PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

To Be Held March 16, 2004

General

The enclosed proxy is solicited on behalf of the Board of Directors of Olympic Cascade Financial Corporation, a Delaware corporation (Olympic or the Company), for use at the Annual Meeting of Shareholders to be held on March 16, 2004, and any adjournment or postponement thereof. The Annual Meeting will be held at 12:00 P.M. (local time) at the New York offices of the Company's subsidiary, National Securities Corporation, located at 120 Broadway, 27th Floor, New York, New York 10271. This Proxy Statement, the enclosed proxy card and the Company's Annual Report on Form 10-K for the fiscal year ended September 30, 2003 are being mailed on or about January 28, 2004 to shareholders entitled to vote at the meeting.

Record Date and Voting Shares

The close of business on January 20, 2004 has been fixed as the record date (the Record Date) for determining the shareholders of record entitled to notice of and to vote at the Annual Meeting. At the close of business on the Record Date, there were outstanding and entitled to vote 3,367,558 shares of common stock, \$.02 par value (the Common Stock) and 27,825 shares of Series A Convertible Preferred Stock, \$.01 par value (the Preferred Stock). Each share of Preferred Stock is convertible into Common Stock at the current conversion price of \$1.50 per share, and the holder of each share of Preferred Stock is entitled to the number of votes equal to the number of shares into which such share of Preferred Stock could be converted at the Record Date. Accordingly, as of the Record Date, there were 5,222,556 shares entitled to vote, consisting of 3,367,558 shares of Common Stock outstanding, and 1,854,998 shares of Common Stock issuable upon conversion of the Preferred Stock. Each share of Common Stock entitles the holder thereof to one vote upon any proposal submitted for a vote at the Annual Meeting.

Directors are elected by a plurality of the votes, which means that the nominee who receives the largest number of properly executed votes will be elected as a director. Shares that are represented by proxies that are marked withhold authority for the election of the director nominee will not be counted in determining the number of votes cast for that person.

The affirmative vote of a majority of the shares present (in person or by proxy and entitled to vote at the Annual Meeting) is needed to ratify the appointment of Marcum & Kliegman LLP as the Company's independent auditors. Any other matters properly considered at the meeting will be determined by a majority of the votes cast.

Voting of Proxies

If the enclosed form of proxy is properly signed and returned, the shares represented thereby will be voted at the Annual Meeting in accordance with the instructions specified thereon. If the proxy does not specify how the shares represented thereby are to be voted: the proxy will be voted **FOR** the election of the Class III directors proposed by the Board of Directors unless the authority to vote for the election of such directors is withheld, unless the proxy contains contrary instructions; the proxy will be voted **FOR** the approval to adopt an amendment to the Company's Certificate of Incorporation to decrease the number of authorized shares of Common Stock from 60,000,000 to 30,000,000; the proxy will be voted **FOR** the approval to adopt an amendment to the Company's Certificate of Incorporation to increase the number of authorized shares of Preferred Stock from 100,000 to 200,000, and an amendment to the Company's Certificate of Designation to increase the number of authorized shares designated as Series A Preferred Stock from 30,000 to 50,000; the proxy will be voted **FOR** the approval of Marcum & Kliegman LLP as independent public accountants for the fiscal year ending September 30, 2004; and in accordance with the discretion of the proxy holders as to all other matters that may properly come before the Annual Meeting. If a

broker indicates on the enclosed proxy or its substitute that it does not have discretionary authority as to certain shares to vote on a particular matter (broker non-votes), those shares will not be considered as voting with respect to that matter. The Company believes that the tabulation procedures to be followed by the Inspector of Elections are consistent with the general requirements of Delaware law concerning voting of shares and determination of a quorum.

You may revoke or change your proxy at any time before the Annual Meeting by filing with the Secretary of the Company, at the New York offices of the Company's subsidiary, National Securities Corporation, located at 120 Broadway, 27th Floor, New York, New York 10271, a notice of revocation or another signed proxy with a later date. You may also revoke your proxy by attending the Annual Meeting and voting in person.

If any shareholder is unable to attend the Annual Meeting, such shareholder may vote by proxy. If a proxy is properly executed and returned to the Company in time to be voted at the Annual Meeting, it will be voted as specified in the proxy, unless it is properly revoked prior thereto. Votes cast in person or by proxy at the Annual Meeting will be tabulated by the Inspectors of Elections appointed for the meeting and will determine whether or not a quorum is present. The holders of a majority of the shares of stock entitled to vote at the meeting, present in person or represented by proxy, shall constitute a quorum for the transaction of business.

Solicitation

The Company will bear the entire cost of solicitation, including the preparation, assembly, printing and mailing of this Proxy Statement, the proxy and any additional solicitation materials furnished to the shareholders. Copies of solicitation materials will be furnished to brokerage houses, fiduciaries and custodians holding shares in their names that are beneficially owned by others so that they may forward this solicitation material to such beneficial owners. In addition, the Company may reimburse such persons for their costs in forwarding the solicitation materials to such beneficial owners. The original solicitation of proxies by mail may be supplemented by a solicitation by telephone, telegram or other means by directors, officers or employees of the Company. No additional compensation will be paid to these individuals for any such services. Except as described above, the Company does not presently intend to solicit proxies other than by mail.

Deadline for Receipt of Shareholder Proposals for 2005 Annual Meeting of Shareholders

Proposals of shareholders of the Company that are intended to be presented by such shareholders at the Company's 2005 Annual Meeting must be received no later than October 1, 2004 in order that they may be included in the proxy statement and form of proxy relating to that meeting. Proposals should be sent to Olympic Cascade Financial Corporation, c/o National Securities Corporation, 120 Broadway, 27th Floor, New York, New York 10271, Attention: Corporate Secretary.

Certain Relationships and Related Transactions

Messrs. Goldwasser, Rettman and Bresner have brokerage margin accounts with National. The transactions, borrowings and interest charges in these accounts are handled in the ordinary course of business and are consistent with similar third party customer accounts.

In fiscal year 2002, the Company completed a series of transactions under which certain new investors (collectively, the Investors) obtained a significant ownership in the Company through a \$1,572,500 investment in the Company and by purchasing a majority of shares held by Steven A. Rothstein, the former Chairman, Chief Executive Officer and principal shareholder of the Company (the Investment Transaction). The Investors included Triage Partners LLC (Triage), an affiliate of Sands Brothers & Co., Ltd., a NASD member firm, and One Clark LLC (One Clark), an affiliate of Mark Goldwasser, the current Chief Executive Officer and President of the Company. The Investors purchased an aggregate of \$1,572,500 of Series A Preferred Stock from the Company, which is convertible into Common Stock at a price of \$1.50 per share. The Company incurred \$100,000 of legal costs related to these capital transactions. In connection with the Investment Transaction, Triage also purchased 285,000 shares of Common Stock from Mr. Rothstein and his affiliates at a price of \$1.50 per share. In addition, Mr. Rothstein and his affiliates granted Triage a three-year voting proxy on 274,660 shares, the balance of their Common Stock.

Concurrent with the Investment Transaction, two unrelated individual noteholders holding \$2.0 million of the Company s debt converted one-half of their debt into the same class of Series A Preferred Stock that was sold in the Investment Transaction. The noteholders also had 100,000 of their 200,000 warrants to acquire shares of Common Stock repriced from an exercise price of \$5.00 per share to \$1.75 per share. The two noteholders have agreed to extend the maturity date on the remaining \$1.0 million from January 25, 2004 to July 31, 2005. Effective February 1, 2004, the interest rate on the notes will be increased to 12% from 9% per annum. Additionally, the other 100,000 warrants to acquire shares of common stock will be repriced from an exercise price of \$5.00 per share to \$1.25 per share, and the expiration date for all 200,000 warrants will be extended to July 31, 2005.

In February 2001, National Securities Corporation entered into a secured demand note collateral agreement valued at \$1,000,000 with Peter Rettman, to borrow securities that can be used by the Company for collateral agreements. This note bears interest at 5% per annum, payable monthly, and matures on February 1, 2004. Additionally, Mr. Rettman received 75,000 warrants to acquire shares of Common Stock with an exercise price of \$5.00 per share that expires on February 1, 2004. In November 2003, National and Mr. Rettman agreed that upon maturity, the \$1,000,000 note will be replaced with a note with a principal amount equal to at least \$500,000 that will mature on February 28, 2005. Additionally, upon replacement of the note, the 75,000 warrants previous acquired by Mr. Rettman will be repriced to \$1.25 per share, and the expiration date of exercise of the warrants will be extended to July 31, 2005.

Mr. Daskal subsequently agreed to serve as the Company's Acting Chief Financial Officer and Acting Secretary. The effective date of the payment of his monthly consulting fee has been correspondingly deferred.

Meetings of the Board Of Directors

During the fiscal year ended September 30, 2003, the Company's Board of Directors met or acted by unanimous written consent a total of nine times. Each director attended or participated in 75% or more of the aggregate of the total number of meetings of the Board of Directors.

Committees of the Board of Directors

The Board of Directors has a Compensation Committee and an Audit Committee, all the members of which are independent, as defined by Securities and Exchange Commission (the "SEC") rules and The American Stock Exchange listing standards, as applicable. Each director attended or participated in 75% or more of the aggregate of the total number of meetings held by all committees of the Board of Directors on which such director served during the 2003 fiscal year.

The Board of Directors does not currently have a nominating committee. Board of Director nominations are recommended by a majority of independent directors, which has recommended the nominees named above for election at the 2004 Annual Meeting. In making its nominations, the Board of Director identifies candidates who meet the current challenges and needs of the Board of Directors. In determining whether it is appropriate to add or remove individuals, the Board of Directors will consider issues of judgment, diversity, age, skills, background and experience. In making such decisions, the Board of Directors considers, among other things, an individual's business experience, industry experience, financial background and experiences.

Compensation Committee

The Company's Compensation Committee for the fiscal year 2003 consisted of Steven B. Sands, Robert J. Rosan and Gary Rosenberg, all of whom are independent as defined in Section 121 (A) of AMEX listing requirements. On January 12, 2004, the Compensation Committee adopted a formal Compensation Committee Charter, which is attached as Exhibit A to this proxy statement, which contains a detailed description of the committee's duties and responsibilities.

Report of the Compensation Committee

This report of the Compensation Committee shall not be deemed incorporated by reference by any general statement incorporating the Proxy Statement by reference into any filing under the Securities Act of 1933 or the Securities Exchange Act of 1934 (the "Acts"), except to the extent that the Company specifically incorporates this information by reference, and shall not otherwise be deemed filed under such Acts.

The Committee is responsible for reviewing and approving the compensation of the Company's Chief Executive Officer and recommending to the Board of Directors the compensation of the Company's other officers and the Company's co-chairmen, consistent with employment contracts, where appropriate. The Committee believes the compensation paid to the Company's Executive Officers is competitive with companies within its industry that are comparable in size and by companies outside the industry with which the Company competes for executive talent.

The Company has a compensation program that consists of salary and performance bonus (that are generally reviewed annually) and stock options. For the fiscal year ending September 30, 2004, the Compensation Committee approved a bonus pool, whereby 20% of the Company's net income will be paid as a bonus to certain members of the Company's senior management. The overall executive compensation philosophy is based upon the premise that compensation should be aligned with and supports the Company's business strategy and long-term goals. The Company believes it is essential to maintain an executive compensation program that provides overall compensation competitive with that paid executives with comparable qualifications and experience. This is critical to attract and retain competent executives.

Edgar Filing: OLYMPIC CASCADE FINANCIAL CORP - Form DEF 14A

Annual cash bonuses are determined by the Compensation Committee. Stock options may be granted to key employees of the Company pursuant to the Company's stock option plan that provides additional incentive to maximize stockholder value. The plans may also utilize vesting periods to encourage option recipients to continue in the employ of the Company. The Company grants stock options to its officers, directors, employees, investment executives and consultants.

The Compensation Committee regularly evaluates its policies with respect to executive compensation. The Compensation Committee believes that a combination of salary, bonus, and stock options provides a mix of short and long-term rewards necessary to attract motivate and retain an excellent management team.

The Company intends to comply with the requirements of Section 162 (m) of the Internal Revenue Code of 1986 for the fiscal year 2004.

Compensation of the Chief Executive Officer. In July 2003, the Company and Mr. Goldwasser agreed to terminate Mr. Goldwasser's profit participation in National's branch office at 120 Broadway in New York City, and enter into a new employment agreement providing for a base annual salary of \$300,000. Mr. Goldwasser has been salaried at that rate since July 2003. A definitive agreement with the terms approved by the Compensation Committee is currently being memorialized. The terms of the employment agreement will reflect the recognition of Mr. Goldwasser's unique skills and importance to the Company. The amount of compensation reflects the Committee's philosophy as stated above.

Audit Committee Report

Edgar Filing: OLYMPIC CASCADE FINANCIAL CORP - Form DEF 14A

On December 17, 2003, the Audit Committee met to review the results of the 2003 audit. The Audit Committee reviewed the Company's audited financial statements as of and for the fiscal year ended September 30, 2003 with management and the Company's independent public accountants, Marcum & Kliegman LLP. This review included the matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees, as issued and amended by the Auditing Standards Board of the American Institute of Certified Public Accountants. The Audit Committee discussed with Marcum & Kliegman LLP, their independence from management and from the Company.

PROPOSAL 2

**TO AMEND THE CERTIFICATE OF INCORPORATION TO DECREASE
THE NUMBER OF SHARES OF COMMON STOCK AUTHORIZED FOR ISSUANCE**

General

The Company's Certificate of Incorporation currently authorizes the issuance of 60,000,000 shares of Common Stock and 100,000 shares of Preferred Stock. In January 2004, the Board of Directors adopted a resolution approving, and declared advisable, subject to stockholder approval, an amendment to the Certificate of Incorporation to decrease the number of authorized shares of the Company's Common Stock from 60,000,000 to 30,000,000 shares. If the stockholders approve this proposal, the first paragraph of Article IV of the Company's Certificate of Incorporation would be amended to read in its entirety as follows:

The total number of shares of all classes of stock which the corporation has authority to issue is Thirty Million One Hundred Thousand (30,100,000) shares, consisting of two classes: Thirty Million (30,000,000) shares of Common Stock, \$.02 par value per share (the "Common Stock"), and One Hundred Thousand (100,000) shares of Preferred Stock, \$.01 par value per share (the "Preferred Stock").

Reasons for the Decrease in the Number of Authorized Shares of Common Stock

The Board of Directors is in favor of Proposal 2 for the following reasons:

The Board of Directors does not foresee a need in the near term to issue numbers of shares approaching the amounts that are currently authorized and unissued; and

Reducing the number of authorized shares will significantly reduce the amount of Delaware franchise tax payable by the Company.

The approval and adoption of the amendment set forth above will not affect in any way the validity of currently outstanding stock certificates and will not require you to surrender or exchange any stock certificates that you currently hold. The rights of the Company's stockholders will not be affected by the decrease in the number of authorized shares of Common Stock.

As of the Record Date, the Company had a total of 3,367,558 shares of Common Stock issued and outstanding. Additionally, the Company had 1,991,500 shares of Common Stock potentially needed for issuance consisting of 444,150 shares reserved for issuance upon exercise of outstanding stock options, 1,547,350 shares reserved for future option grants, 1,733,947-shares reserved for issuance upon exercise of outstanding warrants, 1,854,998 shares reserved for conversion upon exercise of outstanding and to be issued Series A Preferred Stock. As of the Record Date, 20,725 shares of the Company's Preferred Stock, of which 100,000 shares are authorized, were issued or outstanding.

Board of Directors Reservation of Rights

The Board of Directors retains the authority to take or to authorize discretionary actions as may be appropriate to carry out the purposes and intentions of this proposal, including without limitation editorial modifications or any other change to the amendment to the Company's Certificate of Incorporation which the Board of Directors may adopt without stockholder vote in accordance with the Delaware General Corporation Law.

No Dissenters' Rights

Under Delaware law, stockholders are not entitled to dissenters' rights of appraisal with respect to the proposal to amend the Company's Certificate of Incorporation.

The Board of Directors recommends a vote **FOR** the amendment to the Certificate of Incorporation to decrease the number of shares of Common stock authorized for issuance.

PROPOSAL 3

**TO AMEND TO THE CERTIFICATE OF INCORPORATION TO INCREASE
THE NUMBER OF AUTHORIZED SHARES OF PREFERRED STOCK
AUTHORIZED FOR ISSUANCE AND TO AMEND THE CERTIFICATE OF
DESIGNATION TO INCREASE THE NUMBER OF
AUTHORIZED SHARES DESIGNATED AS SERIES A PREFERRED STOCK**

General

As stated above, the Company's Certificate of Incorporation currently authorizes the issuance of 60,000,000 shares of Common Stock and 100,000 shares of Preferred Stock. The Company's Certificate of Designations, Preferences, and Relative Optional or Other Special Rights of Preferred Stock and Qualifications, Limitations and Restrictions Thereof of Series A Convertible Preferred Stock (the Certificate of Designation) currently authorizes 50,000 shares of Series A Preferred Stock. In January 2004, the Board of Directors adopted a resolution approving, and declared advisable, subject to stockholder approval, an amendment to the Certificate of Incorporation to increase the number of authorized shares of the Company's Preferred Stock from 100,000 to 200,000 shares and an amendment to the Certificate of Designation to increase the number of Preferred Stock designated as Series A Preferred Stock from 30,000 shares to 50,000 shares.

If the stockholders approve this proposal and Proposal 2 above, the first paragraph of Article IV

The total number of shares of all classes of stock which the corporation has authority to issue is Thirty Million One Hundred Thousand (30,200,000) shares, consisting of two classes: Thirty Million (30,000,000) shares of Common Stock, \$.02 par value per share (the Common Stock), and Two Hundred Thousand (200,000) shares of Preferred Stock, \$.01 par value per share (the Preferred Stock).

Additionally, if stockholders approve this proposal, Section (B) of the Certificate of Designation would be amended to read in its entirety as follows:

(B) Designation of Number of Shares in Series. The number of shares constituting the Series A Preferred Stock shall be 50,000.

Reasons for the Increase in the Number of Authorized Shares of Preferred Stock and the Increase in Shares Designated as Series A Preferred Stock

The principal purpose of the proposed amendment to the Articles of Incorporation and the certificate of Designation is to authorize additional shares of Preferred Stock which will be available in the event the Board of Directors determines that it is necessary or appropriate to permit future stock dividends, to raise additional capital through the sale of equity securities, to acquire another company or its assets, to establish

Edgar Filing: OLYMPIC CASCADE FINANCIAL CORP - Form DEF 14A

strategic relationships with corporate partners and to provide equity incentives to employees and officers or for other corporate purposes. The availability of additional shares of stock is particularly important in the event that the Board of Directors needs to undertake any of the foregoing actions on an expedited basis and thus to avoid the time and expense of seeking stockholder approval in connection with the contemplated issuance of stock. If the amendment is approved by the stockholders, the Board of Directors does not intend to solicit further stockholder approval prior to the issuance of any additional shares of common stock or preferred stock, except as may be required by the Company's Certificate of Incorporation, Certificate of Designation or applicable law.

The increase in authorized Preferred Stock will not have any immediate effect on the rights of existing stockholders. However, the Board of Directors will have the authority to issue authorized preferred stock without requiring future stockholder approval of such issuances, except as may be required by the Company's Certificate of Incorporation, Certificate of Designation or applicable law. To the extent that additional authorized shares are issued in the future, they may decrease the existing stockholders' percentage equity ownership and, depending on the price at which they are issued, could be dilutive to the existing stockholders.

The increase in the authorized number of shares of preferred stock and the subsequent issuance of such shares could have the effect of delaying or preventing a change in control of the Company without further action by the

stockholders. Shares of authorized and unissued preferred stock could, within the limits imposed by applicable law, be issued in one or more transactions which would make a change in control of the Company more difficult, and therefore less likely. Any such issuance of additional stock could have the effect of diluting the earnings per share and book value per share of outstanding shares of preferred stock and such additional shares could be used to dilute the stock ownership or voting rights of a person seeking to obtain control of the Company.

The Board of Directors is not currently aware of any attempt to take over or acquire the Company. While it may be deemed to have potential anti-takeover effects, the proposed amendment to increase the authorized preferred stock is not prompted by any specific effort or takeover threat currently perceived by management.

As of the Record Date, 20,725 shares of the Company's Series A Preferred Stock, of which 100,000 shares of Preferred Stock are authorized, were issued or outstanding. The Company has no immediate plans, arrangements, commitments or understandings with respect to the issuance of any of the additional shares of Preferred Stock that would be authorized by the proposed amendment; provided, however, that the Company reserves the right to pay the dividend accruing on the Series A Preferred Stock in the form of additional shares of Series A Preferred Stock.

Board of Directors Reservation of Rights

The Board of Directors retains the authority to take or to authorize discretionary actions as may be appropriate to carry out the purposes and intentions of this proposal, including without limitation editorial modifications or any other change to the amendment to the Company's Certificate of Incorporation and Certificate of Designation which the Board of Directors may adopt without stockholder vote in accordance with the Delaware General Corporation Law.

No Dissenters' Rights

Under Delaware law, stockholders are not entitled to dissenters' rights of appraisal with respect to the proposal to amend the Company's Certificate of Incorporation and the Certificate of Designation.

The Board of Directors recommends a vote **FOR** the amendments to the Certificate of Incorporation to increase the number of shares of Preferred Stock authorized for issuance and to the Certificate of Designation to increase the number of authorized shares designated a Series A Preferred Stock.

PROPOSAL 4

RATIFICATION OF APPOINTMENT OF INDEPENDENT PUBLIC ACCOUNTANTS

The Board of Directors, acting on the recommendation of the Audit Committee, has appointed Marcum & Kliegman LLP, as the independent public accountants for the Company for the fiscal year ending September 30, 2004. The Board of Directors requests that the shareholders ratify the appointment. If the shareholders do not ratify the appointment, the Board of Directors will consider the selection of another public accounting firm for fiscal year 2004 and future years. One or more representatives of Marcum & Kliegman LLP may attend the Annual Meeting and, if so, will have an opportunity to make a statement if they so desire, and would be available to answer questions.

As reported on a Form 8-K dated May 5, 2003, effective May 1, 2003, the Company dismissed Grassi & Co., CPAs, P.C. (Grassi) as the Company's independent accountants. The action was approved by the Company's Audit Committee. Feldman Sherb & Co., P.C., a professional corporation of certified public accountants (Feldman), was the independent accounting firm for the Company for the year ended September 28, 2001 and through the period ended April 19, 2002. Feldman was merged into Grassi on April 17, 2002, with Grassi as the successor firm. The reports of Grassi and Feldman on the financial statements of the Company for the past two fiscal years prior to dismissal did not contain any adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles. In addition, during the Company's two most recent fiscal years prior to dismissal and through May 1, 2003, there was no disagreement with Grassi on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure. The Company requested that Grassi furnish it with a letter addressed to the SEC stating whether or not it agreed with the statements in the Form 8-K. On May 15, 2003, the Company filed a Form 8-K/A reporting that Grassi had agreed with such disclosures. On May 1, 2003, the Audit Committee engaged Marcum & Kliegman LLP (MKLLP) as the Company's new independent accountants for the year ending September 30, 2003. During the two most recent fiscal years prior to the dismissal and the interim period preceding the engagement of MKLLP, the Company had not consulted with MKLLP regarding either: (i) the application of accounting principles to a specified transaction, either completed or proposed; or the type of audit opinion that might be rendered on the Company's financial statements, and neither a written report nor oral advice was provided to the Company by MKLLP that MKLLP concluded was an important factor considered by the Company in reaching a decision as to an accounting, auditing, or financial reporting issue; or (ii) any matter that was either the subject of a disagreement or event identified in response to paragraph (a)(1)(iv) of Item 304, as those terms are used in Item 304(a)(1)(iv) of Regulations S-B and S-K and the related instructions to Item 304 of Regulations S-B and S-K.

Moreover, as reported on a Form 8-K dated October 9, 2003, the Company furnished certain information as a result of recent communications with and comments received by the Company from the Staff of the SEC, wherein the Staff informed the Company that it was the Staff's position that the merger in April 2002 (the Merger) of Feldman, into Grassi, both former independent accountants of the Company, constituted a change of accountants pursuant to Item 304 of Regulation S-K, promulgated under the Securities Act of 1933, as amended. Specifically, the Company reported that on April 17, 2002, Feldman merged into Grassi, with Grassi as the successor firm. Feldman was the independent accounting firm for the Company for the fiscal years ended September 29, 2000 and September 28, 2001 and through the period ended April 17, 2002. During such time, the report of Feldman on the financial statements of the Company for such fiscal years did not contain any adverse opinion or disclaimer of opinion and was not qualified or modified as to uncertainty, audit scope or accounting principles. In addition, during such time, there was no disagreement with Feldman on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure. The Company requested Feldman to furnish it with a letter addressed to the SEC stating whether it agrees with the statements made above by the Company. A copy of the letter, dated October 9, 2003, was filed with report on Form 8-K. Consequently, directly as a result of the Merger, the Company formally engaged Grassi as the Company's independent accountants for the year ending September 30, 2002. Prior to its engagement, the Company had not consulted with Grassi with respect to either: (i) the application of accounting principles to a specified transaction, either completed or proposed; or the type of audit opinion that might be rendered on the Company's financial statements, and neither a written report nor oral advice was provided to the Company by Grassi that Grassi concluded was an important factor considered by the Company in reaching a decision as to an accounting, auditing, or financial reporting issue; or (ii) any matter that was either the subject of a disagreement or event identified in response to paragraph (a)(1)(iv) of Item 304, as those terms are used in Item 304(a)(1)(iv) of Regulation S-K and the related instructions to Item 304 of Regulation S-K. The action concerning the change in accountants pursuant to the Merger was confirmed by the Company's Board of Directors.

Audit Fees. Fees for services performed by Marcum & Kliegman LLP during fiscal year 2003 relating to the audit of the consolidated annual financial statements and preparation of Federal and state income tax returns were approximately \$91,000. Fees for services performed by Grassi & Co. during fiscal years 2003 and 2002 relating to the audit of the consolidated annual financial statements and preparation of Federal and state income tax returns were approximately \$51,000 and \$166,000, respectively.

Audit-Related Fees. Audit-related fees include fees billed for assurance and related services that are reasonably related to the performance of the audit and not included in the audit fees mentioned above. There were no such fees paid in fiscal years 2003 or 2002.

Tax Fees. The fees billed in fiscal years 2003 and 2002 for tax compliance, tax advice or tax planning are included in Audit Fees above.

All Other Fees. There were no fees for other audit related services in fiscal years 2003 and 2002.

Pre-Approval Policies

Pursuant to the rules and regulations of the SEC, before the Company's independent accountant is engaged to render audit or non-audit services, the engagement must be approved by the Company's audit committee or entered into pursuant to the committee's pre-approval policies and procedures. The policy granting pre-approval to certain specific audit and audit-related services and specifying the procedures for pre-approving other services is set forth in the Amended and Restated Charter of the Audit Committee, attached as Exhibit B to this Proxy Statement.

The Board of Directors recommends a vote **FOR** the ratification of the appointment of Marcum & Kliegman LLP as independent public accountants for the Company in fiscal year 2004.

OTHER BUSINESS

Management knows of no business to be brought before the Annual Meeting of Shareholders other than that set forth herein. However, if any other matters properly come before the meeting, it is the intention of the persons named in the proxy to vote such proxy in accordance with their judgment on such matters. Even if you plan to attend the meeting in person, please execute, date and return the enclosed proxy promptly. Should you attend the meeting, you may revoke the proxy by voting in person. The Committee shall prepare the report required by the rules of the Securities and Exchange Commission (the *SEC*) to be included in the *Company*'s annual proxy statement.

In addition to the powers and responsibilities expressly delegated to the Committee in this Charter, the Committee may exercise any other powers and carry out any other responsibilities delegated to it by the Board, from time to time, consistent with the *Company*'s bylaws. The powers and responsibilities delegated by the Board to the Committee in this Charter or otherwise shall be exercised and carried out by the Committee as it deems appropriate without requirement of Board approval, and any decision made by the Committee (including any decision to exercise or refrain from exercising any of the powers delegated to the Committee hereunder) shall be at the Committee's sole discretion. While acting within the scope of the powers and responsibilities delegated to it, the Committee shall have and may exercise all the powers and authority of the Board. To the fullest extent permitted by law, the Committee shall have the power to determine which matters are within the scope of the powers and responsibilities delegated to it.

The independent auditor is responsible for performing an audit of the *Company*'s annual financial statements, expressing an opinion as to the conformity of such annual financial statements with generally accepted accounting principles and reviewing the *Company*'s quarterly financial statements. Further, auditing literature, particularly Statement of Accounting Standards No. 71, defines the term *review* to include a particular set of required procedures to be undertaken by independent auditors. The members of the Committee are not independent auditors, and the term *review* as used in this Charter is not intended to have that meaning and should not be interpreted to suggest that the Committee members can or should follow the procedures required of auditors performing reviews of financial statements.

MEMBERSHIP

The Committee shall consist of at least three (3) members of the Board. Each Committee member must be able to read and understand fundamental financial statements, including a company's balance sheet, income statement and cash flow statement. MEETINGS AND PROCEDURES

The Chairman (or in his or her absence, a member designated by the Chairman) shall preside at each meeting of the Committee and set the agendas for Committee meetings. The Committee shall meet at least once during each fiscal quarter and more frequently as the Committee deems desirable. The Committee shall meet separately, periodically, with management, with the internal auditor and with the independent auditor.

All non-management directors that are not members of the Committee may attend and observe meetings of the Committee, but shall not participate in any discussion or deliberation unless invited to do so by the Committee, and in any event shall not be entitled to vote. The Committee may, at its discretion, include in its meetings members of the Company's management, representatives of the independent auditor, the internal auditor, any other financial personnel employed or retained by the Company or any other persons whose presence the Committee believes to be necessary or appropriate. Notwithstanding the foregoing, the Committee may also exclude from its meetings any persons it deems appropriate, including, but not limited to, any non-management director that is not a member of the Committee.

The Committee may retain any independent counsel, experts or advisors (accounting, financial or otherwise) that the Committee believes to be necessary or appropriate. The Committee may also utilize the services of the Company's regular legal counsel or other advisors to the Company. The Company shall provide for appropriate funding, as determined by the Committee, for payment of compensation to the independent auditor for the purpose of rendering or issuing an audit report and to any advisors employed by the Committee.
