**FORWARD-LOOKING STATEMENTS**

The press release and presentation of KongZhong Corporation (the “Company”), constituting Exhibits 1.1 to this Form 6-K, contain statements that may be viewed as “forward-looking statements” within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities and Exchange Act of 1934, as amended. Such forward-looking statements are, by their nature, subject to significant risks and uncertainties that may cause the actual performance, financial condition or results of operations of the Company to be materially different from any future performance, financial condition or results of operations expressed or implied by such forward-looking statements. Such forward-looking statements include, without limitation, statements regarding trends in the wireless value-added services, wireless media and mobile games industries and our future business, financial conditions, results of operations and prospects.

Although such statements are based on the Company’s own information and information from other sources it believes to be reliable, you should not place undue reliance on them. These statements involve risks and uncertainties, and actual market trends and the Company’s results may differ materially from those expressed or implied in these forward-looking statements for a variety of reasons. Potential risks and uncertainties include, but are not limited to, continued competitive pressures in China’s wireless value-added services, wireless media and mobile games industries and the effect of such pressure on prices; unpredictable changes in technology, consumer demand and usage preferences in the market; the state of and any change in the Company’s relationship with China’s telecommunications operators; the Company’s dependence on the billing systems of telecommunications operators for its performance; the outcome of the Company’s investment of operating income generated from the wireless value-added services segment into the development of its wireless Internet segment and mobile games segment; changes in the regulations or policies of the Ministry of Industry and Information Technology and other relevant government authorities in China or elsewhere; and changes in political, economic, legal and social conditions in China, including the government’s policies with respect to economic growth, foreign exchange, foreign investment and entry by foreign companies into China’s telecommunications market. For additional discussion of these risks and uncertainties and other factors, please see the Company’s most recent Annual Report on Form 20-F filed with the Securities and Exchange Commission. The

Company assumes no obligation to update any forward-looking statements, which apply only as of the date of this report on Form 6-K.
