Item 8.01. Other Events

On November 9, 2006, ScanSource, Inc. (the "Company") filed with the Securities and Exchange Commission a Notification of Late Filing on Form 12b-25 with respect to its Quarterly Report on Form 10-Q for the quarter ended September 30, 2006 (the "Form 10-Q") reporting that it is unable to file the Form 10-Q by November 9, 2006, the prescribed due date.

As previously announced, the Company's Board of Directors has appointed a Special Committee, consisting entirely of independent directors, to conduct a review of the Company's stock option grant practices and related accounting issues from the time of its initial public offering in 1994 to the present. The Special Committee is assisted in its review by independent legal counsel and advisors. The review of the Special Committee is ongoing. The Company does not expect to be able to file the Form 10-Q until the review by the Special Committee is complete. The Company is voluntarily providing information to the Securities and Exchange Commission and the Department of Justice in connection with the Special Committee's review.

On November 8, 2006, the Company accepted the resignation, effective immediately of Jeffery A. Bryson, Executive Vice President, Administration & Investor Relations, as an officer and employee of the Company. Accordingly, his October 12, 2006 employment agreement has been terminated, except with respect to any provisions that, by their terms, relate to the period following termination by the employee. Prior to his resignation, Mr. Bryson's counsel had informed the Special Committee's independent legal counsel that Mr. Bryson declined to be interviewed by the independent legal counsel as a part of the Special Committee's review.

Also as of November 9, 2006, the Company obtained waivers for a period of ninety days under its Amended and Restated Credit Agreement dated as of July 16, 2004, as amended, with respect to the delivery of certain quarterly information and documentation to its lenders, to the extent impacted by the pending review of the Special Committee.

A copy of the Company's press release dated November 9, 2006 is attached hereto as Exhibit 99.1.
