The Reporting Person, in a manner consistent with their investment intent, is evaluating, and is engaged in discussions with one or more of the Other Stakeholders regarding, the Company Proposals. The Reporting Person and one or more of the Other Stakeholders may be deemed to constitute a “group,” which may cause each such person to be deemed to beneficially own all shares beneficially owned by each of the persons constituting such a group. The Reporting Person disclaims the existence of such a group and, except to the extent set forth above, disclaims beneficial ownership of shares of Common Stock, Warrants or other equity securities of the Company owned by any other person.

The Reporting Person is not obligated to take or refrain from taking any action with respect to any plans or proposals that the Reporting Person and/or the Other Stakeholders may evaluate, discuss or determine to pursue.

The Reporting Person reserves the right to revise their plans or intentions at any time and to take any and all action that they may deem appropriate to maximize the value of their investment in the Company in light of their general investment policies, market conditions, subsequent developments regarding or affecting the Company and the general business and future prospects of the Company.
