Report of Independent Registered Public Accounting Firm

To the Convergys Corporation Employee Benefits Committee

We have audited the accompanying statements of net assets available for benefits of the Convergys Corporation Retirement and Savings Plan (the Plan) as of December 31, 2003 and 2002, and the related statements of changes in net assets available for benefits for the year ended December 31, 2003. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan at December 31, 2003 and 2002, and the changes in its net assets available for benefits for the year ended December 31, 2003, in conformity with U.S. generally accepted accounting principles.

Our audits were performed for the purpose of forming an opinion on the financial statements taken as a whole. The accompanying supplemental schedules as of December 31, 2003 and for the year ended December 31, 2003, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. These supplemental schedules are the responsibility of the Plan's management. The supplemental schedules have been subjected to the auditing procedures applied in our audits of the financial statements and, in our opinion, are fairly stated in all material respects in relation to the financial statements taken as a whole.

Convergys Corporation Retirement and Savings Plan

Notes to Financial Statements

December 31, 2003

1. Description of Plan

The following description of the Convergys Corporation Retirement and Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan available to all eligible employees of Convergys Corporation ("CVG" or the "Company"), Convergys Information Management Group Inc. (IMG), and Convergys Customer Management Group Inc. (CMG), each individually a "Participating Company", who are twenty-one years of age or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

On May 31, 2003, the plan committee elected to increase the maximum participant contribution limit for the Plan from 16% of pretax annual compensation to 25% of pretax annual compensation and to permit catch-up contributions for participants age 50 and older effective as of June 1, 2003. On May 27, 2003, the Broadwing, Inc. Shares Fund changed its name to the Cincinnati Bell Fund. On August 4, 2003, the Plan was amended in certain minor technical respects as required by Internal Revenue Service as a condition to the issuance of a favorable determination letter.

Contributions

Each year, participants may contribute up to 25% of pretax annual compensation, as defined in the Plan. Participants may also contribute distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan offers various mutual funds and individual stocks as investment options for participants. Participants may also create a self-directed brokerage account and invest their contributions in these accounts. Each Participating Company contributes an amount equal to 100% of the first 3% of eligible compensation contributed plus 50% of the next 2% of eligible compensation contributed by Participants if they have completed at least one year of credited service. The matching Participating Company contributions are invested directly in Convergys Corporation common stock. The Plan allows participants to immediately transfer the investment of Company matching contributions from the Company stock to any other investment option(s) offered under the Plan.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Participating Company contributions, (b) Plan earnings, and (c) administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to

which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Participants are vested immediately in the participating Company contribution portion of their accounts plus actual earnings thereon.

Participant Loans

Participants may borrow from their accounts up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at the prime lending rate at the time the loan is initiated. Loans generally must be repaid within five years.

Payment of Benefits

Distribution of a participant's vested account balance is made in one lump sum payment to the participant, or to their beneficiary, upon termination of employment, permanent disability or death. Participant accounts that are vested and in excess of \$5,000 will not be distributed to the participant before they attain age 70 1/2 without the written consent of the participant. Participants may apply for hardship withdrawals, subject to approval by the Plan Administrator. Contributions and earnings are taxable to the participants, subject to certain exceptions, upon withdrawal from the Plan.

2. Summary of Accounting Policies

Basis of Accounting

Edgar Filing: CONVERGYS CORP - Form 11-K

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Quoted market prices are used to value investments. Shares of mutual funds and common stock are valued at the net asset value of

shares held by the Plan at year-end. The participant loans are valued at their outstanding principal balances, which approximate fair value. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

3. Investments

During 2003, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in fair value as determined by quoted market prices as follows:

Mutual funds	\$ 37,147,235

3. Investments (continued)

Investments of the Fidelity Managed Income Portfolio consist in part of guaranteed investment contracts that are reported at estimated fair value, which approximates contract value (contributions made plus interest accrued at the current rate, less withdrawals and fees). These investment contracts provide for benefit responsible withdrawals by the Plan participants at contract value. The average interest rate on the contracts was 4.69% for 2003 and 5.87% for 2002. The average yield on the contracts was 4.62% for 2003 and 5.30% for 2002.

4. Related Party Transactions

Certain Plan investments are shares of mutual funds managed by Fidelity Investments, a sister company to Fidelity Management Trust Company. Fidelity Management Trust Company is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Certain professional and accounting fees incurred in connection with the operation of the Plan are paid directly by CVG.

5. Income Tax Status

The Plan has received a determination letter from the Internal Revenue Service dated July 24, 2003, stating that the Plan is qualified under Section 401(a) of the Internal Revenue Code (the Code) and, therefore, the related trust is exempt from taxation. Subsequent to this determination by the Internal Revenue Service, the Plan was amended. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan is qualified and the related trust is tax exempt.

6. Plan Termination

Although CVG has not expressed any intent to do so, CVG reserves the right under the Plan to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their Company contributions.

7. Subsequent Events

Edgar Filing: CONVERGYS CORP - Form 11-K

On January 2, 2004, the plan added the Fidelity Freedom 2040 Fund as an investment option. On February 17, 2004, the plan added the following funds as investment options: Fidelity Freedom 2005 Fund, Fidelity Freedom 2015 Fund, Fidelity Freedom 2025 Fund, Fidelity Freedom 2035 Fund, Hotchkis & Wiley Mid Cap Value I Fund and Royce Total Return Fund.
