PUBLIC EXCHANGE OFFER FOR ALL ORDINARY SHARES

IN KONINKLIJKE LUCHTVAART MAATSCHAPPIJ N.V.

BY SOCIÉTÉ AIR FRANCE S.A.

The Offer

As of April 5, 2004, société Air France S.A. (Air France) will make a public offer (the Offer), subject to the conditions and restrictions set out in the offer and listing document dated April 5, 2004 (the Offer and Listing Document), for all ordinary shares with a nominal value of EUR 2.00 each (the KLM Shares) in the share capital of Koninklijke Luchtvaart Maatschappij N.V. (KLM). The Offer will be made for all KLM Shares, therefore both for the ordinary shares in KLM which are traded on Euronext Amsterdam (KLM Ordinary Shares) and the ordinary shares in KLM which are traded on the New York Stock Exchange (KLM New York Registry Shares). On 19 April, 2004 the Offer shall be discussed during an extraordinary general meeting of shareholders of KLM in accordance with article 9q of the Decree on the Supervision of the Securities Trade 1995.

The Offer and Listing Document will be available as of April 5, 2004.

Air France is offering 11 Air France shares with a nominal value of EUR 8.00 each (Air France Shares) and 10 Air France warrants (Air France Warrants) in exchange for every 10 KLM Ordinary Shares that are validly tendered in the Offer and not properly withdrawn. The Air France Shares will have the same rights as the existing Air France shares. Three Air France Warrants entitle the holder for a period of two years starting one and a half year after granting of the Air France Warrants (which granting shall, unforeseen circumstances excepted, take place on the second day after the day on which the Offer has been declared unconditional) to subscribe for two new or existing Air France shares, at an exercise price of EUR 20.00 per Air France share, subject to adjustment of this number of Air France shares upon the occurrence of certain events as further described in the terms and conditions applicable to the Air France Warrants as set forth in the Offer and Listing Document.

Acceptance Period

The acceptance period commences on April 5, 2004 and ends, subject to extension, on May 3, 2004 at 11:00 p.m. Amsterdam time (5:00 p.m. New York city time) (the Acceptance Period). Under Rule 14d-10 of the U.S. Securities Exchange Act 1934 applicable to the Offer relating to equal treatment of shareholders, the offer must be open to all holders of KLM Shares for the same offer period. In case the Offer is extended, Air France will announce such extension, in accordance with Article 9o paragraph 5 of the Decree on the Supervision of the Securities Trade 1995, no later than 3:00 p.m. Amsterdam time on the day following the day of expiration of the Acceptance Period.

Acceptance

Holders of KLM Ordinary Shares are requested to make their acceptance known through their bank or stockbroker to ABN AMRO Bank N.V. (ABN AMRO) within the Acceptance Period. The bank or stockbroker may set an earlier deadline for communication by holders of KLM Ordinary Shares in order to permit the bank or stockbroker to communicate Acceptances to ABN AMRO in a timely manner.

Declaring the Offer unconditional

The Offer is subject to the conditions set forth in the Offer and Listing Document. Air France, and with respect to certain conditions KLM, is entitled to waive one or more of these conditions as described in the Offer and Listing Document. One of these conditions for declaring the Offer unconditional is that prior to the expiration of the Acceptance Period (as extended, as the case may be) the number of KLM Shares tendered under the Offer represents at least 70% of all KLM Shares outstanding at the time of expiration of the Acceptance Period (as extended, as the case may be). No later than the day following the day of expiration of the Acceptance Period (as extended, as the case may be), Air France will announce prior to opening of Euronext Amsterdam, unforeseen circumstances excepted, whether it declares the Offer unconditional.

Listing of Air France Shares, Air France Warrants, Air France ADSs and Air France ADWs

Air France is listed on Euronext Paris. Air France has applied, subject to the Offer being declared unconditional, to list the Air France Shares and Air France Warrants on Euronext Paris and Euronext Amsterdam. Subject to the Offer being declared unconditional, trading of the Air France Shares and Air France Warrants on Euronext Paris and Euronext Amsterdam is expected to commence on May 5, 2004, 9:00 a.m. Amsterdam time, unforeseen circumstances excepted. In addition, Air France has applied, subject to the Offer being declared unconditional, to list the Air France American depository shares (Air France ADSs) and the Air France American depository warrants (ADWs), that will be offered to the holders of KLM New York Registry Shares in exchange for their KLM New York Registry Shares, on the New York Stock Exchange. Subject to the Offer being declared unconditional, trading of the Air France ADSs and Air France ADWs on the New York Stock Exchange is expected to commence on May 5, 2004, 9:30 a.m. New York City time, unforeseen circumstances excepted.

De-listing of the KLM Ordinary Shares and the KLM New York Registry Shares

If Air France holds more than 95% of the KLM Shares, including depository receipts issued for those shares, KLM will consult with Euronext Amsterdam about the de-listing of the KLM Ordinary Shares. KLM will also seek de-listing of the KLM New York Registry Shares from the New York Stock Exchange as soon as reasonably practicable following completion of the Offer. If the KLM New York Registry Shares are de-listed from the New York Stock Exchange and KLM has fewer than 300 holders of KLM Shares in the United States, KLM will seek to de-register the KLM New York Registry Shares under the U.S. Securities Exchange Act of 1934.

Settlement Date

If the Offer is declared unconditional, the holders of KLM Ordinary Shares who have validly tendered and transferred their KLM Ordinary Shares will, no later than the second day after the day on which the Offer has been declared unconditional, unforeseen circumstances excepted, receive such number of Air France Shares and Air France Warrants as corresponds to the exchange ratio as described above.

No fractional Air France Shares or Air France Warrants will be issued. Fractional entitlements will be rounded up (subject to the receipt of the requisite funds from the clients) or down (remitting cash in lieu of fractional entitlements) in accordance with the usual practice of the institutions admitted to Euronext Amsterdam (Admitted Institutions).

Announcements

Announcements in connection with the Offer will be made by publication in the Daily Official List of Euronext Amsterdam and one or more Dutch national newspapers. In addition, notice will be posted on Air France's website at www.airfrance-finance.com, on KLM's website at <http://investorrelations.klm.com> and on the website of the French regulator, *Autorité des Marchés Financiers*, at www.amf-france.org.

Admitted Institutions

The Admitted Institutions may make the acceptances for the KLM Ordinary Shares only to ABN AMRO and only in writing within the Acceptance Period. In submitting the acceptances, the Admitted Institutions are required to declare that (i) they have the tendered KLM Ordinary Shares in their administration (ii) each holder of KLM Ordinary Shares who accepts the Offer irrevocably represents and warrants that he complies with the restrictions set out in Chapter I Restrictions of the Offer and Listing Document and (iii) they undertake to transfer these KLM Ordinary Shares to Air France on the settlement date, provided the Offer has been declared unconditional.

The Admitted Institutions will receive from Air France a commission per Air France Share and Air France Warrant in accordance with the circular of ABN AMRO dated November 29, 2000, with a maximum of EUR 10,000 per account, as well as additional compensation of EUR 2.50 per deposit client for settlement and rounding of fractions of Air France Shares. Any fee for receipt or delivery will also be for the account of Air France. Holders of KLM Ordinary Shares will in principle not be charged any costs.
