The press release contains non-GAAP financial information relating to the operating income and net income of Delta Galil for the third quarter of 2005, a period in which the Registrant recorded expenses relating to reorganization and impairment of assets. The Registrant believes that providing these measures gives a more complete description of the operating performance of the Registrant in the third quarter of 2006, compared to the same period in the previous year. The Registrant's management uses this non-GAAP measure in evaluating the performance of its operations.
