**Item 4.01 Changes in Registrant's Certifying Accountant.**

On February 1, 2011, Miller Petroleum, Inc. dismissed Sherb & Co. LLP as our independent registered public accounting firm and engaged KPMG LLP as our independent registered public accounting firm. Sherb & Co. LLP audited our financial statements for our fiscal years ended April 30, 2010 and 2009. The dismissal of Sherb & Co. LLP was approved by our Board of Directors. Sherb & Co. LLP did not resign or decline to stand for re-election.

Sherb & Co., LLP had served as our independent registered public accounting firm since August 2008. Neither the report of Sherb & Co. LLP dated July 25, 2010 on our consolidated balance sheets as of April 30, 2010 and 2009 and the related consolidated statements of operations, changes in stockholders' equity (deficit), and cash flows for the years then ended, nor the report of Sherb & Co. LLP dated July 30, 2009 on our consolidated balance sheet as of April 30, 2009 and the related consolidated statements of operations, changes in stockholders' equity (deficit), and cash flows for the year then ended, contained an adverse opinion or a disclaimer of opinion, nor was either such report qualified or modified as to uncertainty, audit scope, or accounting principles.

During our two most recent fiscal years and the subsequent interim period preceding our decision to dismiss Sherb & Co. LLP we had no disagreements with the firm on any matter of accounting principles or practices, financial statement disclosure, or auditing scope of procedure which disagreement if not resolved to the satisfaction of Sherb & Co. LLP would have caused it to make reference to the subject matter of the disagreement in connection with its report.

During our two most recent fiscal years and the subsequent interim period prior to retaining KPMG LLP (1) neither we nor anyone on our behalf consulted KPMG LLP regarding (a) either the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on our financial statements or (b) any matter that was the subject of a disagreement or a reportable event as set forth in Item 304(a)(1)(iv) and (v), respectively, of Regulation S-K, and (2) KPMG LLP did not provide us with a written report or oral advice that they concluded was an important factor considered by us in reaching a decision as to accounting, auditing or financial reporting issue.

We provided Sherb & Co. LLP with a copy of this Current Report on Form 8-K prior to its filing with the Securities and Exchange Commission and requested that the firm furnish us with a letter addressed to the Securities and Exchange Commission stating whether they agree with the statements made in this Current Report on Form 8-K, and if not, stating the aspects with which they do not agree. A copy of the letter provided by Sherb & Co. LLP is filed as Exhibit 16.1 to this Current Report on Form 8-K.
