Gross margin decreased to 4%, compared to 8% in the same prior year quarter, due to a variety of factors including some lower margin work, costs due to project design changes, and order delays for our PPS subsidiary. Selling, general and administrative expenses increased to \$3.0 million in the third quarter, as compared to \$2.7 million in third quarter fiscal 2015. The Company reported a decrease in gross margin for the first nine months of 2016 to 5.8% as compared to gross margin of 9.1% in the first nine months of fiscal 2015, related primarily to changes in the Company's portfolio of contracts. Selling, general and administrative expenses increased to \$9.2 million in the first nine months of 2016, but decreased to 7% of sales as compared to SG&A of \$8.4 million or 8% of sales in the first nine months of 2015.
