Item 8.01. Other Events.

Attached as Exhibit 99.1 to this Current Report on Form 8-K and incorporated herein by reference is the Director Deferred Compensation Agreement effective as of April 1, 2010 (each a “Director Agreement”) for the three independent directors (Peter M. Robinson, Gordon L. Ellis, and Malcolm R. Fobes III) of the United States Commodity Funds LLC (the “General Partner”) who meet the independent director requirements established by the NYSE Arca Equities Rules and the Sarbanes-Oxley Act of 2002 and are also the members of the audit committee of the General Partner.

Each of the three independent directors is entering into a Director Agreement with the General Partner and each of the commodity pools for which the General Partner acts as the general partner (together, the “Funds”) including, among others, the United States Oil Fund, LP, the United States Natural Gas Fund, LP, the United States 12 Month Oil Fund, LP, the United States Gasoline Fund, LP, the United States Heating Oil Fund, LP, the United States Short Oil Fund, LP and the United States 12 Month Natural Gas Fund, LP. Each of the three independent directors may receive certain deferred compensation payments from the Funds as described in the Director Agreement and such deferred compensation would be in addition to the payment of director fees and expenses that are made to the independent directors by the Funds based on the relative assets of each Fund computed on a daily basis. The Director Agreements are being entered into with the independent directors to provide sufficient incentive to each independent director to continue his service to the General Partner and the Funds.
