**Item 8.01. Other Events**

Assurant, Inc. (the "Company") has estimated the reportable catastrophe losses incurred for the months of July, August and September 2011 to be in the range of \$80 million to \$85 million, pre-tax and net of reinsurance. Of this amount, \$65 million to \$70 million is related to Hurricane Irene. Reportable loss events for the third quarter included Hurricane Irene, Tropical Storm Lee and the wildfires in Texas. The principal causes of loss for these events were wind and water damage, followed by flood.

The estimate of reportable catastrophe losses includes only individual catastrophic events that generated losses to the Company in excess of \$5 million, pre-tax and net of reinsurance. Actual reportable catastrophe losses for the quarter will be reported in the third quarter 2011 earnings release scheduled for October 26, 2011 after 4:00 p.m. ET.

CAUTIONARY STATEMENT -- Some of the statements included in this Form 8-K, particularly estimated reportable catastrophe losses, are forward-looking statements within the meaning of the U.S. Private Securities Litigation Reform Act of 1995. Forward-looking statements are based on management's best estimates, assumptions and projections and are subject to significant uncertainties. Actual results may differ materially from those projected in the forward-looking statements. The Company undertakes no obligation to update any forward-looking statements in this Form 8-K as a result of new information or future events or developments. For a detailed discussion of the general risk factors that could affect the Company's results, please refer to the risk factors identified in the Company's annual and periodic reports, including but not limited to its 2010 Annual Report on Form 10-K, as filed with the U.S. Securities and Exchange Commission.
