Item 1.01 Entry into a Material Definitive Agreement.

On September 4, 2014, Heartland Payment Systems, Inc. (“Company”, “we”, “our” or “us”) entered into an amended and restated senior secured credit facility consisting of our existing revolving line of credit, which was increased from an aggregate principal amount of up to \$350 million, to an aggregate amount of up to \$400 million (the “Revolving Credit Facility”) and a new term loan in an aggregate principal amount of \$375 million (the “Term Credit Facility” and, together with the Revolving Credit Facility, collectively, the “Credit Facility”) pursuant to an Amended and Restated Credit Agreement (the “Credit Agreement”) among us, the lenders party to the Credit Agreement from time to time, Bank of America, N.A., as administrative agent (the “Agent”), swingline lender and letter of credit issuer (the “L/C Issuer”), SunTrust Bank and BMO Harris Bank, N.A., as joint syndication agents, and Merrill Lynch, Pierce, Fenner & Smith Incorporated, SunTrust Robinson Humphrey, Inc. and BMO Capital Markets, as joint lead arranger and joint book managers. We used the proceeds of the Term Credit Facility to finance the acquisition of TouchNet Information Systems, Inc. (“TouchNet”). Outstanding draws under our existing line of credit remain outstanding under the Revolving Credit Facility. Going forward, the proceeds of the Revolving Credit Facility will be used to provide ongoing working capital and for other general corporate purposes of the Company and its subsidiaries.

The Revolving Credit Facility was extended to have a term of five years and continues to include a \$35 million subfacility for issuance of letters of credit and a \$35 million subfacility for swingline loans. The Term Credit Facility amortizes on a quarterly basis as follows, with the remaining principal balance due on September 4, 2019: (i) 5% of the initial Term Credit Facility to be payable in each of the first three years, (ii) 7.5% of the initial Term Credit Facility to be payable in the fourth year and (iii) 10% of the initial Term Credit Facility to be payable in the fifth year. The Term Credit Facility is also subject to mandatory prepayment from the net cash proceeds of certain asset dispositions, casualty or condemnation events, issuance of indebtedness and extraordinary receipts. Subject to the terms and conditions of the Credit Agreement, without the consent of the then existing lenders (but subject to the receipt of commitments), the Revolving Credit Facility may be increased and new incremental term loans may be issued in an aggregate principal amount of up to \$150 million for all such increases under the Revolving Credit Facility and new term loans, subject to certain minimum threshold amounts. The pricing and amortization terms of any new term loan will be proposed by us in consultation with the Agent, but no new incremental term loan may have a maturity date which is earlier than the maturity date of the Credit Facility or any outstanding incremental term loan. Borrowings under the Credit Facility bear interest at a floating rate which can be, at our option, either (a) a LIBOR borrowing rate for a specified interest period, or (b) the greatest of the prime rate, the federal funds rate plus 0.50% and the one month adjusted LIBOR rate plus 1%, in each case, plus a margin determined by our current leverage ratio. The Revolving Credit Facility is subject to (a) an unused commitment fee on the daily unused amount of the Revolving Credit Facility and a letter of credit fee on the aggregate stated amount of each letter of credit available to be drawn, in each case, at a rate determined by our current leverage ratio, and (b) certain other customary fees and expenses paid to the L/C Issuer and the Agent.

The Credit Agreement contains covenants which include our maintenance of certain leverage and fixed charge coverage ratios, limitations on our ability to incur indebtedness, make investments (including acquisitions) and distributions, grant liens on our assets, enter into business combinations, sell assets and certain other financial and non-financial covenants. These covenants also apply to our subsidiaries. The Credit Agreement also contains representations and warranties which are customary for financings of this type.

The description of the Credit Agreement set forth above does not purport to be complete and is qualified in its entirety by reference to the Credit Agreement, which is filed hereto as Exhibit 10.1 and is incorporated herein by reference.

Intercreditor Agreement

The Credit Agreement remains subject to that certain Intercreditor Agreement (the “Intercreditor Agreement”) dated October 23, 2013 among the Company, as borrower, Wells Fargo Bank, National Association (“Wells Fargo”), as sponsor, and Bank of America, N.A., as bank group administrative agent.

The Intercreditor Agreement established various inter-lender terms, including, but not limited to, (i) the priority of liens with respect to borrowings under the Uncommitted Revolving Line of Credit Agreement (the “Sponsor Facility Agreement”) with Wells Fargo, as lender and as sponsor bank dated July 20, 2012 (as amended from time to time) and

the Credit Agreement, (ii) the mechanics for the release of any such liens, (iii) the application of proceeds from merchant receivables under the Sponsor Facility Agreement, (iv) the restrictions on amending various agreements and (v) certain other restrictions on the various lenders to the Company.

#### Collateral Agreement

In connection with the Credit Agreement, on September 4, 2014, we and our Subsidiary Guarantors (as defined below), including TouchNet, entered into an Amended and Restated Collateral Agreement (the "Collateral Agreement") with the Agent. Under the Collateral Agreement, our obligations under the Credit Agreement and related loan documents are secured by (a) first priority liens on substantially all of our assets and the assets of the Subsidiary Guarantors, other than (i) 35% of the voting interests in direct foreign subsidiaries, (ii) deposit accounts used for payroll processing, loan service processing or card processing, in each case, for third parties, and (iii) other customary exceptions, and (b) a lien on certain of our accounts receivable, subject to a first priority lien in favor of Wells Fargo, which secure our Sponsor Facility Agreement.
