Legal Information

The combination of KLM and Air France will be implemented through an exchange offer made by Air France to all shareholders of KLM. This document is neither an offer to purchase nor a solicitation of an offer to sell shares of KLM. Any offer in the United States will only be made through a prospectus which is part of a registration statement on Form F-4 filed with the U.S. Securities and Exchange Commission (the SEC). KLM shareholders who are U.S. persons or are located in the United States are urged to carefully review the registration statement on Form F-4 and the prospectus included therein, the prospectus, the Schedule TO and other documents relating to the offer that will be filed by Air France with the SEC because these documents contain important information relating to the offer. You are also urged to read the related solicitation/recommendation statement on Schedule 14D-9 that will be filed with the SEC by KLM regarding the offer. You may obtain a free copy of these documents after they are filed with the SEC and other documents filed by Air France and KLM with the SEC at the SEC's web site at www.sec.gov. Once such documents are filed with the SEC, you will also be able to inspect and copy the registration statement on Form F-4, as well as any documents incorporated by reference therein, the Schedule TO and the Schedule 14D-9 at the public reference room maintained by the SEC at 450 Fifth Street, NW, Washington, D.C. 20549. Please call the SEC at 1-800-SEC-0330 for further information about the public reference room. These documents may also be obtained free of charge by contacting Air France, Investor Relations, 45, rue de Paris, 95747 Roissy CDG Cedex, France. Attention: Investor Relations (tel: +31 20 64 93099). **YOU SHOULD READ THE PROSPECTUS AND THE SCHEDULE 14D-9 CAREFULLY BEFORE MAKING A DECISION CONCERNING THE OFFER.**

Forward-Looking Statements

The information herein contains, and the Air France, KLM and their representatives may make, forward-looking statements either orally or in writing, about Air France, KLM and their businesses. These forward-looking statements, which include, but are not limited to, statements concerning the financial condition, results of operations and businesses of Air France and KLM and the benefits expected to result from the contemplated transaction, are based on management's current expectations and estimates.

Edgar Filing: KLM ROYAL DUTCH AIRLINES - Form 425

These forward-looking statements involve known and unknown risks, uncertainties and other factors, many of which are outside of Air France or KLM's control and are difficult to predict, that may cause actual results to differ materially from any future results expressed or implied from the forward-looking statements. These statements are not guarantees of future performance and involve risks and uncertainties including, among others: the risk that the conditions relating to the required minimum tender of shares might not be satisfied; failure by Air France and KLM shareholders to approve the planned corporate reorganizations; inability to obtain, or meet the conditions imposed for, regulatory approvals in a timely manner or at all; the risk that the businesses of Air France and KLM will not be integrated successfully and the the expected synergies and cost savings will not be achieved; unanticipated expenditures; changing relationships with customers, suppliers and strategic partners; and other economic, business, competitive and/or regulatory factors affecting the businesses of Air France and KLM generally. Air France and KLM caution that the foregoing list of important factors is not exhaustive. Additional information regarding the factors and events that could cause differences between forward-looking statements and actual results in the future is contained in KLM's Securities and Exchange Commission filings, including KLM's Annual Report on Form 20-F. Air France and KLM undertake no obligation to update or revise any forward-looking statement, whether as a result of new information, future events or otherwise.

Dutch State Option

Today the Dutch State has an option allowing it to obtain 50.1% of KLM's voting rights if KLM's traffic rights are challenged because of the nationality of KLM shareholders.

The option has been maintained but amended in the framework of this transaction. If the Dutch State exercises its option, the State will vote in the best interest of KLM and in the best interest of the combined group and its shareholders.

The Dutch State option has a duration of 3 years and may be renewed 3 times for a 12 month period.

At Air France-KLM's request and once the traffic rights are no longer endangered, the 50.1% voting rights held by the Dutch State shall be redeemed by KLM.

Warrants offered to KLM shareholders

Main features of the warrants:

10 warrants for 10 KLM Shares

3 warrants give the right to subscribe or to acquire 2 Air France shares

The exercise price of the warrants is 20

The maturity of the warrants is 3.5 years

The warrants can be exercised as of the 18th month following delivery

Theoretical value of the warrant:

Valuation methodology: Black&Scholes method (dilution effect of the warrants taken into account).

Key assumptions:

Closing share price of Air France on 29 September 2003: 13.69

Risk free rate of 2.89%

Volatility of the Air France share price: 40%

Air France estimated dividends per share of 0.096, 0.144 and 0.188 (I/B/E/S estimates) during the exercise period

The value of the warrant is estimated to be 1.68
