PROXY STATEMENT

This proxy statement contains information relating to our 2013 Annual Meeting of Stockholders to be held at 10:00 a.m., local time, on 2nd day of May, 2013, at the Suncoast Hotel & Casino, 9090 Alta Drive, Las Vegas, Nevada 89145 and to any adjournments or postponements. This proxy statement and the enclosed form of proxy are first being mailed to stockholders on or about April 5, 2013.

IMPORTANT NOTICE REGARDING THE AVAILABILITY OF PROXY MATERIALS FOR THE STOCKHOLDER MEETING TO BE HELD ON MAY 2, 2013

This proxy statement, form of proxy and our annual report on Form 10-K are also available on our website at www.fullhouseresorsts.com.

ABOUT THE MEETING

What Is The Purpose Of The Annual Meeting?

At the annual meeting, stockholders will act upon the matters outlined in the accompanying notice of meeting, including:

the election of six directors,

the ratification of Piercy Bowler Taylor & Kern as our independent registered public accounting firm,

an advisory vote to approve named executive officer compensation,

an advisory vote on the frequency of the advisory vote to approve named executive officer compensation,

The stockholders also will transact any other business that properly comes before the meeting.

Who Is Entitled To Vote?

Only stockholders of record at the close of business on the record date, March 21, 2013, are entitled to receive notice of the annual meeting and to vote the shares of our common stock that they held on that date at the meeting, or any postponement or adjournment of the meeting. Each outstanding share of common stock entitles its holder to cast one vote on each matter to be voted upon.

Who Can Attend The Meeting?

All stockholders as of the record date, or their duly appointed proxies, may attend. Please note that if you hold shares in "street name," that is, through a broker or other nominee, you will need to bring a copy of a brokerage statement reflecting your stock ownership as of the record date. You will also need a photo ID to gain admission.

What Constitutes A Quorum?

The presence at the meeting, in person or by proxy, of the holders of 40% of the total number of shares of our common stock and preferred stock outstanding on the record date will constitute a quorum, permitting the meeting to conduct its business. As of the record date, 18,729,681 shares of our common stock were outstanding and held by approximately 115 stockholders of record. As of the record date, no shares of our preferred stock were outstanding. Proxies received but marked as abstentions and broker non-votes will be included in the calculation of the number of shares considered to be present at the meeting for purposes of determining a quorum.

If less than 40% of outstanding shares entitled to vote are represented at the meeting, a majority of the shares present at the meeting may adjourn the meeting to another date, time or place, and notice need not be given of the new date, time or place if the new date, time or place is announced at the meeting before an adjournment is taken.

How Do I Vote?

If you complete and properly sign the accompanying proxy card and return it to us, it will be voted as you direct. If you are a registered stockholder and you attend the meeting, you may deliver your completed proxy card in person. “Street name” stockholders who wish to vote at the meeting will need to obtain a proxy from the institution that holds their shares.

Prior to the annual meeting, we will select one or more inspectors of election. These inspectors will determine the number of shares of common stock represented at the meeting, the existence of a quorum, the validity of proxies and will count the ballots and votes and will determine and report the results to us.

May I Change My Vote After I Return My Proxy Card?

Yes. Even after you have submitted your proxy, you may change your vote at any time before the proxy is exercised by filing with our Secretary either a notice of revocation or a duly executed proxy bearing a later date. The powers of the proxy holders will be suspended if you attend the meeting in person and so request, although attendance at the meeting will not by itself revoke a previously granted proxy.

What Are The Board’s Recommendations?

The enclosed proxy is solicited on behalf of our board of directors. Unless you give other instructions on your proxy card, the persons named as proxy holders on the proxy card will vote in accordance with the recommendations of our board of directors. The recommendation of the board of directors is set forth with the description of each item in this proxy statement. In summary, the board of directors recommends a vote:

FOR the election of the nominated slate of directors (see pages 5-16).

FOR the ratification of Piercy Bowler Taylor & Kern as our independent auditors (see pages 17-18).

FOR the proposal regarding an advisory vote to approve named executive officer compensation (see page 19).

of EVERY ONE YEAR for the proposal regarding an advisory vote on the frequency of the advisory vote to approve named executive officer compensation (see page 20).

The board of directors does not know of any other matters that may be brought before the meeting nor does it foresee or have reason to believe that the proxy holders will have to vote for substitute or alternate board nominees. In the

event that any other matter should properly come before the meeting or any nominee is not available for election, the proxy holders will vote as recommended by the board of directors or, if no recommendation is given, in accordance with their best judgment.

What Vote Is Required To Approve Each Item?

Election of Directors. A plurality of the votes cast at the meeting is required for the election of directors. A properly executed proxy marked “WITHHOLD AUTHORITY” with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, although it will be counted for purposes of determining whether there is a quorum. Stockholders do not have the right to accumulate their votes for directors.

Ratification of Piercy Bowler Taylor & Kern. An affirmative vote of a majority of the votes cast at the meeting is required for the ratification of our independent registered public accounting firm.

Advisory vote to approve named executive officer compensation. An affirmative vote of a majority of the votes cast at the meeting is required for the approval of this advisory proposal.

Advisory vote on the frequency of the advisory vote to approve named executive officer compensation. The option that receives the greatest number of the votes cast shall determine the advisory frequency of voting by stockholders on the compensation of our named executive officers.

Other Items. For any other item which may properly come before the meeting, the affirmative vote of a majority of the votes cast at the meeting, either in person or by proxy, will be required for approval, unless otherwise required by law.

For the purpose of determining whether the stockholders have approved matters other than the election of directors under Delaware law, abstentions are treated as shares present or represented and voting, so abstaining has the same effect as a negative vote. Abstentions are counted for purposes of determining whether there is a quorum. If your shares are held by a broker on your behalf (that is, in “street name”), and you do not instruct the broker as to how to vote these shares on Proposal 1, Proposal 3 or Proposal 4, the broker may not exercise discretion to vote for or against those proposals. This would be a “broker non-vote” and these shares will not be counted as having been voted on the applicable proposal. With respect to Proposal 2, the broker may exercise its discretion to vote for or against that proposal in the absence of your instruction. Please instruct your bank or broker so your vote can be counted.

Who Pays For The Preparation Of The Proxy Statement?

We will pay the cost of preparing, assembling and mailing the proxy statement, notice of meeting and enclosed proxy card. In addition to the use of mail, our employees or authorized agents may solicit proxies personally and by telephone. Our employees will receive no compensation for soliciting proxies other than their regular salaries. We may request banks, brokers and other custodians, nominees and fiduciaries to forward copies of the proxy material to their principals and to request authority for the execution of proxies and we may reimburse those persons for their expenses incurred in connection with these activities. We will compensate only independent third party agents that are not affiliated with us but solicit proxies. At this time, we do not anticipate that we will be retaining a third party solicitation firm, but should we determine in the future that it is in our best interests to do so, we will retain a solicitation firm and pay for all costs and expenses associated with retaining this solicitation firm.

You should review the information provided in this proxy statement in conjunction with our 2012 Annual Report to Stockholders, which accompanies this proxy statement. Our principal executive offices are located at 4670 South Fort Apache Road, Suite 190, Las Vegas, Nevada 89147 and our telephone number is (702) 221-7800. A list of stockholders entitled to vote at the annual meeting will be available at our offices for a period of ten days prior to the meeting and at the meeting itself for examination by any stockholder.

Do I Have Dissenter's or Appraisal Rights?

You have no dissenter's or appraisal rights in connection with any of the proposals described herein.

Independent Directors

Under the corporate governance standards of the NASDAQ Stock Market LLC (“NASDAQ”) at least a majority of our board of directors and all of the members of our audit committee, compensation committee and the nominating committee must meet the test of independence as defined by the listing requirements of NASDAQ. Our board of directors, in the exercise of its reasonable business judgment, has determined that Mr. Adams, Dr. Braunlich, Mr. Iacocca, and Ms. Marshall qualify as independent directors pursuant to NASDAQ and SEC rules and regulations. In making the determination of independence, our board considered whether an independent director has a material relationship with us, either directly or as a partner or shareholder of an organization that has a relationship with us or any other relationships that, in our board’s judgment, would interfere with the director’s independence.

Meetings and Committees of the Board of Directors

Meetings. During fiscal year 2012, the board of directors held four regular meetings. Each of our directors attended at least 75% of the aggregate of the number of meetings of the board of directors which were held during the period such person served on the board of directors and the number of meetings of committees of the board of directors held during the period that such person served on such committee. We have no specific requirements regarding the attendance at the annual meeting of stockholders by our directors. In 2012, all of our directors except Mr. Iacocca attended the annual meeting of stockholders in person. Mr. Iacocca attended the annual meeting of stockholders by telephone conference.

We have four standing committees: the audit committee, the compensation committee, the nominating committee and the compliance committee.

Audit Committee

Our audit committee is comprised of three members, Mr. Adams, Dr. Braunlich and Ms. Marshall. Ms. Marshall serves as chair and financial expert on the audit committee. Our board has determined that Ms. Marshall is an audit committee financial expert as defined by the rules and regulations of the SEC. Our board of directors, in its reasonable judgment, has determined that each member of the audit committee is independent as defined under the applicable NASDAQ listing standards and federal law. Our audit committee held four meetings in 2012.

The audit committee's functions include overseeing and monitoring the activities of our financial reporting process, our systems of internal controls over financial reporting and the integrity of our financial statements, the independent auditors' qualifications, independence and performance, and to assist our board of directors in ensuring our compliance with legal and regulatory requirements in our financial reporting process. Our board of directors has adopted a written charter for the audit committee setting out the functions that it is to perform. The text of the charter is available on our website at www.fullhouserescorts.com.

Please refer to the audit committee report, which is set forth on page 17, for a further description of our audit committee's responsibilities and its recommendations with respect to our audited consolidated financial statements for the year ended December 31, 2012.

Compensation Committee

The compensation committee is comprised of two members, Dr. Braunlich and Ms. Marshall. Dr. Braunlich acts as chair of the compensation committee. Our board of directors, in its reasonable judgment, has determined that each member of the compensation committee is independent as defined under the applicable NASDAQ listing standards. Our compensation committee held five meetings in 2012.

The compensation committee's functions include reviewing and making recommendations to the board of directors regarding all forms of compensation to be provided to our executive officers and directors. Our board of directors has adopted a written charter for the compensation committee setting out the functions that it is to perform and has recently amended the charter. The text of the charter is available on our website at www.fullhouserescorts.com.

Management provides recommendations to the committee on the amount and type of executive compensation as well as individual performance objectives for bonuses and incentive compensation, and the committee reviews these recommendations along with the performance of the Company as a whole and information previously provided by an executive employment consultant to formulate the committee's recommendations to the board of directors. The

compensation committee determines the fulfillment of the individual performance objectives, which are based on specific growth goals consistent with the annual business plan, and recommends individual bonus and incentive compensation amounts to the board of directors.

In 2010, the compensation committee engaged HVS Executive Search (“HVS”) to assess the competitiveness of executive compensation. HVS reviewed and provided recommendations regarding base salary, short-term and long-term incentives and other compensation of our named executive officers. HVS identified seven small cap casino companies as a competitive peer group and reviewed comparable data for corresponding positions. To maintain external competitiveness, HVS recommended that we increase the number of shares available for awards under our incentive compensation plan. In 2011, our stockholders approved an amendment to the plan which increased the shares of common stock available under the plan by 800,000 to a total of 2,000,000. Consistent with HVS’s recommendation, we awarded a total of 650,000 shares of restricted stock grants to our named executive officers in June, 2011.

Nominating Committee

The nominating committee is comprised of three members, Mr. Adams, Dr. Braunlich and Ms. Marshall. Dr. Braunlich acts as chair of the nominating committee. The nominating committee held one meeting in 2012.

Our board of directors has adopted a written charter for the nominating committee setting out the functions that it is to perform. The text of the charter is available on our website at www.fullhouseresorsts.com.

Our nominating committee's functions include assisting our board of directors with respect to nominating new directors. To fulfill its responsibilities and duties, the nominating committee, among other things;

determines periodically, as appropriate, desired board qualifications, expertise and characteristics, including such factors as business experience and skills and knowledge with respect to gaming, finance, marketing, financial reporting, regulatory and any other areas as may be expected to contribute to an effective board;

determines periodically, as appropriate, whether there are any specific, minimum qualifications that the nominating committee believes must be met by a nominee approved by the nominating committee for a position on the board and whether there are any specific qualities or skills that the nominating committee believes are necessary for one or more directors to possess;

conducts searches for potential board members with corresponding attributes as needed;

evaluates, proposes and approves nominees for election or appointment to the board; and

considers, evaluates and, as applicable, proposes and approves, stockholder nominees for election to the board.

The nominating committee considers all qualified candidates regardless of age, race, gender, national origin or religion.

The nominating committee will consider stockholder recommendations for director candidates and will do so in the same manner that it considers all director candidates. There are no specific, minimum qualifications that must be met by a director nominee recommended by a stockholder except as provided for by applicable law. A stockholder wishing to recommend a prospective director nominee for consideration should send notice to Full House Resorts, Inc., Attention: Nominating Committee c/o Secretary, 4670 Fort Apache Road, Suite 190, Las Vegas, Nevada 89147. To be included in our proxy for our next annual meeting, the notice of recommendation must be made in writing and received by our Secretary by December 7, 2013. Although the nominating committee's charter permits the committee to engage a search firm to identify director candidates, we did not pay any third parties a fee to assist in the process of identifying or evaluating director candidates in 2012.

Compliance Committee

The compliance committee is comprised of four members, Mr. Adams, Dr. Braunlich, Ms. Marshall and Mr. Miller. Mr. Adams acts as chair of the regulatory compliance committee. The regulatory compliance committee's functions include reviewing and making recommendations to the board of directors regarding compliance with gaming laws and regulations. The regulatory compliance committee held five meetings in 2012.

The compliance committee meets quarterly to review the items determined by the Nevada, Indiana and Mississippi Gaming Control Boards to be of sufficient material interest to warrant review by a committee of the board. During

2012, the committee met quarterly and reviewed reports from our Compliance Officer. The compliance committee found no material violations of or deviations from appropriate regulatory controls, and events of regulatory interest were appropriately addressed with no gaming regulatory agency action.

Board of Directors Leadership Structure

We are led by Mr. Andre M. Hilliou, who has served as Chief Executive Officer since 2004 and as Chairman of the Board since 2009. In 2009, we named Dr. Carl Braunlich as Vice Chairman of the Board. Dr. Braunlich serves as our lead independent director. As Vice Chairman, the lead independent director serves in the place of the Chairman in any matter in which the Chairman is excused or does not appear. In addition, he calls and presides over meetings of the independent directors, which are held periodically throughout the year, most recently on February 1, 2013. During 2012, the independent directors met four times in conjunction with our regular board of director meetings. All of our board committees are comprised only of independent directors except for our compliance committee which includes Mr. Miller, our Chief Operating Officer. Each committee is chaired by an independent director. In May 2009, we appointed Mr. Miller to be Chief Operating Officer. This will ensure adequate focus is given to operational management and provide us adequate resources to pursue future growth initiatives.

Our audit committee is responsible for reviewing and assessing financial risk to the Company. The audit committee is comprised of three independent directors and meets at least quarterly. In addition, we maintain a compliance committee, comprised of three independent directors and one management director, which is responsible for the oversight and review of all matters of gaming regulatory import. We believe that these two committees provide us with proper risk oversight.

Our board leadership structure is commonly utilized by other public companies in the United States of comparable size and scope. We believe that this leadership structure has been effective for us. We believe that an independent Vice Chairman and only independent directors serving on our board committees (other than the compliance committee) provide a balance with a combined Chairman and Chief Executive Officer. With experienced and participating independent directors, we believe we have the proper leadership structure.

Code of Conduct and Ethics

Our board of directors has adopted a code of conduct and ethics applicable to each of our directors, officers and employees. In addition, our board of directors has adopted a separate code of ethics applicable to the Chief Executive Officer and senior financial officers. The full text of the code of conduct and ethics and the code of ethics are available on our website at www.fullhouserescorts.com.

Compensation Committee Interlocks and Insider Participation

No executive of Full House Resorts is also a member of a compensation committee for a company whose executive officers are on the board of Full House Resorts.

Communications with the Board of Directors

Our board of directors believes it important that interested parties have the opportunity to communicate their concerns directly to our board of directors. Stockholders may contact or communicate with an individual director or our board of directors as a group, including the non-employee directors as a group, by addressing a letter to Full House Resorts, Inc., Attention: Board of Directors c/o Company Secretary, 4670 Fort Apache Road, Suite 190, Las Vegas, Nevada 89147. Each communication should specify the applicable addressee or addressees to be contacted. The Secretary will forward communications intended for the board of directors to the chairman, or, if intended for an individual director, to that director.

EXECUTIVE COMPENSATION

In accordance with the SEC's proxy disclosure rules, "total compensation" in 2012 is defined as the sum of the following:

Salary: Base salary paid during 2012.

Bonus: Non-performance based awards (i.e., guarantees, sign on, retention bonuses).

Stock Awards: Restricted stock (including dividends earned on outstanding restricted shares that are not part of FAS 123(R) value) dollar amounts reflect the grant date accounting fair value calculated pursuant to the guidance set forth under FAS 123(R), as presented in our Annual Report on Form 10-K.

Non-Equity Incentive Awards: Short and long-term performance based awards, reflecting only annual incentives for 2012.

All Other Compensation: All other compensation not captured elsewhere in the Summary Executive Compensation Table. We have reported these amounts, even if the value of an individual item is less than \$10,000.

Summary Executive Compensation Table

The following table summarizes the "total compensation" of our Chief Executive Officer, and our two highest paid executives other than our Chief Executive Officer, or, collectively, the named executive officers, for the fiscal year ended December 31, 2012.

The amounts shown in this column represent the aggregate grant date fair value of restricted stock calculated pursuant to the guidance set forth under FAS 123(R) for the year ended related to restricted stock awards granted in (1) and prior to 2012 pursuant to our various share-based payment plans, and include amounts from awards.

Assumptions used in the calculation of these amounts are included in Note 12 to our consolidated financial statements included in our Annual Report on Form 10-K for the year ended December 31, 2012.

The amount shown in this column for each named executive officer is the attributable performance-based bonus (2) granted under the 2006 Incentive Compensation Plan. These amounts correspond to the year in which they were earned.

(3) The amounts shown in this column represent incidental expenses relating to maintaining an office for Mr. Hilliou separate from the Company's headquarters.

During 2012, the compensation committee approved and the executive officers were paid the salaries, incentive compensation, and restricted stock awards reported in the above table, which were determined to be at the low end of executive compensation for equivalent positions for companies of similar size and status, based upon the 2010 HVS study. The 2010 HVS study is still relied upon by the compensation committee, as no substantial changes have been made in base compensation or in incentive compensation to our executive officers.

Employment Agreements

On April 20, 2007, we entered into an employment agreement with each of Mr. Hilliou and Mr. Miller. On July 17, 2007, the Company and Mr. Hilliou and Mr. Miller amended their agreements. On December 7, 2012, we entered into an employment agreement with Ms. Pierce. The term of each of these agreements is two years (one year for Ms. Pierce), with automatic successive renewals unless either we or the relevant executive provides notice of termination at least 90 days prior to the end of the then current term. The agreements set an initial annual base salary of \$250,000 for each of Mr. Hilliou, Mr. Miller and Ms. Pierce, in each case subject to increase by our board of directors (or CEO with respect to Ms. Pierce) at the beginning of each calendar year. Both Mr. Hilliou and Mr. Miller have a current annual base salary of \$322,362. With respect to bonuses, and subject to the executive's achievement of certain annual objectives established by our compensation committee, (i) Mr. Hilliou is eligible to receive an annual incentive bonus equal to up to 200% of his base salary, (ii) Mr. Miller is eligible to receive an annual incentive bonus equal to up to 100% of his base salary, and (iii) Ms. Pierce is eligible to receive annual bonus in accordance with our Amended and Restated 2006 Incentive Compensation Plan. In addition to the shares of restricted stock previously granted to each executive, each executive may receive additional grants as determined by our compensation committee. In the event of termination of any of these employment agreements upon the death of the executive or by us because of illness or incapacity of the executive that continues for 90 days, in addition to all amounts owed through the date of termination, we shall pay to the executive an amount equal to his or her prior year's annual bonus pro-rated through the date of termination. In the event the agreement is terminated by us for "cause", or by the executive without "good reason", we shall only be obligated to pay the executive all base salary and benefits accrued through the date of termination and the executive shall forfeit any unvested shares of restricted stock. In the event the agreement is terminated by us without "cause" or by the executive for "good reason", in addition to amounts owed through the date of termination, we shall:

Continue to pay the executive's base salary for a period of six months plus an additional one month of base salary for each year of employment (up to a maximum of 12 months base salary),

Pay an annual bonus for the year of termination equal to the average annual bonus for the executive for the previous two years (one year for Ms. Pierce), pro-rated through the date of termination (subject to a minimum of 50%), and

Continue, at our expense, all of the executive's health, dental and other insurance benefits until the earlier of the end of the term or the date the executive becomes subsequently employed.

For purposes of the employment agreements, "cause" means (1) the executive's material fraud, dishonesty, willful misconduct, or willful and continuing failure in the performance of his or her duties under the employment agreement; (2) the executive's breach of any material provision of the employment agreement which has not been cured within 30

days following the notice thereof, or (3) the commission by the executive of any felony criminal act or the commission of any crime involving fraud, dishonesty or moral corruptness, including denial or removal of the executive's licensing from any governmental gaming agency or licensing authority. For purposes of the employment agreements "good reason" means (1) our failure to comply with any material provision of the employment agreement which has not been cured within 30 days following the notice thereof, or (2) our direction to the executive to do, perform, or omit to perform any act, or the executive's knowledge of such acts or omissions performed by our other employees without appropriate redress, which acts or omissions are known to be fraudulent, illegal or could otherwise materially impact negatively upon the executive's personal and professional reputation.

On November 12, 2012, we canceled the employment agreement with Mr. Elam. Mr. Elam continues as an at-will employee. In connection with the cancellation of Mr. Elam's employment agreement, we agreed that his base salary would remain the same, there would be no further bonus payments for the 2012 year, and Mr. Elam's bonus for 2013 would be a maximum of 50% of his base salary.

Change of Control Provisions

Each of the employment agreements provides that upon a change of control, the executive may terminate his or her employment agreement only if the change of control materially affects the executive's position and compensation under the agreement. To the extent any executive so terminates his or her agreement, or in the event the executive is not retained under contract following a change of control:

We will pay to the executive a cash payment equal to the greater of (a) one year's base salary or in the case of Mr. Hilliou two year's base salary and (b) the remaining base salary due under the agreement;

We will pay to the executive a cash payment equal to his or her average annual bonuses paid under the employment agreement for the three (one for Ms. Pierce) prior years (or the average of the annual bonuses paid to date, if the term of employment is less than three years); and

All unvested shares or other stock-based grants awarded pursuant to our 2006 Incentive Compensation Plan or other benefit plan will accelerate and vest upon the date of the change of control.

For purposes of the employment agreements, a "change of control" means (1) a person, entity or group acquires beneficial ownership of 50% or more of our then outstanding voting securities, (2) individuals who constitute our board as of April 17, 2007 (December 7, 2012 for Ms. Pierce) and directors whose nominations are approved by a majority of such incumbent board members cease to constitute a majority of our board of directors, or (3) approval by our stockholders of (A) a business combination in which our stockholders prior to the transaction do not own at least 50% of the combined voting power of the voting securities of combined business and at least a majority of our incumbent board comprises a majority of the board of the combined business, (B) a liquidation or dissolution of our company, or (C) a sale of all or substantially all of our assets.

The following describes the amounts payable upon termination of employment of the named executive officers Mr. Hilliou and Mr. Miller as if such employment terminated on December 31, 2012. We have no similar payment obligations upon the termination of employment of Mr. Elam.

2006 Incentive Compensation Plan

On May 29, 2006, our stockholders approved our 2006 Incentive Compensation Plan. The plan is administered by our compensation committee. In consideration of their services, officers, directors, employees and consultants of us or a related entity are eligible to receive a variety of awards under the plan, including, incentive stock options, nonqualified stock options, stock appreciation rights, restricted stock, deferred stock, dividend equivalents, bonus stock and performance awards. On April 26, 2011, our stockholders approved our Amended and Restated 2006 Incentive Compensation Plan which increased the shares of common stock available under the plan by 800,000 to 2,000,000.

Restricted Stock

Upon stockholder approval of our 2006 Incentive Compensation Plan in May 2006, we granted 275,000 shares of restricted stock to Andre Hilliou and 35,000 shares of restricted stock to T. Wesley Elam. On April 26, 2011, our stockholders approved an additional 800,000 shares of common stock to be available under the 2006 Incentive Compensation Plan. On June 1, 2011, we granted 300,000 shares of restricted stock to each of Andre Hilliou and Mark Miller, with both grants vesting on June 1, 2013. We also granted 50,000 shares of restricted stock to T. Wesley Elam, vesting in equal annual installments beginning on June 1, 2012. As of the record date, there are 158,000 shares of common stock available for future issuance under the plan.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” THE RATIFICATION OF PIERCY BOWLER TAYLOR & KERN AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE YEAR ENDING DECEMBER 31, 2013.

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM MATTERS

Independent Auditors

Piercy Bowler Taylor & Kern audited our annual consolidated financial statements for the years ended December 31, 2012 and 2011. Representatives of Piercy Bowler Taylor & Kern are not expected to attend the annual meeting.

During fiscal years 2012 and 2011, we retained Piercy Bowler Taylor & Kern to provide services in the following categories and amounts:

Audit Related Fees

Audit related fees were \$30,000 and \$20,000 for 2012 and 2011, respectively. Fees in 2012 and 2011 relate primarily to Nevada and Mississippi Gaming Commission regulatory reporting.

Tax Fees

We did not engage Piercy Bowler Taylor & Kern for any tax related professional services for the fiscal years ended December 31, 2012 or 2011.

All Other Fees

Other services fees were \$1,400 and \$8,920 for 2012 and 2011, respectively.

Pre-Approval Policies and Procedures

The audit committee's policy is to review and pre-approve any engagement of our independent auditor to provide any audit or permissible non-audit service to us. All of the services provided by our independent auditors were approved by our audit committee and the audit committee believes that the provision of these services is consistent with maintaining the accountants' independence.

Audit Committee Report

The following report of the audit committee does not constitute soliciting material and should not be deemed filed or incorporated by reference into any of our filings under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent that we specifically incorporate such report by reference.

The audit committee oversees Full House Resorts, Inc.'s financial reporting process. Management has the primary responsibility for the financial statements and the financial reporting process including the system of internal controls.

In fulfilling our oversight responsibilities, we reviewed and discussed the financial statements with management. In addition, we discussed with the independent auditors matters deemed significant by the independent auditors, including those matters required to be discussed pursuant to Statement on Auditing Standards No. 61 (Communication with Audit Committees), as amended. The audit committee met at the end of each quarter with management and the independent auditors where we reviewed and approved the quarterly and annual filings.

The independent auditors also provided us with the written disclosures and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees). We discussed with the independent auditors matters relating to their independence and considered whether their provision of non-audit services is compatible with maintaining their independence.

Based on our review with management and the independent auditors of Full House Resorts, Inc.'s audited consolidated financial statements and the independent auditors' report on such financial statements, and based on the discussions and written disclosures described above and our business judgment, we recommended that the audited consolidated financial statements be included in Full House Resorts, Inc.'s Annual Report on Form 10-K for the year ended December 31, 2012 for filing with the SEC.

PROPOSAL THREE: ADVISORY VOTE TO APPROVE NAMED

EXECUTIVE OFFICER COMPENSATION

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010, which enacted Section 14A of the Securities Exchange Act of 1934, requires that our stockholders have the opportunity to cast a non-binding advisory vote regarding the approval of the compensation of our named executive officers as disclosed in this proxy statement in accordance with the SEC's rules.

Our executive compensation is described above under the heading "Executive Compensation." Our executive compensation programs are designed to attract, motivate, and retain our executive officers, who are critical to our success. Please read the section of this proxy statement titled "Executive Compensation" for additional details about our executive compensation programs, including information about the fiscal 2012 compensation of our named executive officers.

As described in Proposal 1 - Election of Directors, our compensation committee reviews and makes recommendations to the board of directors regarding all forms of compensation to be provided to our executive officers and directors. Management provides recommendations to the compensation committee on the amount and type of executive compensation as well as individual performance objectives for bonuses and incentive compensation, and the committee reviews these recommendations along with information previously provided by an executive employment consultant to formulate the committee's recommendations to the board of directors. The compensation committee determines the fulfillment of the individual performance objectives and recommends individual bonus and incentive compensation amounts to the board of directors.

We are asking our stockholders to indicate their support for our named executive officer compensation as described in this proxy statement. This proposal, commonly known as a "say-on-pay" proposal, gives our stockholders the opportunity to express their views on our named executive officers' compensation by voting for or against the following resolution (or by abstaining with respect to the resolution):

RESOLVED, that the compensation paid to the Company's named executive officers, as disclosed in this proxy statement pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the Summary Compensation Table, other executive compensation tables and related narrative disclosures is hereby **APPROVED**.

The say-on-pay vote is advisory, and therefore not binding on us, the compensation committee or our board of directors. However, the compensation committee and our board of directors value the opinions expressed by stockholders in their vote on this proposal and will consider the outcome of the vote when making future compensation decisions for named executive officers.

The approval of this proposal requires the number of votes cast in favor of this proposal to exceed the number of votes cast in opposition to this proposal.

Our board of directors recommends that you vote **“FOR”** the resolution approving the compensation of our named executive officers as disclosed in the section titled “Executive Compensation” of this proxy statement.

19

PROPOSAL 4: ADVISORY VOTE TO DETERMINE FREQUENCY OF VOTING TO APPROVE NAMED EXECUTIVE OFFICER COMPENSATION

Stockholders are being asked to indicate how frequently we should hold future stockholder advisory votes to approve named executive officer compensation. By voting on this proposal, stockholders may indicate whether they would prefer a stockholder advisory vote to approve named executive officer compensation every one year, two years or three years. Stockholders also must be given the opportunity, at least once every six years, to have a separate vote to re-determine the frequency of the say-on-pay vote.

After careful consideration, the board of directors and compensation committee have decided to recommend that stockholders vote in favor of holding a stockholder advisory vote on executive compensation annually. The board of directors and compensation committee have determined that an annual advisory vote on executive compensation is the most appropriate policy for the Company at this time because it allows stockholders to provide direct input on our policies and practices for compensation of our named executive officers every year.

This vote is advisory and is not binding on us, the board of directors or the compensation committee. We recognize that stockholders may have different views as to what is an appropriate frequency for advisory votes on executive compensation, and we look forward to hearing from our stockholders as to their preferences. The board of directors and the compensation committee will carefully consider the outcome of the vote; however, when considering the frequency of future advisory votes on executive compensation, the board of directors may decide that it is in the Company's best interests and in the best interests of our stockholders to hold an advisory vote on executive compensation more or less frequently than the frequency receiving the most votes cast by our stockholders.

Stockholders may cast a vote on the preferred voting frequency of the say-on-pay vote by selecting the option of one year, two years, three years or abstaining from the vote. The frequency—one year, two years or three years—that receives the greatest number of votes cast shall determine the advisory frequency of voting by stockholders on the compensation of our named executive officers.

Our board of directors recommends a vote for **"ONE YEAR"** for the frequency of the say-on-pay vote.

GENERAL INFORMATION

Other Matters. Our board of directors does not intend to present any matter for action at the annual meeting other than the matters described in this proxy statement. If any other matters properly come before the annual meeting, it is intended that the holders of the proxies hereby solicited will act in respect to such matters in accordance with their best judgment.
