company is filing this Current Report on Form 8-K to provide as exhibits certain documents establishing employment terms and compensatory arrangements with three of its executive officers.

Deborah Andrews, Vice President and Chief Financial Officer

As described in the Company's most recent Proxy Statement, Ms. Andrews' employment arrangement with the Company provides for a base salary, currently \$250,000, which the Compensation Committee may adjust periodically, and a performance bonus of up to 40% of base salary, as determined by the Committee. If terminated without cause, Ms. Andrews will receive a severance payment equal to six months' salary. If she is terminated as a result of a "change in control" and her job description is significantly changed, she will receive severance equal to one year's salary and immediate vesting of all unvested stock options. The Company has undertaken to provide such compensation through the following actions:

- Effective November 22, 2002, the Company entered into an Employment Agreement with Ms. Andrews in connection with her then employment as Global Controller. A copy of the Employment Agreement, which sets forth severance and change in control rights, is filed with this report as Exhibit 10.76, and is incorporated herein by this reference. The agreement provides for four months' severance upon a termination without cause.
 - As reported in the Company's Form 8-K filed on August 23, 2005, on August 17, 2005 the Company's Nominating, Governance and Compensation Committee approved terms of employment for Ms. Andrews' as Vice President and Chief Financial Officer, which included annual base salary in the amount of \$225,000 and a performance bonus of up to 40% of base salary, and a grant of options to purchase up to 50,000 shares of Common Stock with an exercise price of \$4.71 per share, which vested in three annual installments. Ms. Andrews also received benefits and perquisites commensurate to those received by the Company's vice presidents, which would include six months' severance in the event of termination without cause. Other than an option agreement in the form contained in the 2003 Omnibus Equity Incentive Plan, this compensatory arrangement was not further memorialized in a written agreement.
 - As reported in the Company's Form 8-K filed on April 6, 2007, on April 2, 2007 the Company's Compensation Committee approved for Ms. Andrews an 11% increase in base salary effective as of April 2, 2007, resulting in annual base salary of \$250,000, and a cash bonus of \$50,000, and awarded options to purchase 40,000 shares of common stock at an exercise price of \$5.39 per share, which vest in three annual installments. This compensatory arrangement was confirmed to Ms. Andrews in a letter dated April 11, 2007, a copy of which is filed with this report as Exhibit 10.77 and is incorporated herein by this reference.
