NORTHERN DYNASTY COMPLETES \$10 MILLION FINANCING

August 13, 2004, Vancouver, BC - Ronald W. Thiessen, President and CEO of Northern Dynasty Minerals Ltd. (TSX Venture: NDM; OTCBB: NDMLF) is pleased to announce that Northern Dynasty has completed the financing announced on June 16, 2004, comprising 2,816,902 units for gross proceeds of \$10 million. Each unit consists of one common share and a share purchase warrant exercisable to purchase an additional common share at \$4.15 for a one year period. The common shares in the units and the shares issuable on exercise of the warrants will be subject to a four-month resale restricted period.

In respect of the proposed adjustment of the exercise price of 1,375,000 previously issued warrants from \$9.00 to \$4.65 per share which was announced June 16, 2004, regulatory acceptance was received to re-price only 821,875 of these warrants which re-pricing has now been completed. The re-priced warrants will be subject to an accelerated expiry for 30 days after receiving notice from the Company, if the prevailing share trading price exceeds the revised warrant exercise price by 15% for 10 consecutive trading days or will otherwise expire on their original expiry date of March 16, 2005.

Proceeds from the placement will be directed towards the rapid advancement of the Company's large scale, Pebble gold-copper-molybdenum project, located in southwestern Alaska, USA.

For further details on Northern Dynasty Minerals Ltd., please visit the Northern Dynasty website at www.hdgold.com or contact Investor Services at (604) 684-6365 or within North America at 1-800-667-2114.

ON BEHALF OF THE BOARD OF DIRECTORS

/s/ Ronald W. Thiessen

No regulatory authority has approved or disapproved the information contained in this news release.

This release includes certain statements that may be deemed "forward-looking statements". All statements in this release, other than statements of historical facts, that address future production, reserve potential, exploration drilling, exploitation activities and events or developments that the Company expects are forward-looking statements. Although the Company believes the expectations expressed in such forward-looking statements are based on reasonable assumptions, such statements are not guarantees of future performance and actual results or developments may differ materially from those in the forward-looking statements. Factors that could cause actual results to differ materially from those in forward-looking statements include market prices, exploitation and exploration successes, continuing availability of capital and financing, and general economic, market or business conditions. Investors are cautioned that any such statements are not guarantees of future performance and that actual results or developments may differ materially from those projected in the forward-looking statements. For more information on the Company, Investors should review the Company's annual Form 20-F filing with the United States Securities Commission.
