INFORMATION ABOUT THE BOARD OF DIRECTORS

INDEPENDENCE AND MEETINGS

During the fiscal year ended December 31, 2012, the Board met or acted by unanimous written consent on four occasions. During the fiscal year ended December 31, 2012, each Board member attended 75% or more of the aggregate of the meetings of the Board and of the committees on which he served, held during the period for which he was a director or committee member, respectively.

Table of Contents

The Board does not have a formal policy with respect to Board members attendance at annual stockholder meetings, though it encourages directors to attend such meetings. None of the directors attended the 2012 annual meeting of shareholders.

The Board of Directors reviewed the independence of each of the Company's directors on the basis of the standards adopted by NASDAQ. During this review, the Board considered transactions and relationships between the Company, on the one hand, and each director, members of his or her immediate family, and other entities with which he or she is affiliated, on the other hand. The purpose of this review was to determine which of such transactions or relationships were inconsistent with a determination that the director is independent under the NASDAQ rules. As a result of this review, the Board of Directors affirmatively determined that each of the Company's directors, other than Haim Tsuff and Josef From are, and "independent directors" within the meaning of the NASDAQ rules.

BOARD LEADERSHIP STRUCTURE

Mr. Tsuff has served as Chief Executive Officer and Chairman since 1996. The Board of Directors believes that its current leadership structure, in which the positions of Chairman and Chief Executive Officer are held by Mr. Tsuff, is appropriate at this time and provides the most efficient and effective leadership for Isramco. Combining the chairman and chief executive officer roles fosters clear accountability, effective decision-making and alignment on corporate strategy. We believe that any risks inherent in that structure are balanced by the oversight of our Board of Directors, a majority of who are independent. Given Mr. Tsuff's past performance in the roles of Chairman of the Board and Chief Executive Officer, at this time the Board believes that combining the positions continues to be the appropriate leadership structure for our Company and does not impair our ability to continue to practice good corporate governance. The Board does have a lead independent director, Max Pridgeon. The Board of Directors believes that Mr. Tsuff's significant holdings in the Company is sufficient motivation to minimize excessive risk taking and aligns his interest in the best interest of the stockholders. The structure of Board also serves as oversight to all activities of the company. The Conflict Committee was specifically created to review all related company transactions. The Audit Committee reviews all claims and litigation each quarter as part of their quarterly review of financials.

Our Board recognizes that no single leadership model is right for all companies and at all times and that, depending on the circumstances, other leadership models, such as a separate independent chairperson of the board, might be appropriate and the Board reviews company and board structure annually.

GOVERNANCE, BOARD OF DIRECTORS AND BOARD COMMITTEE CHANGES

The Board of Directors has established five standing committees: the Audit Committee; the Compensation Committee; the Conflict Committee; the Nominating and Corporate Governance Committee; and the Independent Directors Committee.

BOARD OF DIRECTORS

The Board of Directors established guidelines requiring a majority of directors to be independent, as determined in accordance with the bylaws of the Company and applicable rules of the NASDAQ exchange. Under such standards, four of the six directors have been determined to be independent directors. Directors have also certified their belief that they meet such independence standards and that they will annually attend at least one Board meeting in person unless specifically excused by the Chairman of the Board. Directors may only serve on a maximum of two other boards subject to SEC reporting. Directors have participated in an initial orientation and continuing education thereafter.

THE LEAD INDEPENDENT DIRECTOR

In 2012 the Board of Directors first elected a “Lead Independent Director” as such term is defined in the Company’s bylaws and Nominating and Corporate Governance Committee Charter. In 2012, Max Pridgeon was elected to this position. The Lead Independent Director chairs the executive sessions of the Board and is the principle liaison between the independent directors and Chief Executive Officer. The Lead Independent Director also is responsible for or required to participate in timing and agenda for Board and Committee meetings, requesting for and providing information to the independent directors, receive reports from the Nominating and Governance Committee and evaluation, along with the Compensation Committee and the Board the performance of the Chief Executive Officer. The Lead Independent Director also serves as Chair of the newly formed Independent Director Committee.

Table of Contents

AUDIT COMMITTEE

The members of the Audit Committee are Max Pridgeon, Frans Sluiter and Asaf Yarkoni. The Board of Directors has determined that Mr. Pridgeon, Mr. Sluiter and Mr. Yarkoni met the independence criteria set out in Rule 5605(a)(2) of the NASDAQ Marketplace Rules. The Board determined that Mr. Yarkoni, the committee “financial expert” as defined by the rules of would qualify as an independent director and an audit committee financial expert if elected. The Audit Committee met five times in 2012.

THE NOMINATING AND CORPORATE GOVERNANCE COMMITTEE

The current members of the Nominating and Corporate Governance Committee are Max Pridgeon, Asaf Yarkoni and Haim Tsuff. The Nominating and Corporate Governance Committee met twice in 2012. By reason of Mr. Tsuff’s service on the Nominating Committee all of the members of the Nominating Committee were not independent directors within the meaning of the NASDAQ Rules. Rule 5615 of the NASDAQ rules allows a “Controlled Company” to have a nominating committee that does not consist solely of independent directors. The Company believes that it was a “Controlled Company” in 2012 and continues to be a “Controlled Company” within the meaning of the NASDAQ rules. This is because at all times during 2012, through the date of this Amendment, a majority of its shares are controlled by Haim Tsuff. The Company maintains a Nominating Committee that does not consist solely of independent directors in reliance upon Rule 5615.

The Nominating Committee considers many factors when evaluating candidates for the nomination to the Board of Directors, with the goal of fostering a Board of Directors comprised of directors with a variety of experience and backgrounds. Important factors considered as part of the Nominating Committee's evaluation include (without limitation) (i) roles and contributions valuable to the business community, (ii) personal qualities of leadership, character and judgment, and whether the candidate possesses and maintains throughout service on the Board a reputation in the community at large of integrity, trust, respect, competence and adherence to high ethical standards, (iii) relevant knowledge and diversity of Board members’ background and experience (iv) whether the candidate has the time required for preparation, participation and attendance at meetings, and (v) requirements relating to Board and Board committee composition under applicable law and NASDAQ listing standards. Depending upon the Company's then-current needs, certain factors may be weighed more or less heavily. In considering candidates for the Board of Directors, the Nominating Committee will consider the entirety of each candidate's credentials and does not have any specific minimum qualifications that must be met. However, the Nominating Committee does believe that all members of the Board of Directors should have the highest character and integrity and sufficient time to devote to Company matters.

In addition to considering candidates proposed by officers or other directors of the Company as candidates for nomination as a director, the Nominating Committee considers persons recommended by Stockholders. In evaluating candidates proposed by Stockholders the Nominating Committee uses the same selection criteria as it uses to evaluate other potential nominees. Recommendations should be submitted to the Secretary of the Company. Each recommendation should include a personal biography of the suggested candidate, an indication of the background or experience that qualifies such person for consideration, and a statement that such person has agreed to serve if nominated and elected. Stockholders who wish to nominate a person for election to the Board of Directors themselves, rather than recommending a candidate to the Nominating Committee for potential nomination by the Board of Directors, must comply with applicable law.

While the Nominating Committee does not have a formal policy with respect to diversity, the Board and the Committee believe that it is essential that Board members represent diverse business backgrounds and experience. A background in or experience with the oil & gas industry is desirable, but not a precondition to nomination. In considering candidates for the Board, the Nominating Committee considers the entirety of each candidate’s credentials

in the context of these standards. We believe that the backgrounds and qualifications of our directors, considered as a group, should and do provide a composite mix of experience, knowledge and abilities that will allow the Board of Directors to fulfill its responsibilities.

In addition the Nominating and Governance Committee reviews the advisability of a director's continued service on the Board when the director's principal occupation or business association changes, or when circumstances arise which may raise questions about the director's continuing qualifications in relation to the Board membership criteria referred to above. In addition, the Committee will:

Review the resignation of any director.

Review the Board's committee structure and recommend to the Board the appointment of committee members and chairs.

Define and articulate the Corporation's overall corporate governance structures, including the development and recommendation to the Board of Directors of the Isramco Corporate Governance Guidelines.

Table of Contents

Review Guidelines periodically, recommending changes as necessary to reflect sound governance practices.

Review the Corporation's position and practices on significant issues of corporate public responsibility such as protection of the environment, and philanthropic contributions.

CONFLICT COMMITTEE

The Conflict Committee consists of Asaf Yarkoni and Frans Sluiter, two independent directors. Although the Conflict Committee does not have a written charter, before any transaction between the Company and any officer or director or between the Company and any entity controlled by an officer or director, it must be submitted for approval by the Conflict Committee. The Conflict Committee, except as may be otherwise specified by the Board of Directors by unanimous written consent, all the power and authority of the Board of Directors in connection with approving and authorizing proposed transactions between the Company and any officer or director or entity controlled by any officer or director. In that role the Conflict Committee has reviewed and approved sales of affiliated company stock all affiliated company financing. The Conflict Committee met or acted by unanimous consent four times in 2012.

COMPENSATION COMMITTEE

The Compensation Committee consists of Max Pridgeon, Itai Ram and Joseph From and is responsible for reviewing the compensation arrangements in effect for the Company's executive officers. The Compensation Committee consists of Max Pridgeon, Itai Ram and Joseph From and is responsible for reviewing the compensation arrangements in effect for the Company's executive officers. The Compensation Committee met twice in 2012.

By reason of Joseph From service on the Compensation Committee, all of the members of the Compensation Committee are not independent directors within the meaning of the NASDAQ rules. Rule 5615 of the NASDAQ rules allows a "Controlled Company" to have a compensation committee that does not consist solely of independent directors. The Company believes that it was a "Controlled Company" in 2012 and continues to be a "Controlled Company" within the meaning of the NASDAQ rules. This is because at all times during 2010 through the date of this filing, a majority of its shares are controlled by Haim Tsuff. The Company maintains a Compensation Committee that does not consist solely of independent directors in reliance upon Rule 5615.

The Compensation Committee sets compensation policy and administers the Company's compensation programs for the purpose of attracting and retaining skilled executives who will promote the Company's business goals and build stockholder value. The Committee is also responsible for reviewing and making recommendations to the Board regarding all forms of compensation to be provided to the Company's named executive officers, including stock compensation and bonuses.

The Compensation Committee reviews and recommends to the Board for approval compensation arrangements for our executive officers, key employees and non-employee directors. The Compensation Committee recommends all incentive compensation awards, which are then subject to board review and approval. The Chief Executive Officer recommends to the Compensation Committee the goals, objectives and compensation for all executive officers and key employees, except himself, and responds to requests for information from the Compensation Committee. Our Chief Executive Officer has no role in approving his own compensation. The Compensation Committee periodically reviews and recommends the compensation of non-executive directors. The Compensation Committee does not delegate its authority and has the sole responsibility of retaining outside counsel or other consultants for the purpose of executing its mandate.

THE INDEPENDENT DIRECTOR COMMITTEE

The current members of the Independent Directors Committee are Max Pridgeon, Asaf Yarkoni, Frans Sluiter and Itai Ram. The Independent Director Committee met four times in 2012. The purpose of the Independent Director Committee is to serve as a disinterested body of the Board exercising oversight and independent judgment to recommend to the Board those measures the Committee reasonably believes to be in the long-term best interests of the Company with a view to protect the interests of both the Company and its shareholders with due regard to the interests of the minority shareholders of the Company. The Committee approved a written charter, which has been submitted to the full Board for approval.

Table of Contents

TRADING COMPLIANCE CONTROL COMMITTEE

The Board of Directors has a committee consisting of Edy F. Francis and Anthony James, both non-directors, as responsible for ensuring compliance with the Company's stock trading and market communication policy. This is not a committee of the board but a monitoring and reporting function to the Board.

CODE OF BUSINESS ETHICS AND CONDUCT

The Company has adopted a Code of Business Ethics and Conduct (the "Code of Conduct") that applies to all of its employees. A copy of the Code of Conduct was filed as an exhibit to the Company's Annual Report on Form 10-K for the year ended December 31, 2005. If the Company makes any substantive amendment to the Code of Conduct or grants any waiver from a provision of the Code of Conduct to any executive officer or director, the Company will promptly disclose the nature of the amendment or waiver.

STOCKHOLDER COMMUNICATIONS WITH THE BOARD OF DIRECTORS

Although the Company does not have formal procedures for Stockholder communication with the Board of Directors, Stockholders of the Company are encouraged to communicate directly with the members of the Board. Persons interested in communicating their concerns or issues to the independent directors may address correspondence to a particular director, or to the independent directors generally in care of the President, Chief Executive Officer and Chairman of the Board, Mr. Haim Tsuff. If no particular director is named, letters will be forwarded, depending on the subject matter, to the Chairman of the Audit Committee. Company personnel will not screen or edit such communications and will forward them directly to the intended member of the Board.

BOARD'S ROLE IN RISK OVERSIGHT

Management is responsible for the day-to-day management of risks the Company faces, while the Board of Directors, as a whole and through its committees, has the ultimate responsibility for the oversight of risk management. Senior officers attend meetings of the Board of Directors, provide presentations on operations, and are available to address any questions or concerns raised by the Board of Directors, its committees, or any individual director. Additionally, our Board committees are charged with assisting the Board of Directors in fulfilling its oversight responsibilities in certain areas of risk. The Audit Committee coordinates the Board of Directors' oversight of the Company's internal control over financial reporting, disclosure controls and procedures and code of conduct. Management regularly reports to the Audit Committee on these areas.

Item 13. Certain Relationships and Related Transactions, and Director Independence.

Loans:

In 2007 and 2008, the Company borrowed money from related parties in order to obtain the funds necessary to purchase the oil and gas properties in the transactions with Five States Energy (in 2007) and GFB Acquisition – 1, L.P and TransRepublic Resources (in 2008). Specifically:

A. In order to obtain the funds necessary to consummate the Company's February 2007 purchase of oil and gas properties from Five States Energy, the Company obtained loans totaling \$49 million from Naphtha Petroleum (and subsidiaries thereof) as below:

i) Pursuant to a Loan Agreement dated as of February 27, 2007 (the "First Naphtha Loan Agreement"), the Company obtained an \$18.5 million loan from Naphtha Petroleum. The loan bears interest at per annum rate equal to the LIBOR plus 5.5%, not to exceed 11% per annum. Interest is payable at the end of each loan year. Principal plus any accrued and unpaid interest was due and payable on February 26, 2014. Interest after the maturity date accrues at the per annum rate of London Inter-bank Offered Rate ("LIBOR") plus 12% until paid in full. The loan may be prepaid at any time, in whole or in part, without penalty or prepayment. In December 2007, the Company prepaid approximately \$13.9 million in respect of principal and interest for 2007 and we made additional payments aggregating approximately \$6.3 million in respect to principal and interest for 2008. No payments were made in 2009. Approximately \$138,000 in interest was paid in 2011. In 2012, the full remaining balance of approximately \$1 million was paid and the terms of the First Naphtha Loan Agreement were fully satisfied.

ii) Pursuant to a Loan Agreement dated as of February 27, 2007 (the "Second Naphtha Loan Agreement") the Company obtained an unsecured loan from Naphtha Petroleum in the original principal amount of \$11.5 million, payable at the end of seven years. Interest accrues at a rate of LIBOR plus 6%, per annum. The other material terms and conditions of the Second Naphtha Loan Agreement are identical to the terms of the First Naphtha Loan Agreement. Effective February 1, 2009, the Second Naphtha Loan Agreement was amended and restated to extend

the payment deadlines arising on and after February, 2009, by two years. Thereafter, by Agreement to Loan Agreements and Notes dated effective March 1, 2013, the Second Naphtha Loan Agreement, together with the underlying promissory note, was amended to extend its maturity date to December 31, 2018, and to provide a specific repayment schedule for accrued interest and outstanding principal. As of September 30, 2013, approximately \$11.5 million in principal remains outstanding.

iii) Pursuant to another Loan Agreement, also dated as of February 27, 2007, the Company obtained an unsecured loan from I.O.C. in the principal amount of \$12 million, repayable after five years (the "First I.O.C. Loan Agreement"). Interest on this loan accrues at LIBOR plus 6% per annum. There is no prepayment penalty. The original Maturity date on the loan was February 26, 2014. Effective February 1, 2009, the loan agreement was amended and restated to extend the payment deadlines arising on and after February, 2009, by two years. By Amendment to Loan Agreement and Notes dated effective March 1, 2013, the First I.O.C. Loan Agreement, together with four other I.O.C. Loan Agreements described herein and their respective underlying promissory notes, were amended to extend their maturity dates to December 31, 2018, and to provide a specific repayment schedule for accrued interest and outstanding principal. As of September 30, 2013, approximately \$12.0 million in principal remains outstanding under the First I.O.C. Loan Agreement.

iv) Pursuant to a Loan Agreement dated as of February 26, 2007, the Company obtained a loan from J.O.E.L. in the original principal amount of \$7.0 million bearing interest at the rate of 5.36% per annum. This loan was originally repayable at the end of three months. On July 2007, the Company and J.O.E.L. reached an agreement to revise the term of the Loan to seven years and to revise the interest rate to LIBOR plus 6% per annum. Under the revised terms, interest payable to J.O.E.L. was subject to and limited in all cases to the maximum legal rate of interest that may be paid under the laws of the State of Texas. The Company paid approximately \$840,000 in interest for 2008. In 2009, the Company paid J.O.E.L. \$7,701,491, being the entire outstanding principal balance of the loan and all accrued interest. Jakob Maimon, who was Isramco's President and a director at the time of this loan, was also a director of J.O.E.L. Haim Tsuff, Isramco's Chairman of the Board, Chief Executive Officer and President, is a controlling shareholder of J.O.E.L. As of December 31, 2009, this loan was fully paid.

B. In order to obtain the funds necessary to consummate the March 2008 purchase of oil and gas properties from GFB Acquisition – I, L.P. and TransRepublic Resources Ltd., the Company obtained loans from J.O.E.L., a related party, in the aggregate original principal amount of \$48.9 million. These loans were initially repayable at the end of 4 months and bore interest at a rate of LIBOR plus 1.25% per annum. On May 25, 2008, the Company and J.O.E.L. entered into an Amended and Restated Loan Agreement (the "J.O.E.L. Loan Agreement") that revised the terms of these loans and, among other things, extended the maturity date for an additional seven (7) years. Under the J.O.E.L. Loan Agreement, interest accrues at a rate equal to the LIBOR plus 6.0% per annum. Pursuant to the terms of the J.O.E.L. Loan Agreement, the loans remain unsecured and there is no prepayment penalty. Initially, principal and interest were due and payable in four equal annual installments, commencing on June 30, 2012. The J.O.E.L. Loan is unsecured except to the extent of any accounts of the Company held by J.O.E.L. which were not material in amount. By Amendment to Amended and Restated Loan Agreement and Note dated June 30, 2013, the J.O.E.L. Loan Agreement was amended to extend the maturity date to June 30, 2017, and to amend the repayment schedule of the J.O.E.L. Loan Agreement, together with the underlying promissory note, to require principal and accrued interest to be paid in three (3) installments due on June 30th of each year commencing June 30, 2015. The other terms of the loan agreement and note remained unchanged. As of September 30, 2013, approximately \$43.7 million remains outstanding. Haim Tsuff, Isramco's Chairman of the Board, Chief Executive Officer and President, is a controlling shareholder of J.O.E.L. and Jakob Maimon, a former president and director of Isramco, was a director of J.O.E.L.

C. In July 2009, the Company entered into a loan transaction with I.O.C., a related party, pursuant to which the Company borrowed \$6 million (the "Second I.O.C. Loan Agreement"). The funds provided under the Second I.O.C. Loan Agreement were used by Isramco Resources, LLC, as payment to Bank of Nova Scotia, as administrative agent, and Capital One, N.A., as a syndication agent, under a Senior Credit Agreement in order to reduce the outstanding balance below the borrowing base and avoid the imposition of additional interest under the terms of said Senior Credit Agreement. Amounts outstanding under the Second I.O.C. Loan Agreement bear interest at LIBOR plus 6.0%. The Second I.O.C. Loan matured in five years from its effective date, with accrued interest payable annually on each anniversary date of the loan. The Second I.O.C. Loan is unsecured and may be prepaid at any time without penalty. I.O.C. is fully owned by Naphtha Petroleum. Naphtha Petroleum is the sole shareholder of Naphtha

Holdings, and together Naphtha Petroleum and Naphtha Holdings are the record holders of approximately 60.85% of the Company's outstanding Common Stock. As noted herein, Naphtha Petroleum may be deemed to be controlled by Haim Tsuff, the Chairman of the Board, Chief Executive Officer and President of Isramco. By Amendment to Loan Agreement and Notes dated effective March 1, 2013, the Second I.O.C. Loan Agreement, together with four other I.O.C. Loan Agreements described herein and their respective underlying promissory notes, were amended to extend their maturity dates to December 31, 2018, and to provide a specific repayment schedule for accrued interest and outstanding principal. As of September 30, 2013, approximately \$6.0 million remains outstanding under the Second I.O.C. Loan Agreement.

By Amendment to Loan Agreement and Notes dated effective March 1, 2013, the Third I.O.C. Loan Agreement, together with four other I.O.C.
