

**Item 2.02. Results of Operations and Financial Condition.**

On March 6, 2012, Metropolitan Health Networks, Inc. issued a press release announcing its results of operations for the quarter and year ended December 31, 2011. A copy of that press release is being furnished as Exhibit 99.1 to this Current Report on Form 8-K.

The information in Item 2.02 of this Current Report on Form 8-K, including Exhibit 99.1, is being furnished and shall not be deemed “filed” for the purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), or otherwise subject to the liabilities of that section, nor shall it be deemed incorporated by reference in any filing of the Company under the Securities Act of 1933, as amended, or the Exchange Act.

**Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

As previously disclosed, on January 17, 2012, upon the recommendation of the Compensation Committee, the Board of Directors increased the equity award amounts to be paid to certain of the Company’s senior executives in 2012, expressed as a percentage of their respective base salaries (the “Equity Percentage”), under the Company’s long-term incentive award program (the “LTI Program”). Under the LTI Program, the Company grants varying amounts of stock options and restricted shares of Common Stock (the “Equity Awards”) to executives and employees of the Company based on their respective Equity Percentages.

In March 2012, management recommended to the Compensation Committee the Equity Percentages to be approved for the Company’s non-executive employees for 2012 under the LTI Program (the “Management Recommendation”). The Management Recommendation provided for awards to be granted to more employees (namely Continucare employees) than was contemplated in January 2012, before the Company’s financial results for 2011 were known. In an effort to reward and continue to incentivize the Company’s employees without increasing the size of the equity incentive pool for 2012, each of the Company’s Chief Executive Officer, Chief Operating Officer and Chief Financial Officer offered to defer until 2013 a portion of the increase to his Equity Percentage approved in January 2012 (the “Executive Equity Percentage Revision”). On March 4, 2012, upon the recommendation of the Compensation Committee, the Board of Directors approved the Management Recommendation, including the offered Executive Equity Percentage Revision.

The following table sets forth the Equity Percentages originally approved for each of the Company’s Chief Executive Officer, Chief Operating Officer and Chief Financial Officer on January 17, 2012, as well as the revised Equity Percentages approved for such executives on March 4, 2012 as described above.

The 2012 Equity Awards were granted to the Company's executives and employees on March 4, 2012.
