Explanatory Note Regarding Correction to Share Ownership Table in**Definitive Proxy Statement Filed March 17, 2014**

The sole purpose of this revision to the definitive proxy statement of Mettler-Toledo International Inc. filed March 17, 2014 (the “Proxy Statement”) is to correct an error in the presentation of the share ownership of Directors and Executive Officers on page 31 of the Proxy Statement.

The table in the “Share Ownership” section of the Proxy Statement, as it relates to Directors and Executive Officers, shows shares subject to *all* outstanding stock options. It should have shown such shares that are subject to stock options *exercisable* within 60 days of the record date, as described in footnote 2. As a result the table overstates each figure in the “Indirect Number,” “Total,” and “Percent” columns.

The table below displays the correct figures. The “Indirect Number” column displays the shares subject to stock options that are *exercisable* within 60 days of the record date for each individual and the “Total” and “Percent” columns reflect this change. No other changes are being made to the Proxy Statement.
