PART 1

INFORMATION REQUIRED IN THE SECTION 10(a) PROSPECTUS

ITEM 1.

(a) GENERAL PLAN INFORMATION

THE COMPANY

USCorp is a Nevada Corporation which has its principal offices at 4535 W. Sahara Ave., Suite 200, Las Vegas, NV 89102, telephone (702) 933-4034. The securities to be offered hereunder are pursuant to the Company's 2009 Stock Incentive Plan (the "Plan").

PURPOSES

Pursuant to the Plan, the Company will issue (i) Non-Qualified Stock Option (the "Stock Options") which, when exercised, entitles the holders thereof to purchase shares of the Company's Class A common stock at a price to be set forth pursuant to the Plan; and (ii) shares of the Company's Class A common stock, par value \$0.01 (the "Common Stock"). The Plan is being adopted in order to further provide a method whereby the Company's current employees, officers, directors, consultants and advisors may be granted incentives directly related to their performance and to allow the Company to secure and retain highly qualified employees, officers, directors, consultants and advisors, thereby advancing the interests of the Company, and all of its shareholders. A copy of the Plan has been filed as an exhibit to this Registration Statement.

IMPORTANT TERMS OF THE PLAN

Duration

The Plan was adopted on October 25, 2009, subject to approval by the Company's stockholders within 12 months after such adoption date. The Plan provides that, unless the Plan is earlier discontinued by the Board as provided herein, no award pursuant thereto shall be granted on or after December 31, 2019.

Amendments

The Plan may be amended, altered or may be discontinued by the Board of Directors of the Company, provided however, that such amendment or alteration, or in the event that the Plan is discontinued, such action shall not adversely affect the rights of an Eligible Individual to whom an award has previously been granted without such Eligible Individual's consent.

ERISA

Not applicable.

Administrators

The Plan shall be administered by the Plan Committee consisting of a minimum of two (2) non-employee directors of the Company's Board of Directors (the "Administrators"). Pursuant to the terms of the Plan, the Administrators are granted sole authority to determine the terms of any grant of Stock Options or Common Stock.

Additional Information

Additional information regarding the plan and its administrators can be obtained by writing to:

The Plan Administrators
USCorp, 4535 W. Sahara Avenue, Suite 200
Las Vegas, Nevada 89102
(702) 933-4030

(b) SECURITIES OFFERED

Under the Plan, a maximum of 10,000,000 shares of the Company's Class A common stock, par value \$0.01 may be issued to the Eligible Individuals.

Each share of the Company's common stock grants the holder thereof 1 vote for every share of common stock then held in all matters brought before the shareholders.

(c) EMPLOYEES WHO MAY PARTICIPATE

The Plan grants the Administrator authority to grant Stock Options or Common Stock to certain employee, officers, directors, consultants or advisors of the Company or any of its subsidiaries or affiliates.

(d) PURCHASE OF SECURITIES PURSUANT TO THE PLAN AND PAYMENT FOR SECURITIES OFFERED.

The terms of the Plan provide that the Administrators shall have sole authority to issue the Stock Options and/or the Common Stock under terms that it deems necessary. The Plan further provides that the provisions for an award of such Stock Options or Common Stock need not be the same for each Eligible Individual. However, the Plan provides for the following requirements relating to Stock Options granted under the Plan:

(a) The exercise price per share purchasable under a Stock Option shall be determined by the Administrator. However, the exercise price shall be not less than the Fair Market Value on the date the Stock Option is granted.

(b) Stock Options shall be exercisable at such time or times, and subject to such terms and conditions, as shall be determined by the Administrator.

(c) Stock Options may be exercised, in whole or in part, at any time during the option term by giving written notice of exercise to the Company specifying the number of shares subject to the Stock Option to be purchased. The exercise price of any Stock Option shall be paid in full in cash (by certified or bank check or such other instrument as the Company may accept) or by one or more of the following:

(1) in shares already owned by the holder of the Stock Option, provided that in the case of restricted shares the holder of the Stock Option shall have owned such shares for more than six (6) months, based in any such instance on the fair market value of the shares on the date the Stock Option is exercised;

(2) by irrevocably authorizing a third party to sell shares (or a sufficient portion of the shares) acquired upon exercise of the Stock Option and remit to the Company a portion of the proceeds to pay the entire exercise price resulting from such exercise; or

(3) by any combination of cash and/or any one or more of the methods specified in clauses (1) and (2).

Notwithstanding the foregoing, a form of payment shall not be permitted to the extent it would cause the Company to recognize compensation expense (or additional compensation expense) with respect to the Option for financial reporting purposes. No shares shall be issued upon exercise of a Stock Option until full payment therefore has been made. Upon exercise of a Stock Option (or a portion thereof), the Company shall have a reasonable time to issue the shares, and the holder of the Stock Option shall not be treated as a stockholder for any purposes whatsoever prior to such issuance.

(e) RESALE RESTRICTIONS

Upon the grant of the Common Stock or the exercise of the Stock Options, the Recipients will become the record and beneficial owners of the Shares upon issuance and delivery and will be entitled to all of the rights of ownership, and no restrictions will be provided regarding the resale thereof.

(f) TAX EFFECT OF PLAN PARTICIPATION

Tax Treatment to the Eligible Individuals

With respect to individuals receiving Common Stock, or shares pursuant to the exercise of a Stock Option at an exercise price below the fair market value of the Shares on the date of exercise, the difference between the exercise price and the fair market value of the stock on the date of exercise may be deemed ordinary income for federal income tax purposes. The Eligible Individual granted an award under the Plan is urged to consult his tax advisor on this matter. Further, if any Eligible Individual is an “affiliate,” Section 16(b) of the Exchange Act is applicable and will affect the issue of taxation.

Tax Treatment to the Company

The amount of income recognized by any Eligible Individual granted an award under the Plan (the “Recipient”) in accordance with the foregoing discussion may be an expense deductible by the Company for federal income tax purposes of the taxable year of the Company during which the Recipient recognizes income.

Restrictions of Resales in the Case of Affiliates

In the event that an affiliate of the Company acquires Shares hereunder, the affiliate will be subject to Section 16(b) of the Exchange Act. Further, in the event that any affiliate acquiring Shares hereunder has sold or sells any Shares in the six months preceding or following the receipt of Shares hereunder, any so called “profit,” as computed under Section 16(b) of the Exchange Act, would be required to be disgorged from the Recipient to the Company. Services rendered have been recognized as valid consideration for the “purchase” of Shares in connection with the “profit” computation under Section 16(b) of the exchange Act. The Company has agreed that for the purpose of any “profit” computation under 16(b) the price paid for the Shares issued to affiliates is equal to the value of services rendered. Shares acquired hereunder by persons other than affiliates are not subject to Section 16(b) of the Exchange Act.

(g) Not Applicable

(h) ASSIGNMENT OF INTEREST

The Plan provides that, except as otherwise provided in the applicable Stock Option agreement, a Stock Option (i) shall be transferable by the Recipient to a Family Member of such Recipient, provided that (A) any such transfer shall be by gift with no consideration and (B) no subsequent transfer of such Stock Option shall be permitted other than by will or the laws of descent and distribution, and (ii) shall not otherwise be transferable except by will or the laws of descent and distribution.

PART II

INFORMATION REQUIRED IN THE REGISTRATION STATEMENT

ITEM 3. INCORPORATION OF DOCUMENTS BY REFERENCE

Registrant hereby states that (i) all documents set forth in (a) through (c), below, are incorporated by reference in this registration statement, and (ii) all documents subsequently filed by registrant pursuant to Section 13(a), 13(c), 14 and 15(d) of the Exchange Act, prior to the filing of a post-effective amendment which indicates that all securities offered have been sold or which deregisters all securities then remaining unsold, shall be deemed to be incorporated by reference in this registration statement and to be a part hereof from the date of filing of such documents.

(a) Registrant's latest Annual Report on Form 10-K for the year ended September 30, 2008, whether filed pursuant to Section 13(a) or 15(d) of the Exchange Act or the Company's latest prospectus filed pursuant to Rule 424(b) under the Act that contains audited financial statements for the Company's latest fiscal year for which such statements have been filed, which contains, either directly or by incorporation by reference, audited financial statements for the Company's latest fiscal year for which such statements have been filed;

(b) Registrant's Quarterly Reports on Form 10-Q for the periods ended subsequent to September 30 2008 and Current Reports on Form 8-K filed pursuant to Section 13(a) or 15(d) of the Exchange Act;

(c) All reports and other documents subsequently filed by the Registrant pursuant to Sections 13(a), 13(c), 14 or 15(d) of the Exchange Act after the date of this Registration Statement and prior to the filing of a post-effective amendment to this Registration Statement which indicates that all securities offered hereby have been sold or which de-register all securities then remaining unsold, shall be deemed to be incorporated by reference in this Registration Statement and to be part hereof from the date of filing of such reports and documents. Any statement contained in a document incorporated or deemed to be incorporated by reference herein shall be deemed to be modified or superseded for purposes of this Registration Statement to the extent that a statement contained herein or in any other subsequently filed document which also is or is deemed to be incorporated by reference herein modifies or supersedes such statements. Any such statement so modified or superseded shall not be deemed, except as so modified or superseded, to constitute part of this Registration Statement.

ITEM 4. DESCRIPTION OF SECURITIES

No description of the class of securities (i.e., the \$0.01 par value Class A Common Stock) is required under this item because the Shares are registered under Section 12 of the Exchange Act.

Since its inception, the Company has not paid any cash dividend on its Shares and does anticipate that it will pay cash dividends in the foreseeable future. Registrant is registering hereunder 10,000,000 shares of its authorized but unissued common stock which are intended to be issued pursuant to awards made under the Plan. All Shares now outstanding are fully paid for and non-assessable and all Shares that are the subject of this Registration Statement, when issued, will also be fully paid and non-assessable.

ITEM 5. INTERESTS OF NAMED EXPERTS AND COUNSEL

Not Applicable

ITEM 6. INDEMNIFICATION OF DIRECTORS AND OFFICERS

The Company's by-laws, in accordance with the Nevada Revised Statutes, provide that to the extent he/she is otherwise fairly and reasonably entitled thereto, the Company shall indemnify a Director or Officer, a former Director or Officer, or a person who acts or acted at the Company's request as a Director or Officer of a body corporate of which the Corporation is or was a shareholder or creditor or a person who undertakes or has undertaken any liability on behalf of the Company or any such body corporate and his heirs and legal representatives, against all costs, charges and expenses, including an amount paid to settle an action or satisfy a judgment, reasonably incurred by him in respect of any civil, criminal or administrative action or proceeding to which he is made a party by reason of being or having been a Director or Officer of the Company or such body corporate, if

(a) he acted honestly and in good faith with a view to the best interests of the Company; and

(b) in the case of a criminal or administrative action or proceeding that is enforced by a monetary penalty, he had reasonable grounds for believing that his conduct was lawful.

The Nevada Revised Statutes provide that directors shall not be personally liable to the Company or its shareholders for monetary damages for breach of a fiduciary duty as a director except for liability (i) for any breach of the directors' duty of loyalty to the Company or its shareholders, (ii) for acts or omissions not in good faith or which involved intentional misconduct or a knowing violation of law, (iii) for authorizing a distribution that is unlawful, or (iv) for any transaction from which the director derived an improper personal benefit. Such provision protects directors against personal liability for monetary damages for breaches of their duty of care.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of registrant pursuant to the foregoing provisions, or otherwise, registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable. If a claim for indemnification against such liabilities (other than the payment by registrant of expenses incurred or paid by a director, officer or controlling person of registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

The Company may purchase and maintain insurance for the benefit of its Directors and Officers as such, as the Board of directors may from time to time determine. However, as of the date hereof, no such insurance has been purchased by the Company.

ITEM 7. EXEMPTION FROM REGISTRATION CLAIMED

Not Applicable.
