### Item 2. Identity and Background

This statement on Schedule 13D is being filed by Novalere Holdings, LLC, a Delaware limited liability company (“**Holdings**”). Investment and voting authority regarding the shares of Common Stock held by Holdings is vested in a three-person board of managers. No member of the board of managers may act individually to vote or sell the shares of Common Stock held by Holdings and no member of the board of managers may act individually to remove another member. The principal business of Holdings is to hold the Common Stock issued to Holdings in connection with the Merger (as described in Item 4 below). The address of the principal business and the principal office of Holdings is 151 Tremont Street, Penthouse, Boston, MA 02111.

(d) During the five years preceding the date of this statement on Schedule 13D, Holdings has not been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors).

During the five years preceding the date of this statement on Schedule 13D, Holdings was not a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and, as a result of such proceeding, was or is subject to a judgment, decree or final order (1) enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws, or (2) finding any violation with respect to such laws.

CUSIP No. 45778V106 Page 4 of 9 Pages

### Item 3. Source and Amount of Funds or Other Consideration

Holdings acquired the right to receive up to an aggregate of 25,617,592 shares of the Common Stock (the “**Holdings Consideration Shares**”) in exchange for 24,377,083 shares of common stock of Novalere FP, Inc., a Delaware corporation (“**Novalere**”) in connection with the merger of Novalere with and into the Issuer (the “**Merger**,” as more fully described in Item 4). At the closing of the Merger (the “**Closing**”), 12,808,796 of the Holdings Consideration Shares (the “**Closing Shares**”) were issued in the name of Holdings, with 11,527,917 of such Closing Shares distributed to Holdings at the Closing, and 1,280,879 of the Closing Shares (the “**Escrow Shares**”) delivered to Wilmington Trust, National Association as escrow agent (the “**Escrow Agent**”), to be held in escrow for the benefit of Holdings. The distribution of the remainder of the Holdings Consideration Shares is subject to certain conditions set forth in the Agreement and Plan of Merger dated February 4, 2015 (the “**Merger Agreement**”) between the Issuer, Novalere, Holdings, Innovus Pharma Acquisition Corporation I, a Delaware corporation and wholly-owned subsidiary of the issuer (“**Merger Sub I**”), and Innovus Pharma Acquisition Corporation II, a Delaware corporation and wholly-owned subsidiary of the issuer (“**Merger Sub II**”).

### Item 4. Purpose of Transaction

On February 5, 2015 (the “**Closing Date**”), pursuant to the Merger Agreement, the Issuer acquired Novalere through a two-step merger. First, Merger Sub I merged with and into Novalere, and second, Novalere merged with and into Merger Sub II, with Merger Sub II surviving as a wholly-owned subsidiary of the Issuer. Pursuant to the articles of merger effectuating the Merger, Merger Sub II changed its name to Novalere, Inc.

As a result of the Merger, the outstanding shares of Novalere common stock (other than shares owned by (i) non-accredited stockholders of Novalere, who were cashed out at the closing or (ii) any stockholder of Novalere who was entitled to and properly exercises dissenters’ rights under Delaware law) were converted into the right to receive an aggregate of 25,895,312 shares of the Common Stock (the “**Consideration Shares**”). The Consideration Shares represented 49% of the total shares of the Issuer issued and outstanding upon completion of the Merger.

Under the terms of the Merger Agreement, at the Closing the former Novalere stockholders were entitled to receive 50% of the Consideration Shares (the “**Closing Consideration Shares**”), and the remaining 50% of the Consideration Shares (the “**ANDA Consideration Shares**”) will be delivered to the former Novalere stockholders only if an Abbreviated New Drug Application of Fluticasone Propionate Nasal Spray of Novalere Manufacturing Partners is approved by the Food and Drug Administration (the “**ANDA Approval**”). 10% of the Closing Consideration Shares, and if ANDA Approval is obtained prior to the 18 month anniversary of the Closing Date, 30% of the ANDA Consideration Shares, will be held in escrow for a period of 18 months from the Closing Date to be applied towards any indemnification claims by the Issuer pursuant to the Merger Agreement.

Accordingly, at the Closing, the Common Stock reported in this Schedule 13D was issued in the name of Holdings, (i) 11,527,917 shares of which were delivered to Holdings and (ii) 1,280,879 shares of which were delivered to the Escrow Agent, to be held in escrow for the benefit of Holdings. If ANDA Approval is received, Holdings will have the right to receive an additional 12,808,796 shares of the Common Stock (the “**ANDA Shares**”), with 8,966,158 of such shares distributable to Holdings immediately upon receipt of ANDA Approval, and 3,842,638 of such shares delivered to the Escrow Agent to be held in escrow for the benefit of Holdings.

**CUSIP No. 45778V106 Page 5 of 9 Pages**

Holdings intends to review continuously its equity interest in the Issuer. Depending upon its evaluation of the factors described below, Holdings may from time to time purchase additional securities of the Issuer, dispose of all or a portion of the securities then held by Holdings, or cease buying or selling such securities; any such additional purchases or sales of securities of the Issuer may be in the open market, in privately negotiated transactions or otherwise.

Holdings, through its managers, employees or agents may wish to engage in a constructive dialogue with officers, directors and other representatives of the Issuer, as well as the Issuer's shareholders; topics of discussion may include, but are not limited to, the Issuer's markets, operations, competitors, prospects, strategy, personnel, directors, ownership and capitalization. Holdings may also enter into confidentiality or similar agreements with the Issuer and, subject to such an agreement or otherwise, exchange information with the Issuer. The factors that Holdings may consider in evaluating its equity interest in the Issuer's business include the following: (i) the Issuer's business and prospects; (ii) the performance of the Common Stock and the availability of the Common Stock for purchase at particular price levels; (iii) the availability and nature of opportunities to dispose of Holdings' interests; (iv) general economic conditions; (v) stock market conditions; and (vii) other plans and requirements of Holdings and its members.

Depending on its assessment of the foregoing factors, Holdings may, from time to time, modify their present intention as stated in this Item 4.

Except as set forth above, Holdings intends to continuously review its options but does not have at this time any specific plans that would result in (a) the acquisition of additional securities of the Issuer or the disposition of securities of the Issuer; (b) any extraordinary corporate transactions such as a merger, reorganization or liquidation involving the Issuer or any of its subsidiaries; (c) any sale or transfer of a material amount of the assets of the Issuer or of any of its subsidiaries; (d) any change in the present management or Board of Directors of the Issuer, including any plans or proposals to change the number or term of directors or to fill any existing vacancies on the Issuer's Board of Directors; (e) any material change in the present capitalization or dividend policy of the Issuer; (f) any other material change in the Issuer's business or corporate structure; (g) any change in the Issuer's charter or by-laws that may impede the acquisition of control of the Issuer by any person; (h) the Issuer's Common Stock being delisted from a national securities exchange or ceasing to be authorized to be quoted in an inter-dealer quotation system or a registered national securities association; (i) causing a class of equity securities of the Issuer to become eligible for termination of registration pursuant to Section 12(g)(4) of the Securities Exchange Act of 1934, as amended; or (j) any action similar to those enumerated above.

The Merger has been described in further detail in Items 1.01, 2.01 and 3.02 of the Issuer's Form 8-K dated February 5, 2015 (the "8-K"). The agreements entered into in order to effect the Merger have been described and previously filed with the SEC as exhibits to the 8-K. These agreements (which are listed on Item 7 hereto) are being included as

exhibits to this Schedule 13D and are incorporated in their entirety by reference into this Item 4.

**Item 5. Interest in Securities of the Issuer**

(a, b) The percentages of beneficial ownership reported in this Item 5, and on the cover page to this Schedule 13D, are based on a total of 40,545,545 shares of the Common Stock issued and outstanding as of March 24, 2015, as reported in the most recent annual report of the Issuer on Form 10-K for the fiscal year ended December 31, 2014. All of the share numbers reported below, and on the cover page to this Schedule 13D, are as of April 14, 2015, unless otherwise indicated. The cover page to this Schedule 13D is incorporated by reference in its entirety into this Item 5(a, b).

Holdings directly holds, and thus has sole voting and dispositive power over, 11,527,917 shares of Common Stock, which does not include the Escrow Shares or the ANDA Shares. Holdings has sole voting power over the Escrow Shares. Accordingly, Holdings beneficially owns 12,808,796 shares of Common Stock (including the Escrow Shares but not including the ANDA Shares), or approximately 31.6% of the outstanding shares of the Common Stock.

(c) Except as described in Item 3 with respect to the Merger, Holdings did not effect any transaction in shares of the Common Stock from December 7, 2014 (the date 60 days prior to the Closing Date) to April 14, 2015.

(d) Pursuant to the terms of certain contingent promissory notes issued by Holdings to Chen Schor, the founder of Novalere, and Novalere LLC, an entity controlled by Mr. Schor, Holdings may be required to make payments to Mr. Schor and Novalere LLC upon its receipt or distribution of the proceeds from the sale of shares of the Common Stock by Holdings in the aggregate amount of 50% of the net amount of such proceeds, up to an aggregate maximum of \$2,000,000. No other person (other than Holdings) is known to have the right to receive or the power to direct the receipt of dividends from or the proceeds from the sale of shares of the Common Stock.

(e) Not applicable.

**Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer**

The Merger Agreement, as described in Items 3 and 4 above and incorporated by reference in their entirety into this Item 6.

In connection with the Merger, certain parties to the Merger entered into the following additional agreements:

Registration Rights and Stock Restriction Agreement

Pursuant to a Registration Rights and Stock Restriction Agreement between the Issuer and Holdings dated February 4, 2015 (the “**Registration and Restriction Agreement**”), Holdings agreed to the following restrictions on the sale of the Holdings Consideration Shares: (i) after the six-month anniversary of the Closing Date, and until the 12-month anniversary of the Closing Date, no more than 1/3 of the Holdings Consideration Shares may be sold; (ii) after the 12-month anniversary of the Closing Date and until the 18-month anniversary of the Closing Date, no more than 2/3 of the Holdings Consideration Shares may be sold; and (iii) all of the Holdings Consideration Shares may be sold upon the earliest to occur of: (A) the 18-month anniversary of the Closing Date, (B) ANDA Approval, and (C) the Issuer’s stock being listed on a national securities exchange.

**CUSIP No. 45778V106 Page 7 of 9 Pages**

In addition, the Registration and Restriction Agreement grants to Holdings certain demand and piggy-back registration rights. If the Issuer elects to file a registration statement to register stock for sale or resale, Holdings has the right to have its shares of Common Stock included on such registration statement, subject to certain exceptions. In addition, at any time after (i) 18 months from the Closing Date and (ii) ANDA Approval is obtained, holders of a majority of the Holdings Consideration Shares eligible to be registered may demand that the Issuer file a registration statement on Form S-1 to register the Holdings Consideration Shares. Further, at any time after ANDA Approval is obtained and the Issuer is eligible to file a registration statement on Form S-3, holders of a majority of the Holdings Consideration Shares eligible to be registered, provided that such shares have an anticipated public offering price, net of selling expenses, of at least \$1 million, may demand that the Issuer file a registration statement on Form S-3 to register the Holdings Consideration Shares, provided, however, that the Issuer shall not be required to file more than three S-3 demand registration statements.

#### Voting Agreement

The Voting Agreement between the Issuer and Holdings dated February 4, 2015 (the “**Voting Agreement**”) provides that for a period of two years following the Closing Date, Holdings (and any transferee of any Holdings Consideration Shares) (i) will vote in favor of any proposal by the Issuer’s Board of Directors to effect certain corporate transactions, (ii) will not attempt to be elected or nominate others to be elected to the Issuer’s Board of Directors, and will vote for the directors nominated by the Issuer’s Board of Directors, and (iii) will vote in favor of any proposal by the Issuer’s Board of Directors to issue additional securities of the Issuer for capital raising purposes. The Voting Agreement will continue in full force and effect for an additional 18 months with respect to Holdings and any transferee of Holdings Consideration Shares for so long as Holdings or such transferee continues to beneficially own 10% of the Issuer’s Common Stock during that time.

#### Escrow Agreement

The Escrow Agreement between the Issuer, Holdings and the Escrow Agent dated February 5, 2015 governs the parties’ rights and obligations regarding holding, maintaining, distributing and receiving the shares of Common Stock held in escrow for the benefit of Holdings in accordance with the Merger Agreement.

Except as otherwise described in this Schedule 13D, including the Exhibits attached hereto, there are no contracts, arrangements, understandings, or relationships (legal or otherwise) between Holdings and any third party, with respect to any securities of the Issuer, including, but not limited to, those involving the transfer or voting of any of the securities, finder’s fees, joint ventures, loan or option arrangements, put or calls, guarantees of profits, division of profits or losses, or the giving or withholding of proxies.

**CUSIP No. 45778V106 Page 8 of 9 Pages**
