Pearson plc - (the "Company")
Notification of Directors' and PDMRs' Interests

Long-Term Incentive Plan

In 2001, the Company established the Pearson Long-Term Incentive Plan (the "LTIP"). Its purpose is to link management's long-term reward with Pearson's financial performance and returns to shareholders. Since 2006, the annual LTIP awards have been based around three performance measures: relative total shareholder return, return on invested capital and earnings per share growth. The LTIP was renewed and approved by shareholders in 2011. The operation of the LTIP is governed by the remuneration policy approved by shareholders at the Annual General Meeting on 25 April 2014.

2015 Award

On 1 May 2015, the Company made a grant of performance-related restricted shares to executive directors and other members of the Pearson Executive under the LTIP. This represents the company's annual grant of long-term incentives to executive directors and other members of the Pearson Executive for 2015.

The awards will vest on 1 May 2018 as follows:

- a) one-half of the award will be based on Pearson's growth in earnings per share over the period 1 January 2015 to 31 December 2017;
- b) one-third of the award will be based on Pearson's return on invested capital in 2017; and
- c) one-sixth of the award will be based on Pearson's total shareholder return performance relative to the constituents of the FTSE World Media Index over the three-year period 1 January 2015 to 31 December 2017

Subject to meeting the performance conditions in full, and the retention of shares that vest on 1 May 2018 for a further two years, the maximum number of shares that John Fallon, CEO, may receive is: 230,000. Robin Freestone, CFO, did not receive an award of shares for the 2015 grant as he is due to step down in the year. His replacement, Coram Williams, will receive an award commensurate with his position on commencement of his employment. A separate RNS announcement with further details will be released at that time.

The awards are consistent with the remuneration policy approved by shareholders at the Annual General Meeting on 25 April 2014 and were made on the following basis:

Name	Title	Restricted shares awarded	Share price on date of award	Face value on date of award	
				£	% of base salary at date of award
John Fallon	CEO	230,000	1,337.00p	£3,075,100	394%
Robin Freestone	CFO	0	NA	NA	NA

Subject to meeting the performance conditions in full, and the retention of shares that vest on 1 May 2018 for a further two years, the maximum number of shares that the other members of the Pearson Executive may receive is as follows:

Name	Title	Restricted shares awarded
Tim Bozik	President, Higher Education	117,000
