Exhibit No. 1

Dear Sirs

**Hanson PLC - DIRECTORS' SHARE INTERESTS**

The 2004 conditional award under the Hanson long term incentive plan ("LTIP") has been made on March 1, 2004, to approximately 270 senior executives of Hanson PLC, including the Directors listed below:

<u>Director</u>	Maximum conditional number <u>of ordinary shares of 10p</u> <u>each</u>
A J Murray	204,732
G Dransfield	70,974
J C Nicholls	88,718

Conditional option grants over Hanson ordinary shares at a subscription price of 439.6p per share (being the five day average closing share price over the period February 23 - February 27, 2004) under the share option plan have also been made on March 1, 2004, to approximately 20 senior executives of Hanson PLC, including the Directors listed below:-

<u>Director</u>	Number of ordinary shares of 10p each <u>under option</u>
A J Murray	170,610
G Dransfield	70,974
J C Nicholls	88,718

The vesting of both the conditional awards under the LTIP and right to exercise options granted under the share option plan are subject to the satisfaction of performance measurements.

As for the awards made in 2001, 2002 and 2003, the Remuneration Committee of the Board of Hanson has decided that 50% of the conditional award of shares under the LTIP and 50% of the conditional options granted under the share option plan will be subject to attainment of an economic value added target and 50% will be subject to a Total Shareholder Return ("TSR") target.

The economic value added target is based on an improvement in economic value added over a period of three years based on the results for the year to December 31, 2003.

For the economic value added measurement, a linear vesting schedule will apply in order that only a small proportion of the conditional award or option grant subject to this measurement will vest or be capable of being exercised, as the

case may be, at the minimum acceptable performance level with maximum entitlement only arising on the achievement of substantial performance improvement.

For the TSR measurement the Company must achieve a TSR (the average share price adjusted for the reinvestment of dividends) over a three year performance period which is greater than the TSR achieved by at least 50% of the members of an international peer group of companies. If so 30% of the conditional award subject to TSR measurement will vest. All of the conditional award subject to TSR measurement will vest if the Company achieves a TSR over the performance period which is greater than that achieved by 80% of the comparator group over the same period. Between these two points the award will vest in the proportion of 2.33% of the award for each 1% improvement in the Company's ranking.

Yours faithfully
